

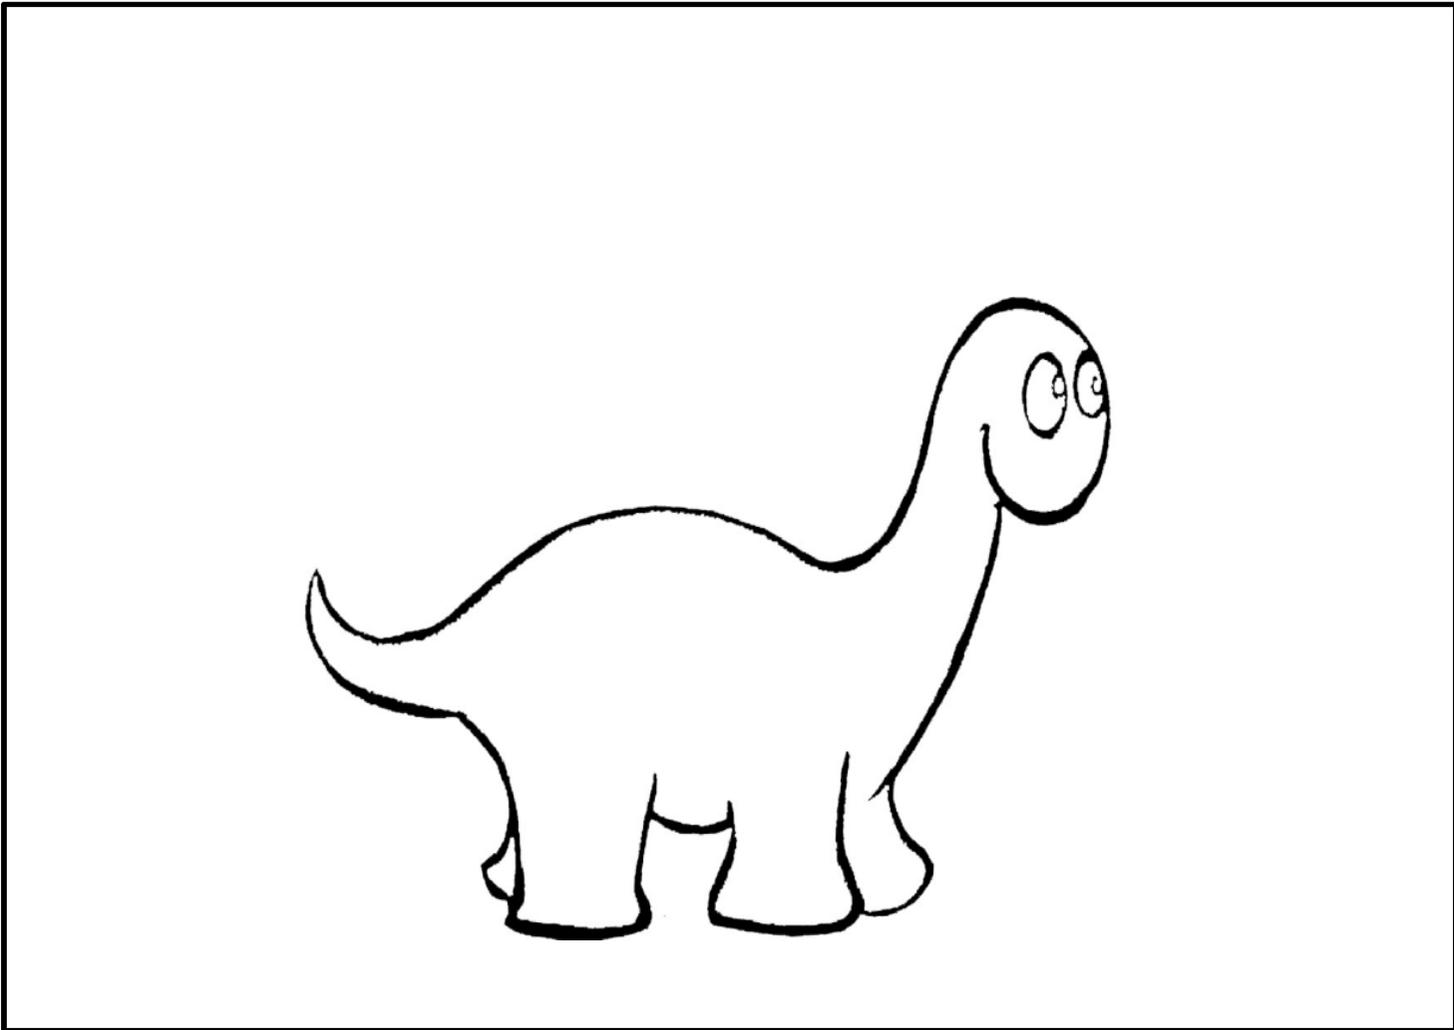

Graphisme : les lignes horizontales et verticales

Consigne: Trace les barreaux de la prison de POP.

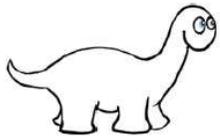

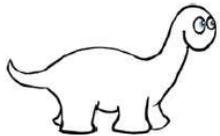

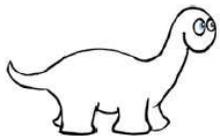

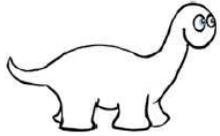

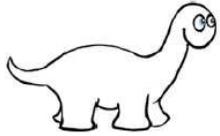

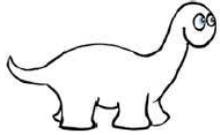

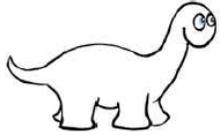

Graphisme : les lignes horizontales

Consigne: Aide POP à aller goûter les fruits d'automne.

