Global Expo Missions

God can use what a child learns in VBS Missions Rotation in a COLOSSAL way!

Help kids see that wherever they go, they can tell others what they know about Jesus. The Global Expo is the place where kids will learn about how one IMB missionary family and one NAMB missionary family dared to change, dared to speak up, dared to believe, dared to stand strong, and dared to trust God. Each day a teenager named Olivia will take kids on a guided video tour as they learn more about these two families and how they are truly facing fear and trusting God. Kids will have the opportunity to participate in a mission project assembling Colossal Care Kits to assist men and women who are homeless or in need.

Bringing in items to help someone else, writing out Bible verses to help spread the gospel, and praying for missionaries and their work are all ways kids get to experience hands-on what it means to trust God and show His love to others.

VBS 2013 Missions Rotation Leader Guide with DVD

Help kids in grades 1–6 discover more about missions and ways they can be involved. The Missions DVD includes daily video segments that follow the same two missionary families throughout the week and explores the ways they are facing fear and trusting God. Helpful teaching inserts include maps, photos, reproducibles, and other time-saving teaching tools.
