Ou

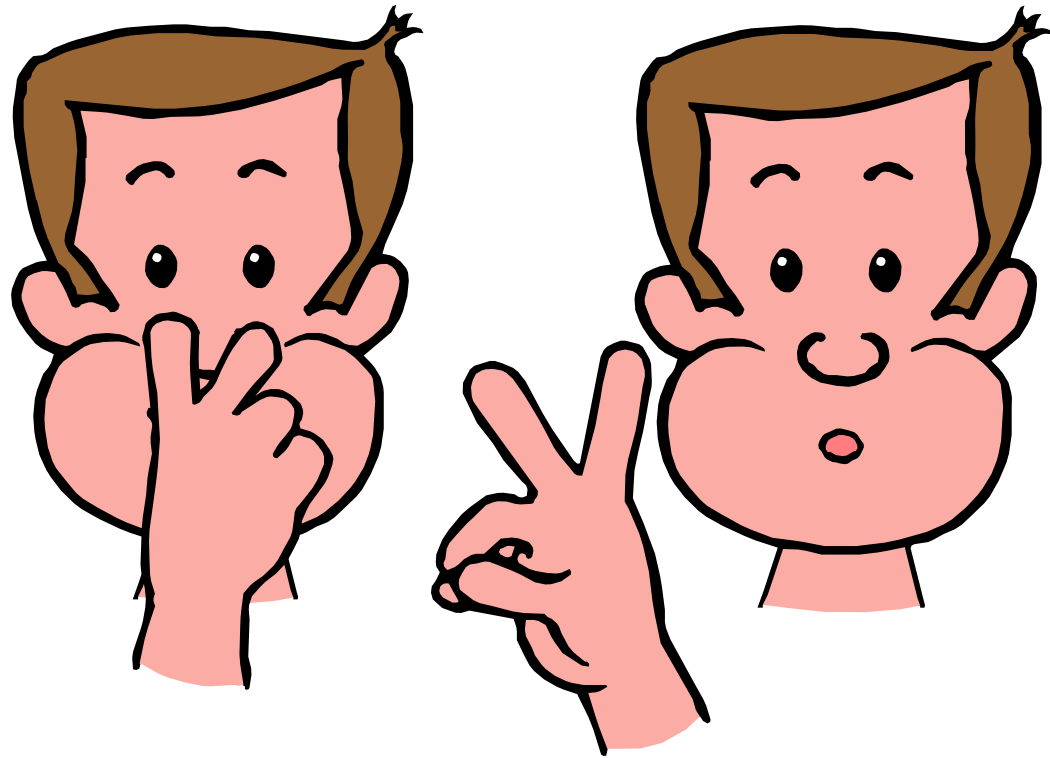

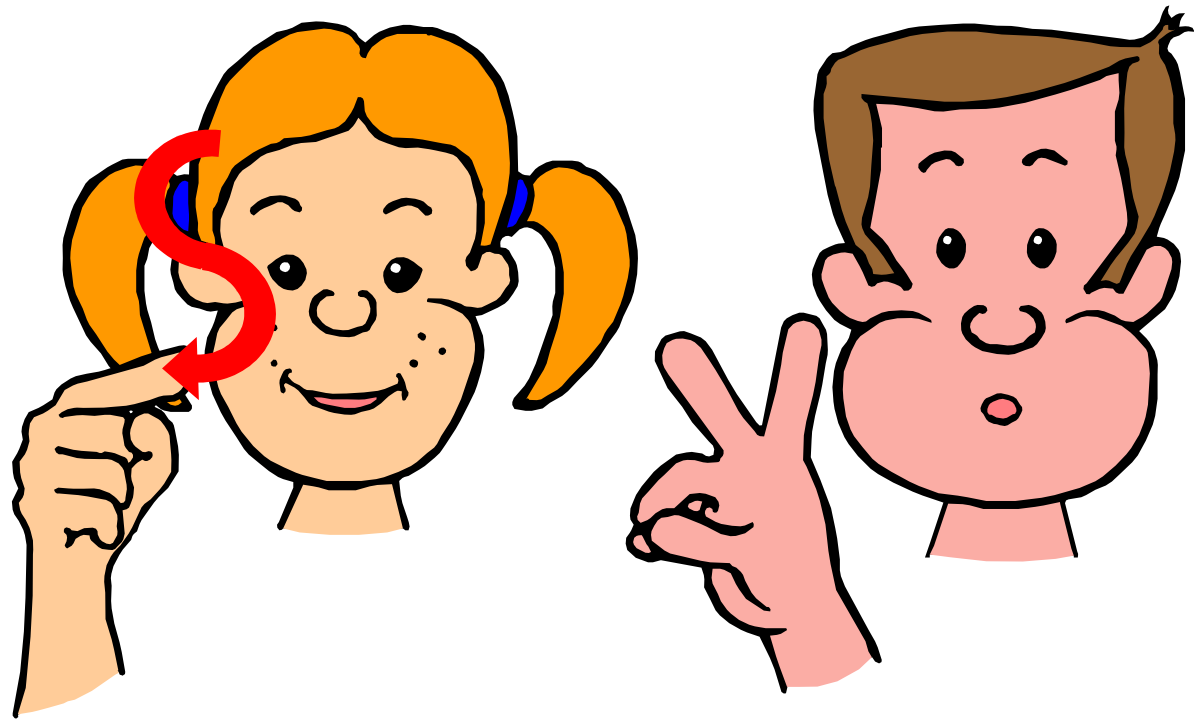

Monsieur O et mademoiselle U sont dans une grande roue.
Ils font les fous. Ils jouent à imiter le méchant loup et crient: « Ou ! Ou ! »
Quand ils se tiennent par la main les autres alphas aiment bien les taquiner et crient : « Ouhhh ! Les amoureux ! »