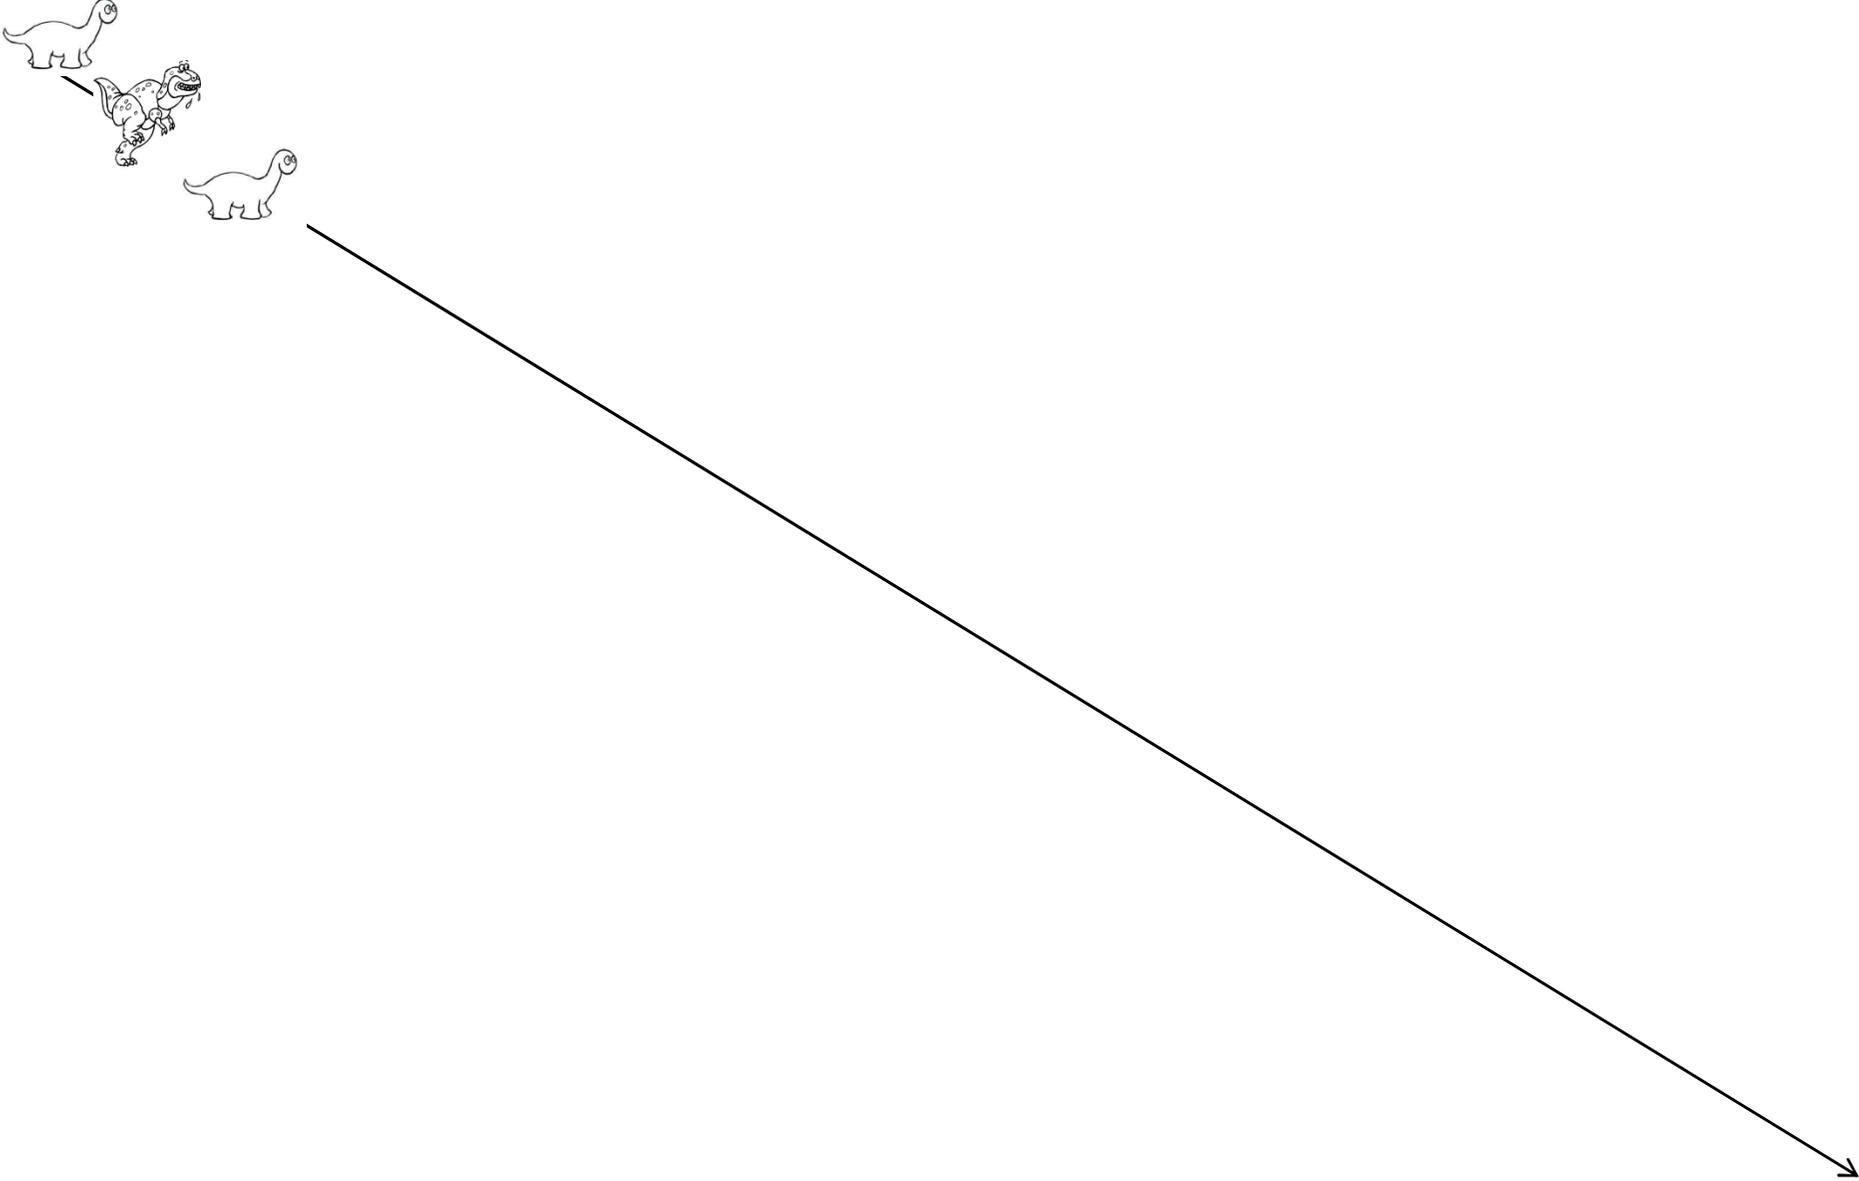

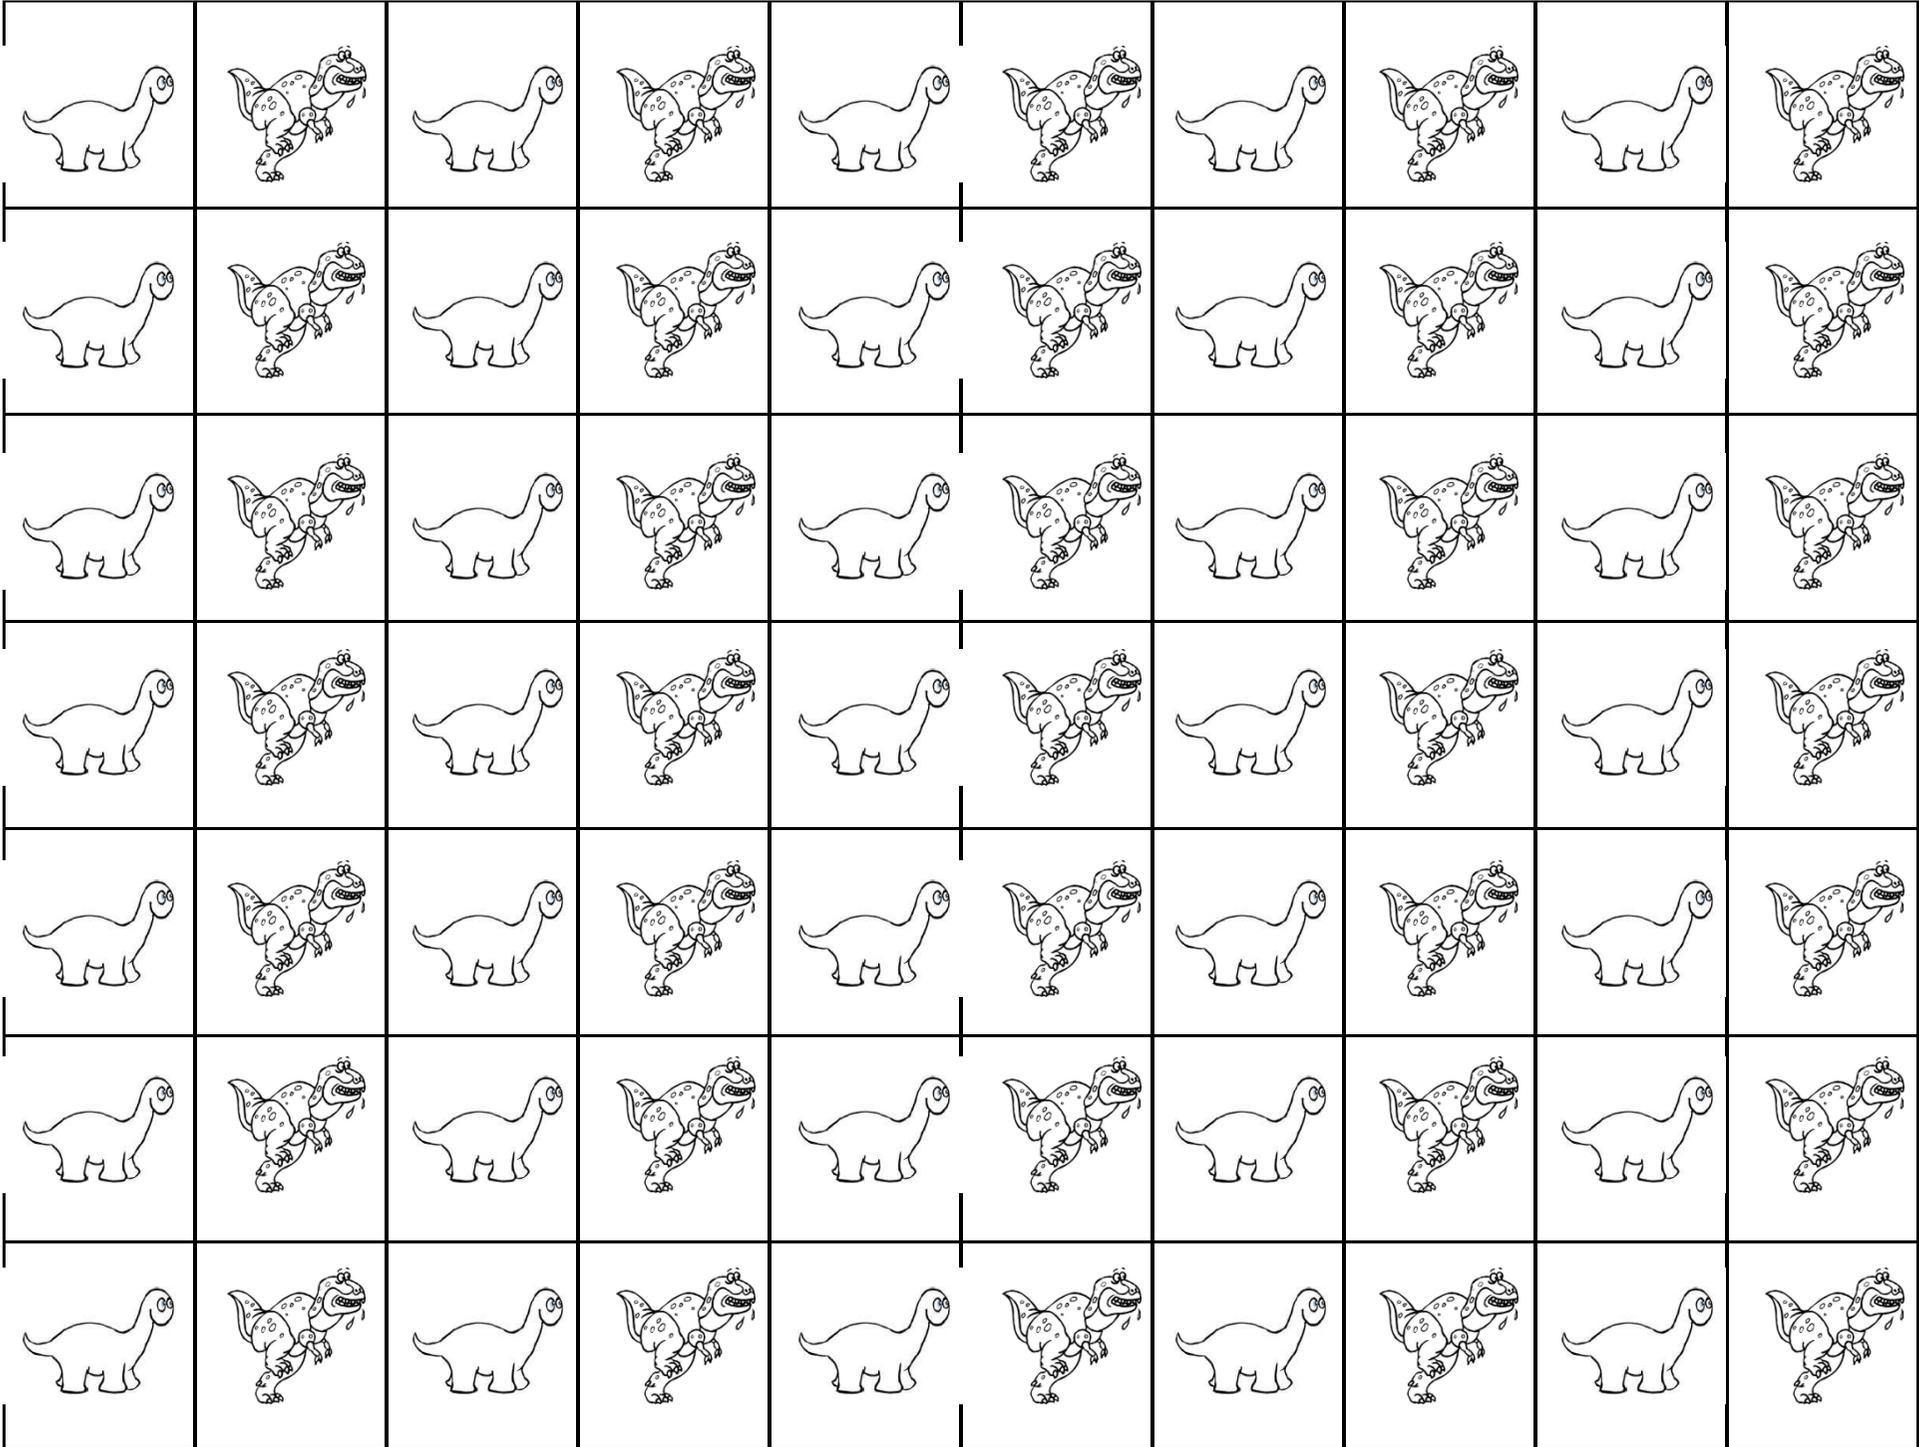

Logique : poursuivre une suite logique

Consigne: Continue l'algorithme des dinosaures.

