LE TRÉSOR DES MOTS

Dans ce carnet se trouvent des mots fréquents de la langue française, appelés « mots outils », que votre enfant sera amené à connaître par cœur, tout au long de l'année.

Chaque semaine, des mots nouveaux seront à apprendre. L'objectif étant d'acquérir un stock de mots courants. Votre enfant doit s'entraîner petit à petit à les lire très vite, sans avoir à passer par le déchiffrage. Faites-lui lire ces mots au hasard, très vite, dites-lui un mot qu'il doit vous montrer sur la page, faites-lui écrire plusieurs fois.

Les petits ronds présents en-dessous de chaque mot pourront être coloriés à chaque fois que votre enfant l'aura correctement écrit à la maison.