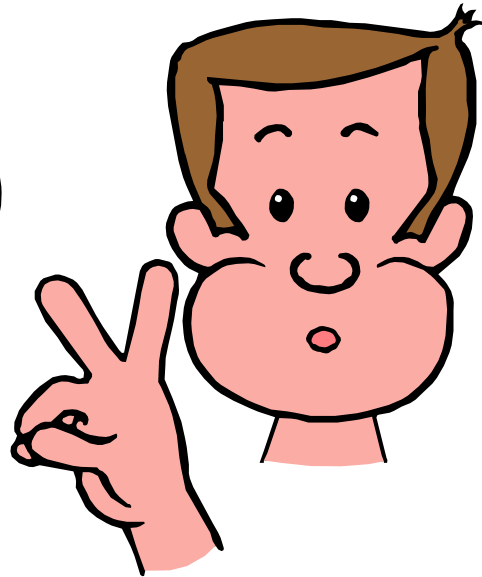

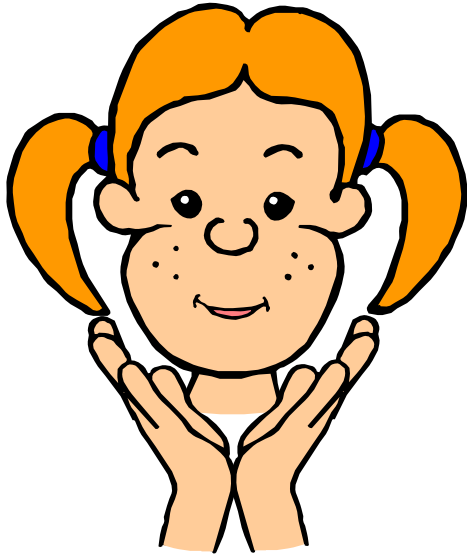

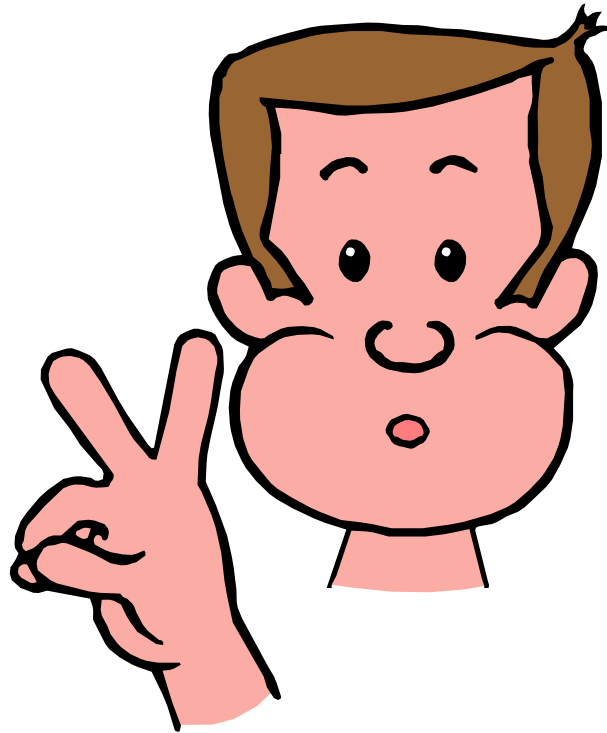

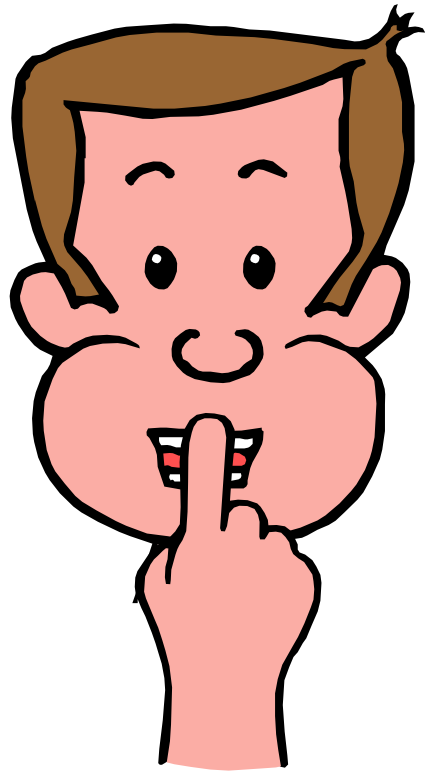