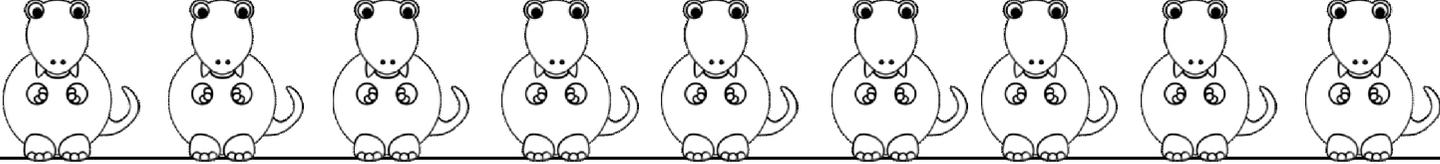

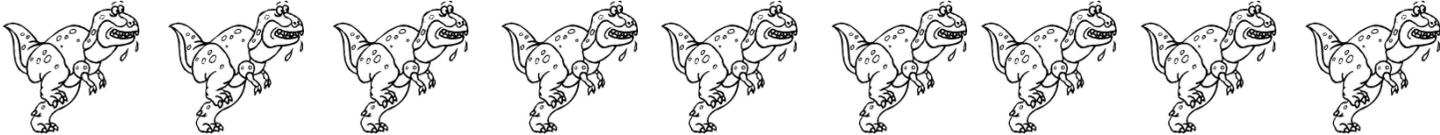

Numération : créer une quantité

Consigne: Colorie le nombre de dinosaure demandé.

