La petite musulmane a planté **dix** arbres dans son jardin. D'ailleurs notre prophète s.w.s nous dit à ce sujet :

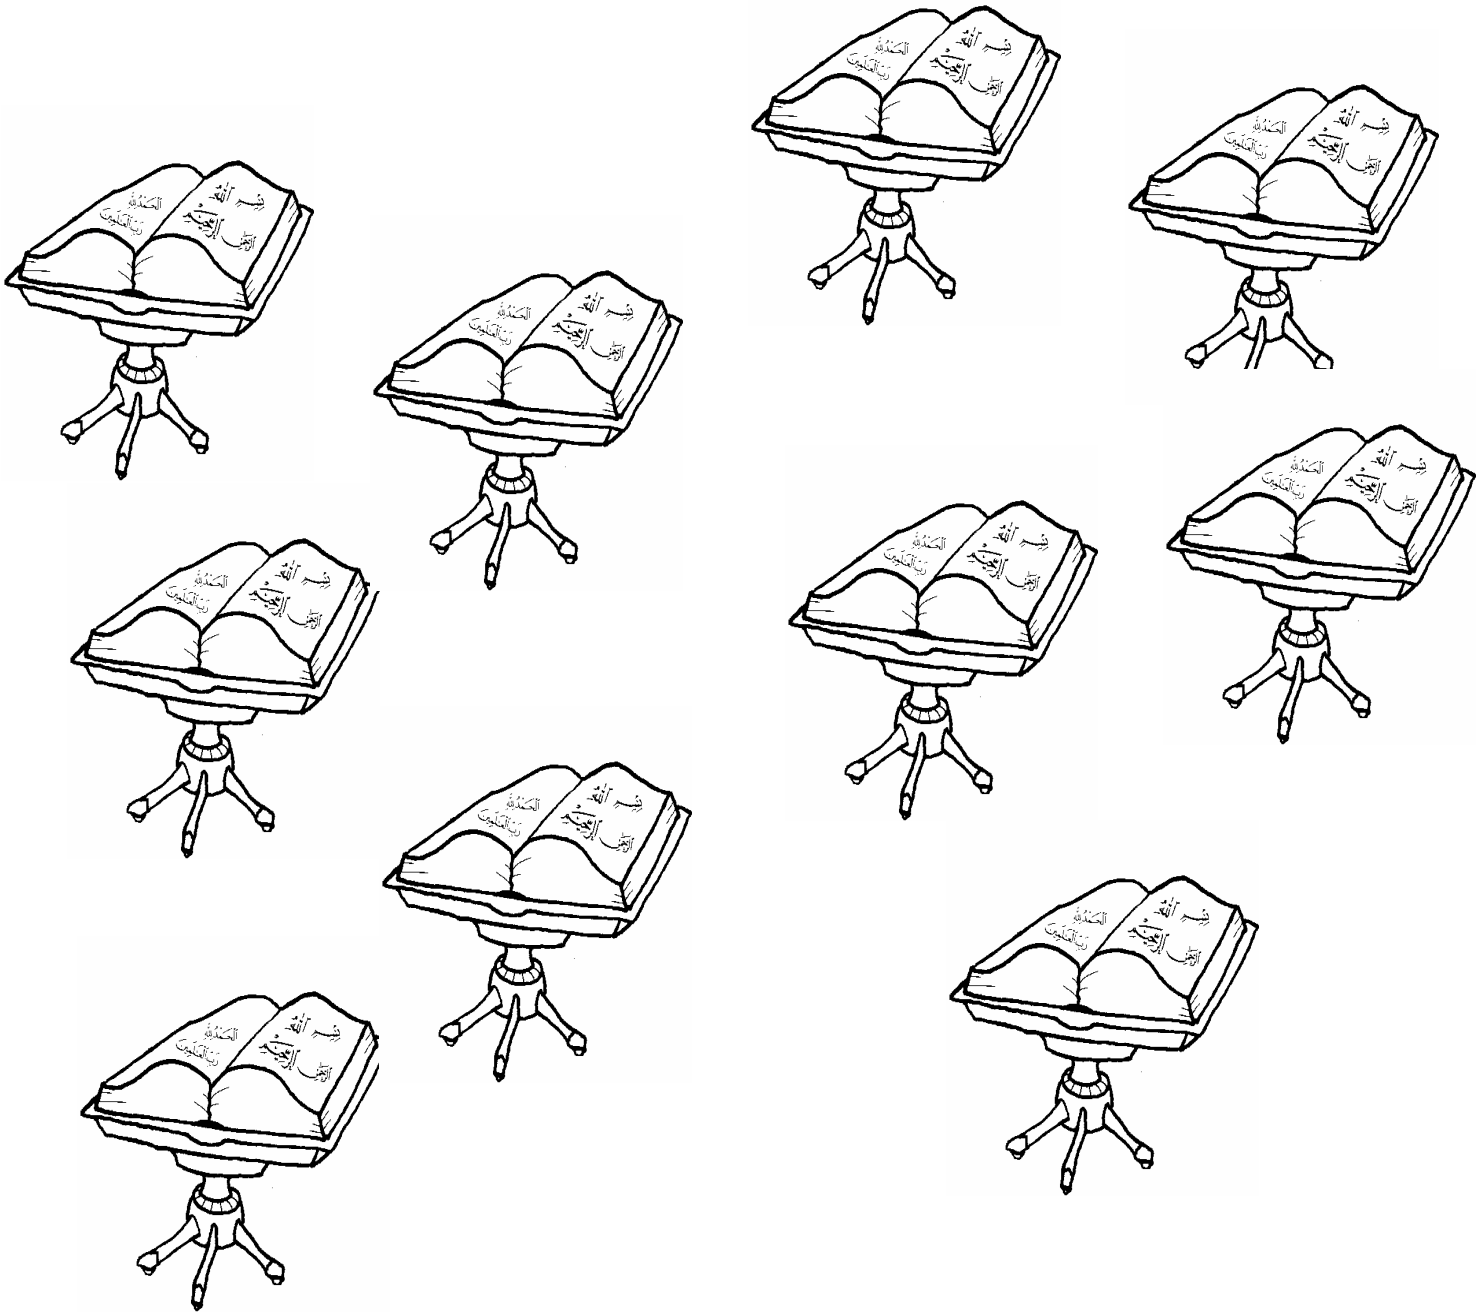

*« Chaque fois qu'un musulman plante un arbre ou sème une graine, il aura à son actif comme aumône tout ce qui aura été mangé du produit de cette plante par un oiseau, un homme ou un quadrupède. »* Al-Bukhârî (2/817), hadith n°2195.