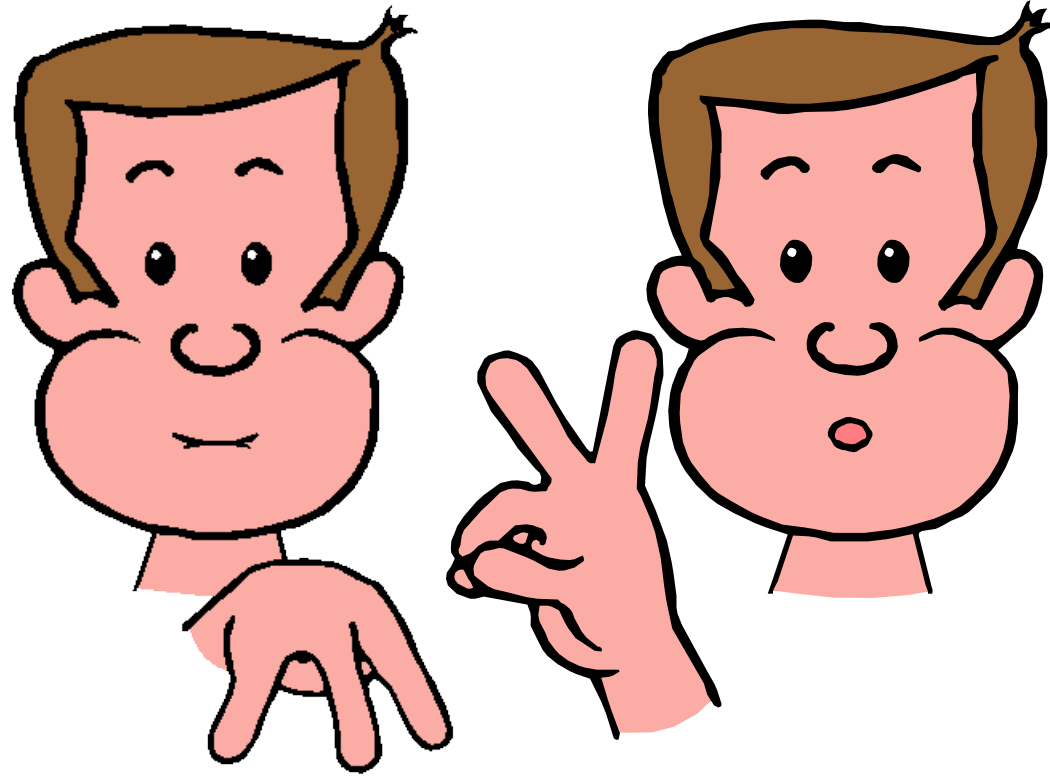

Trois doigts font le « o » ;
deux doigts font le « u » ;
et tu dis « ou » en avançant ton bras.