	
	
	
	
	
	
	

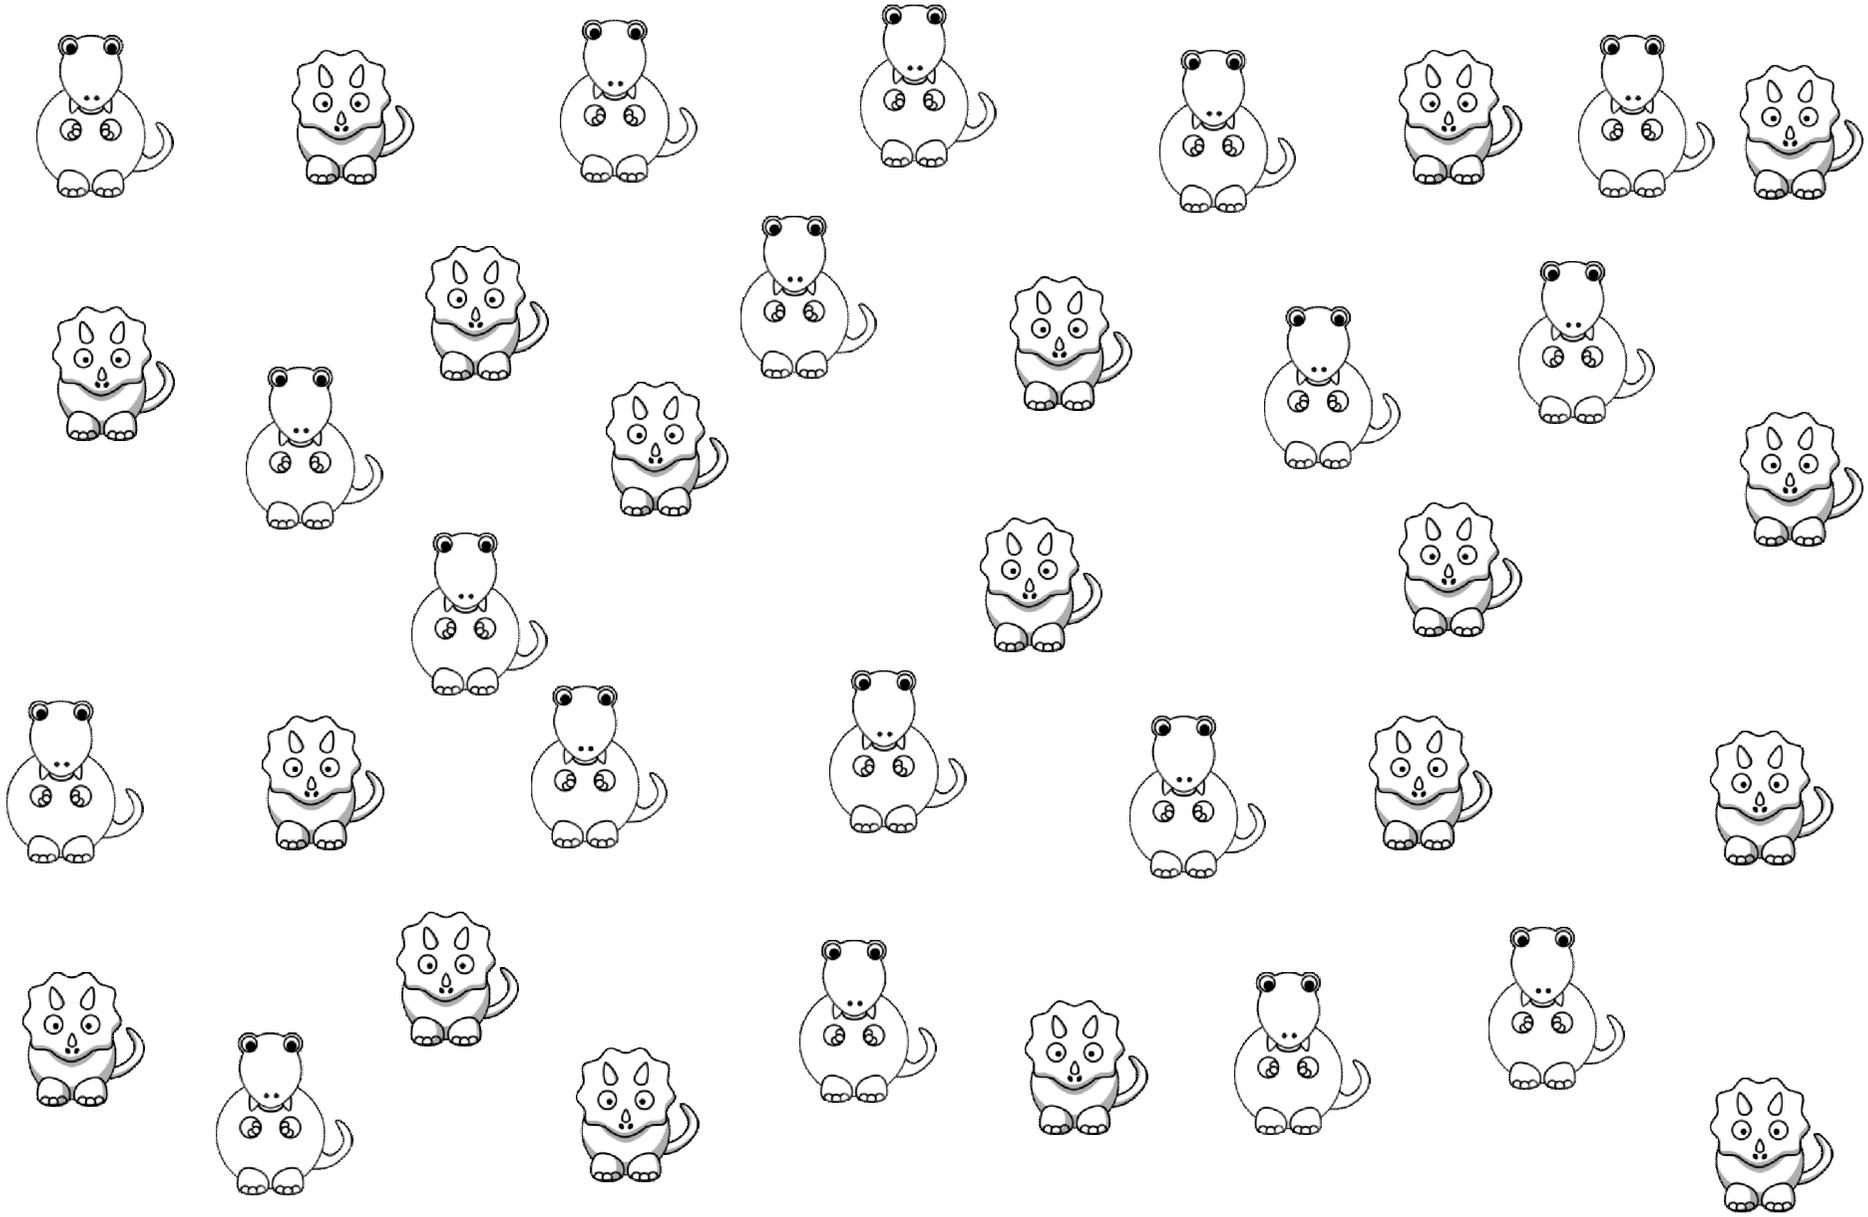

Numération : créer une quantité

Consigne: Fais des groupes de dinosaures.

