They call you Lady Luck but there is room for doubt
At times you have a very unladylike way of running out...
You're on a date with me the pickings have been lush And yet before this evening is over you might give me the brush...

might forget your manners, you might refuse to stay. And so the best that I can do is
Luck Be A Lady to night

Luck Be A Lady to night

Luck, if you've ever been a lady to begin with
Lady tonight

Luck, let a gentleman see

How nice a dame you can be

I know the say you've treated other guys you've been with

Luck Be A
Lady with me.

Lady doesn't leave her escort. It isn't fair. It isn't nice!

Lady doesn't wander all over the room and blow on some other guy's dice. So,
let's keep the party polite

Never get out of my sight Stick with me

baby I'm the fellow you came in with, Luck Be A Lady,

Luck Be A Lady, Luck Be A Lady tonight.