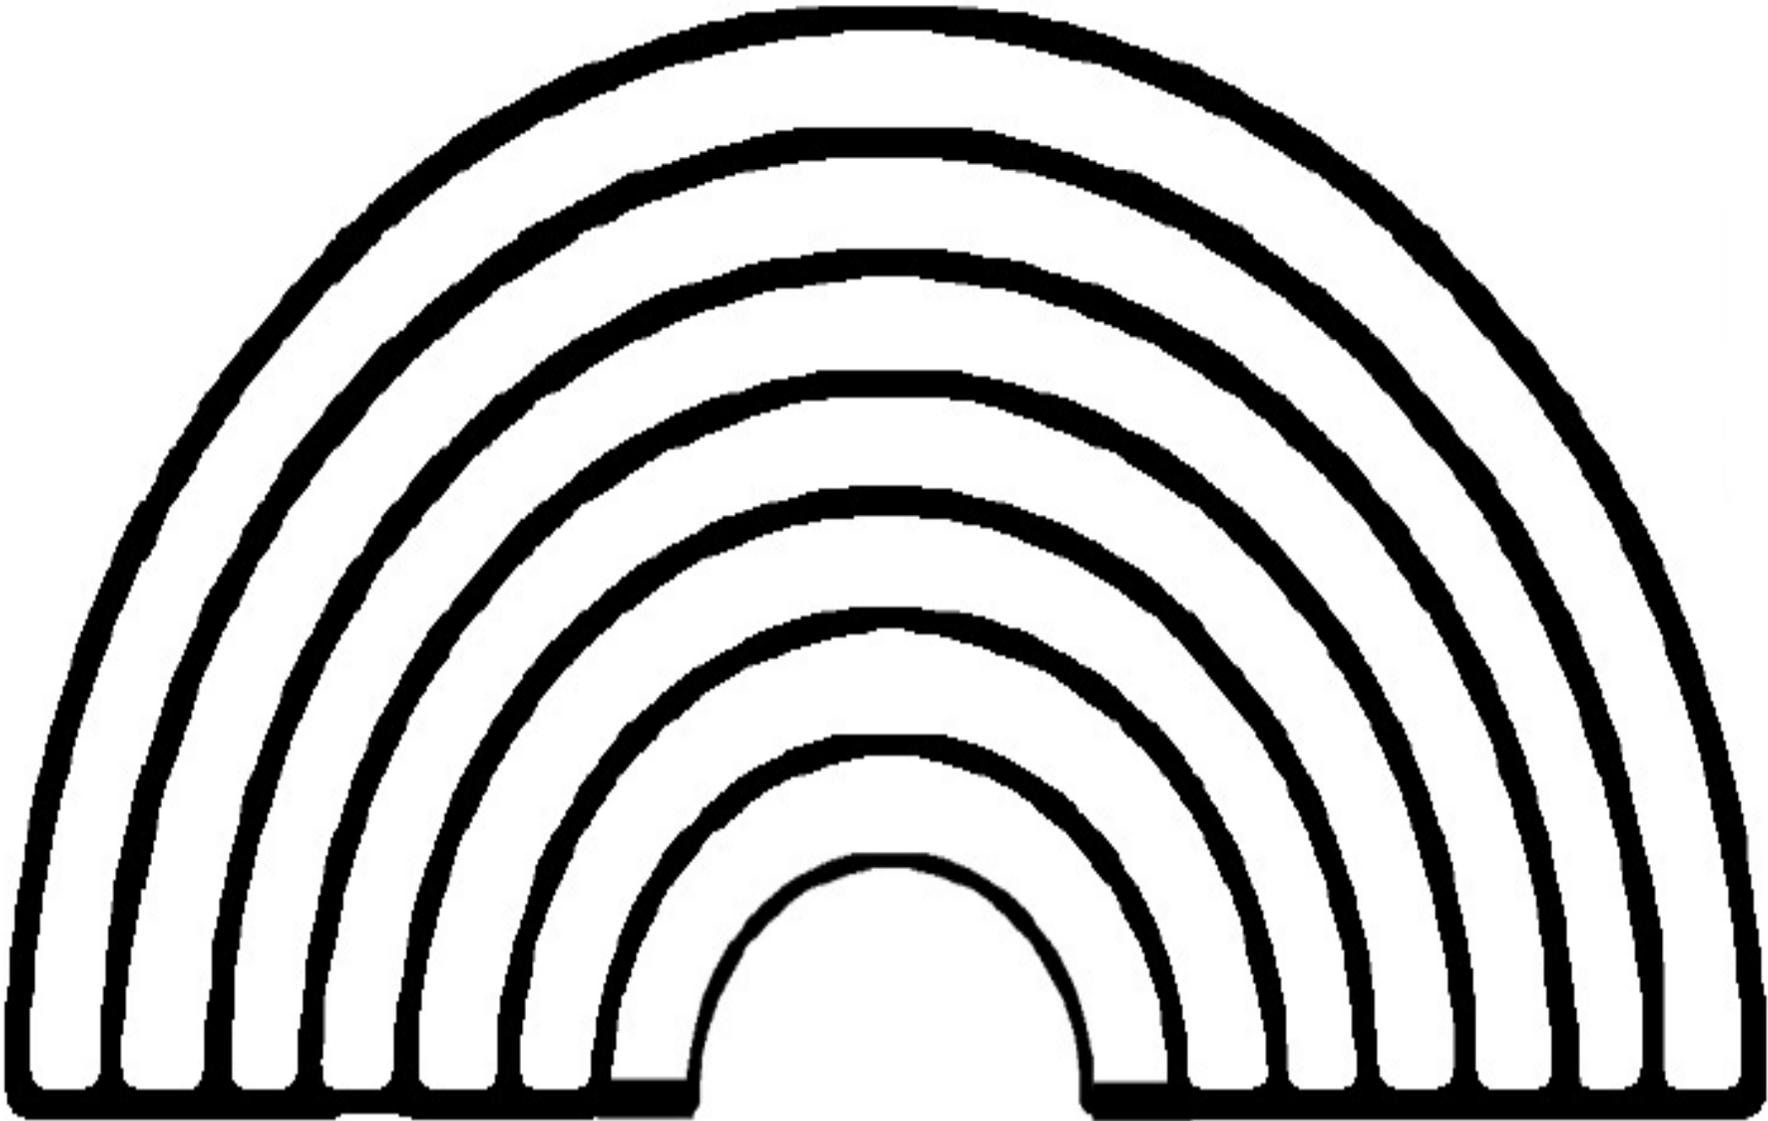

Graphisme : ces ponts

Consigne: trace les lignes de l'arc en ciel.

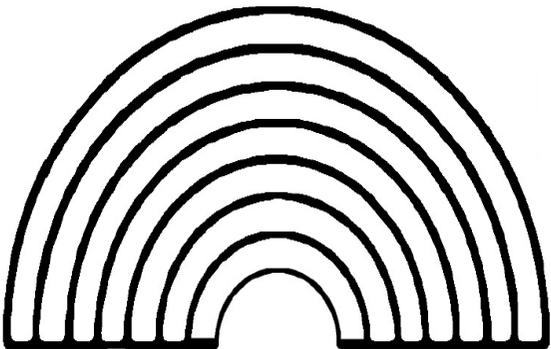

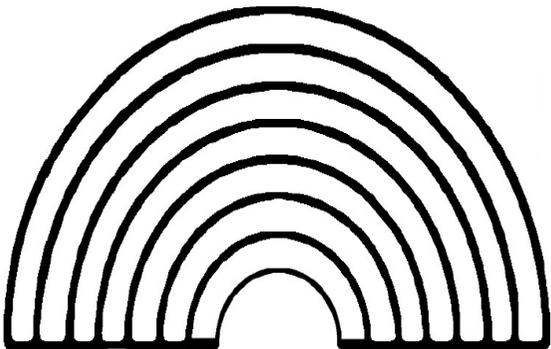

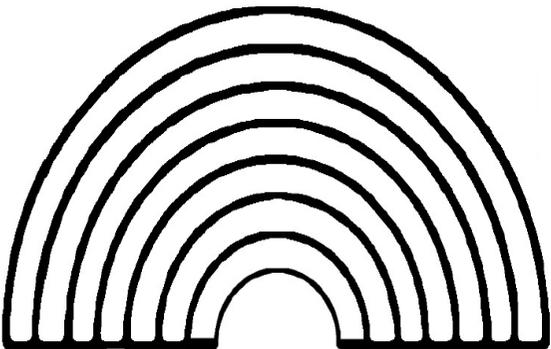

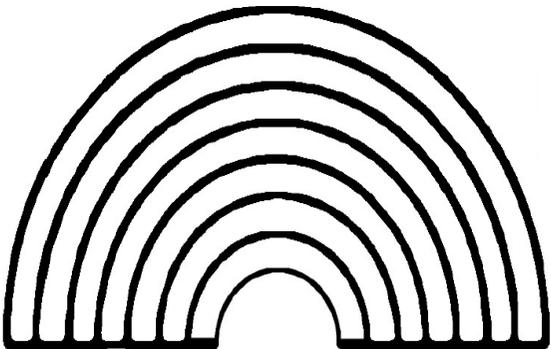

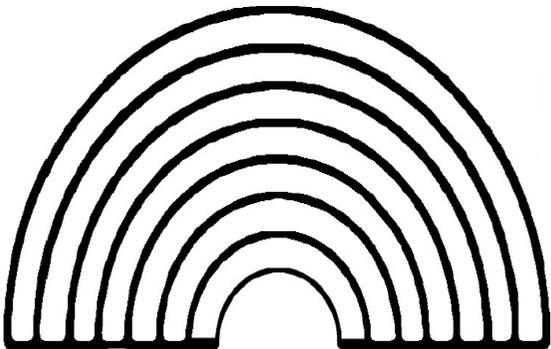

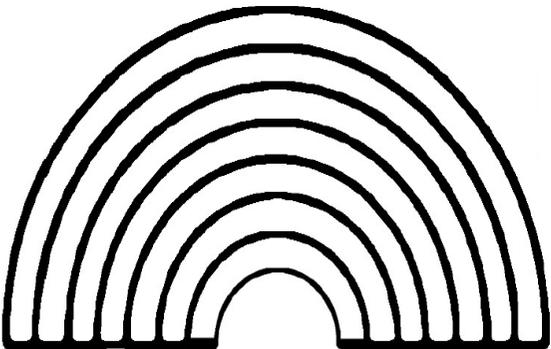

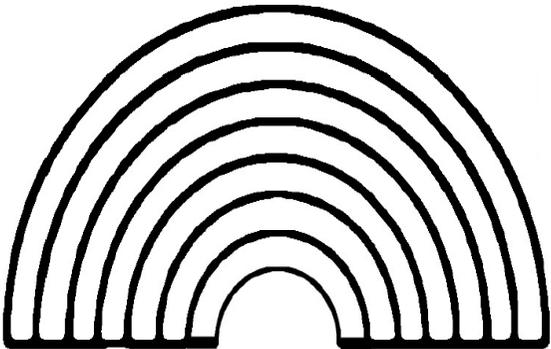

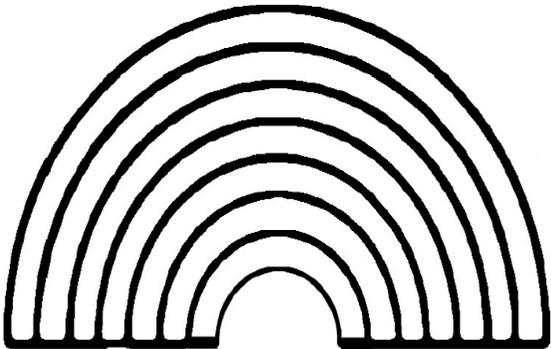

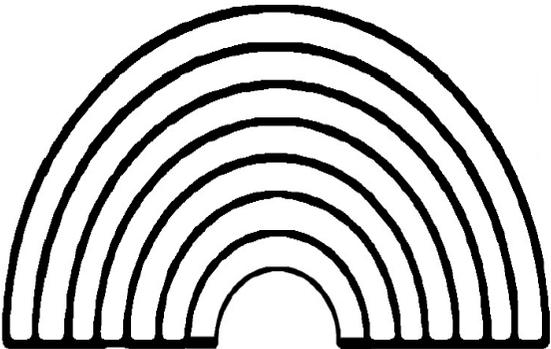

Graphisme : ces ponts

Consigne: trace les lignes de l'arc en ciel.

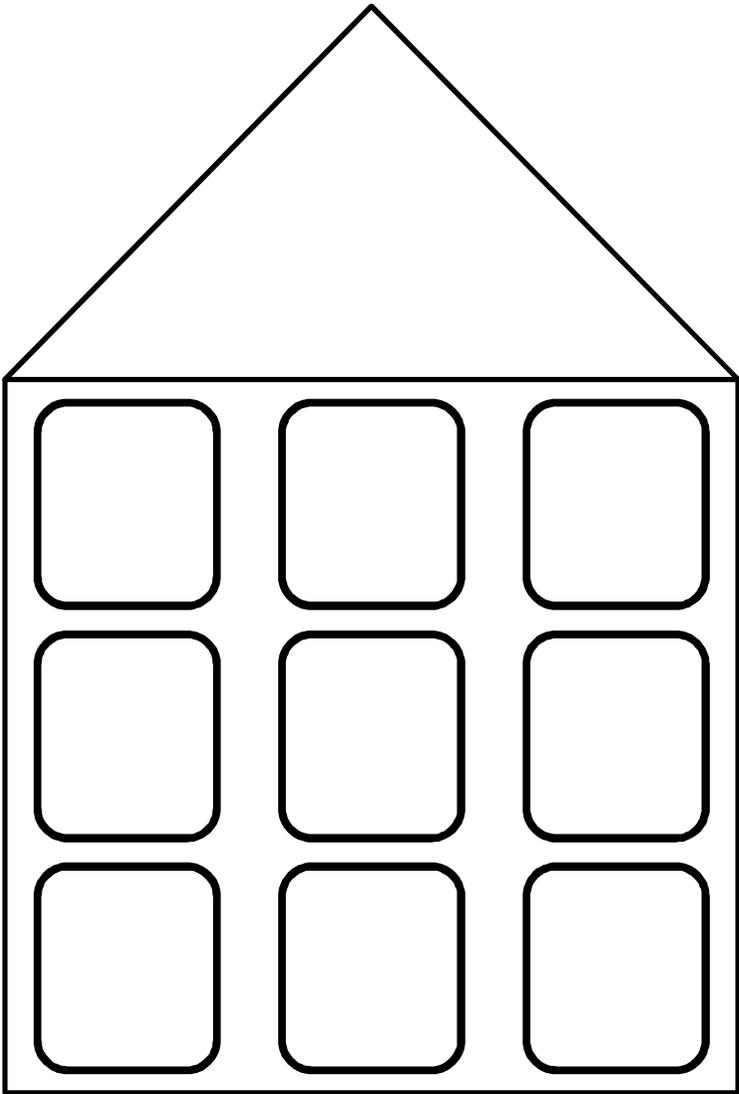

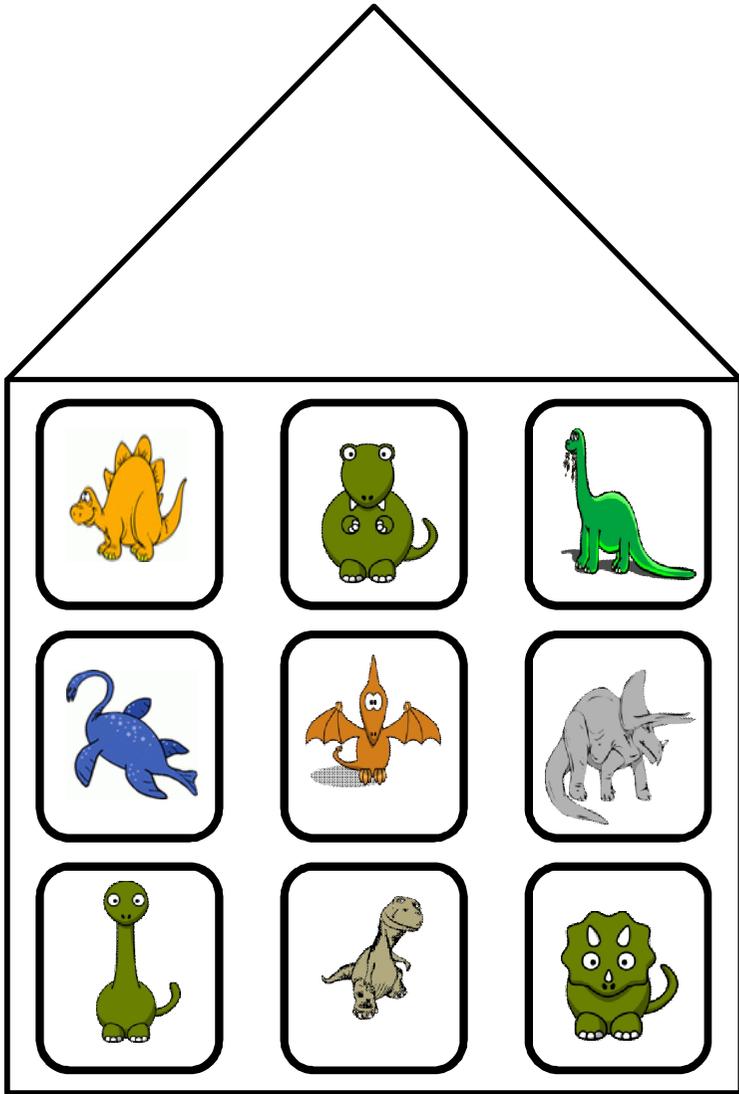

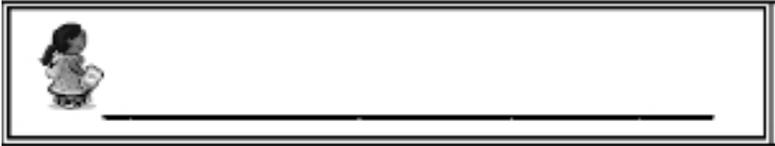

Espace: situer les objets les uns par rapport aux autres

Consigne: Colle les dinosaures dans les bonnes chambres de la maison.

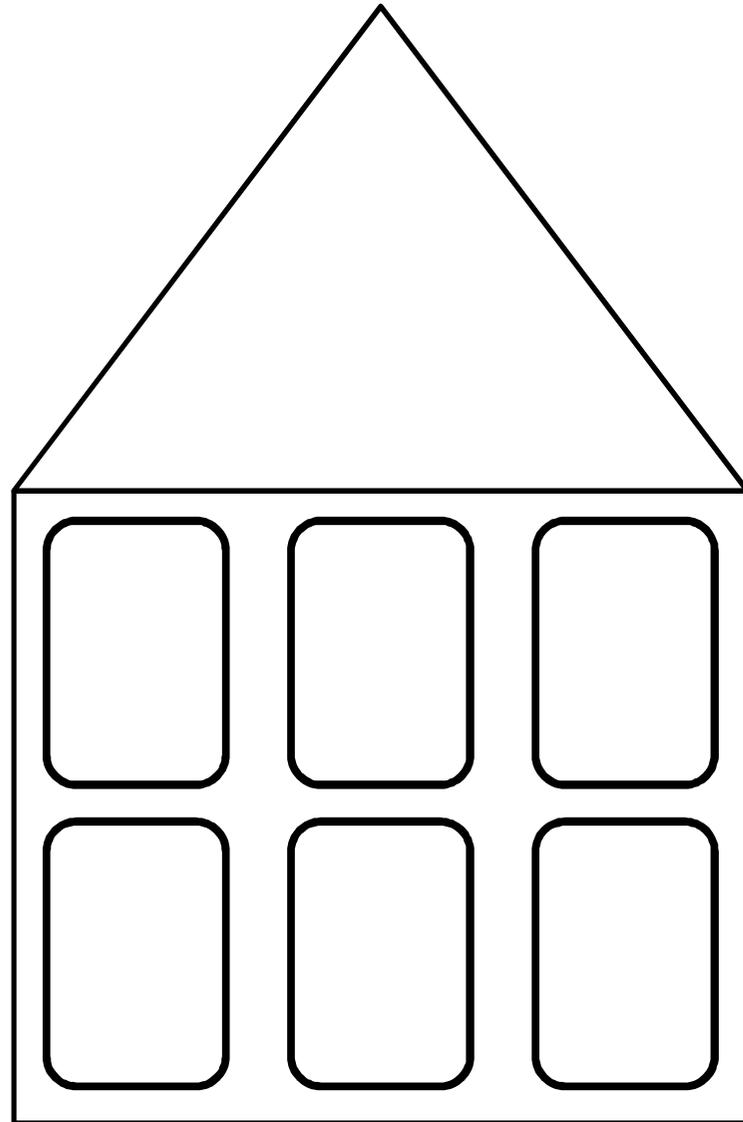

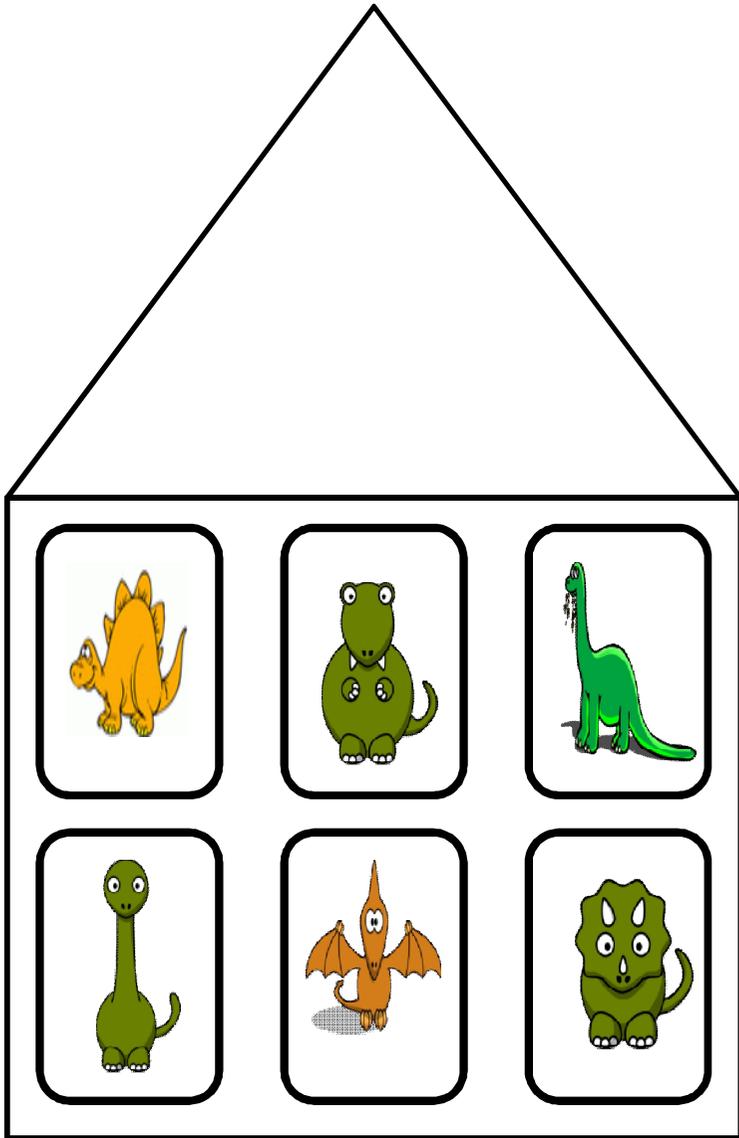

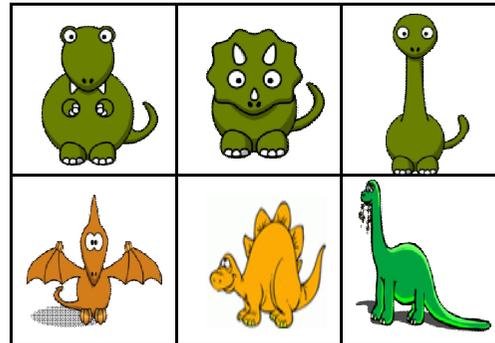

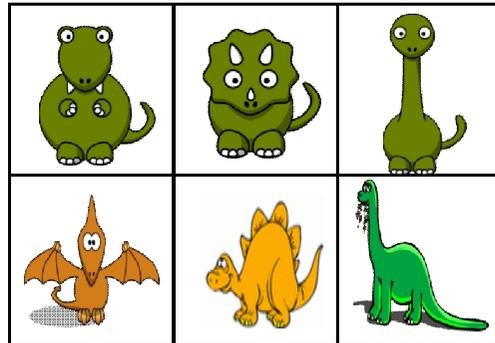

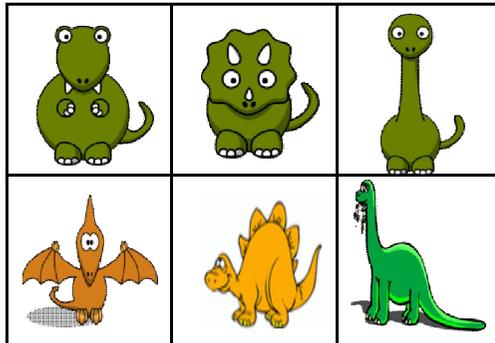

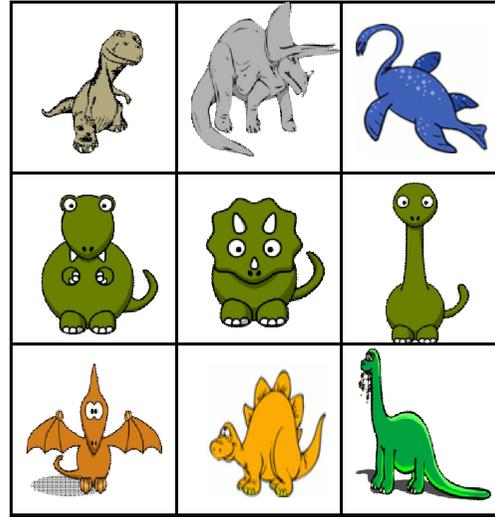

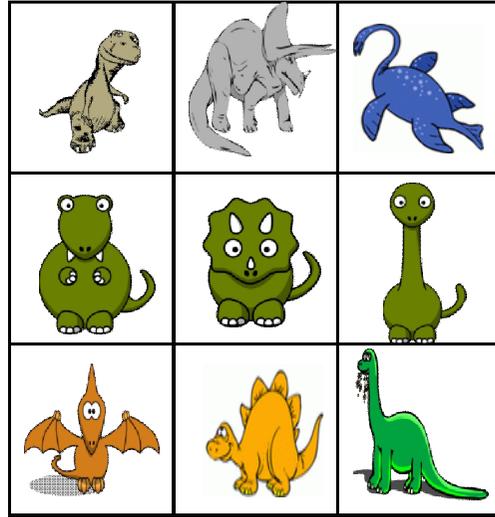

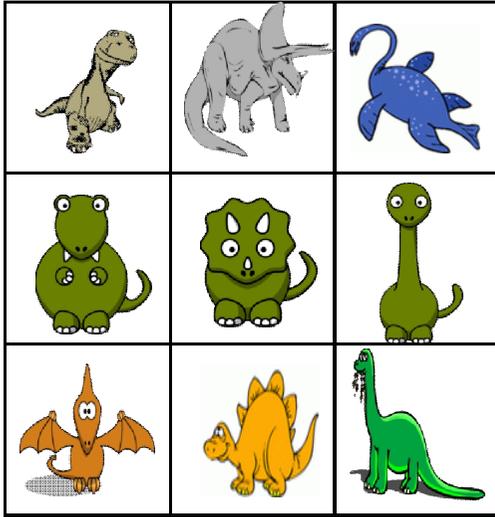

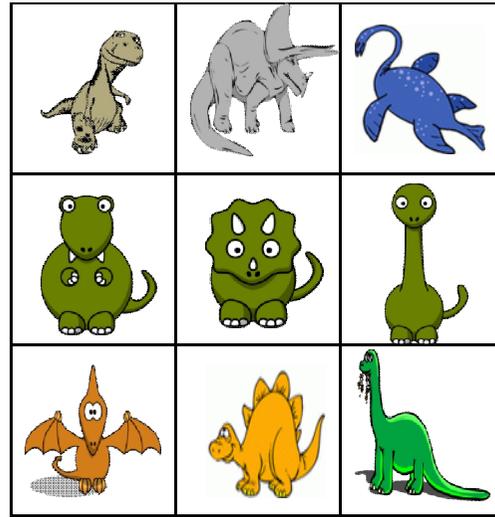

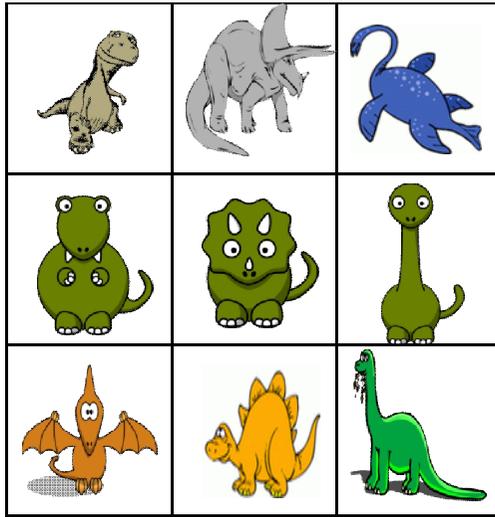

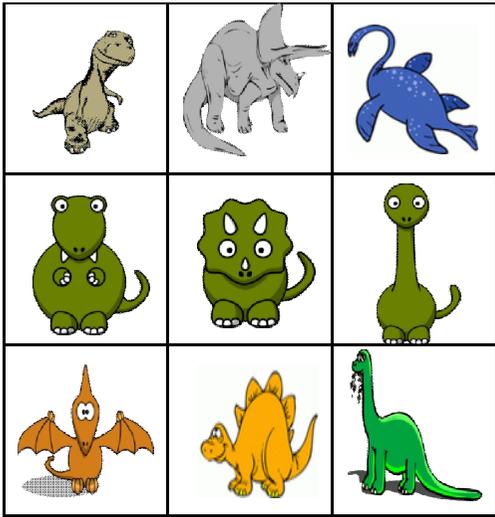

Espace: situer les objets les uns par rapport aux autres

Consigne: Colle les dinosaures dans les bonnes chambres de la maison.

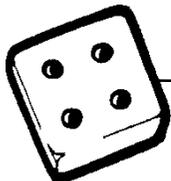

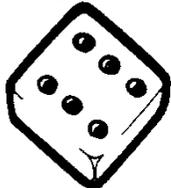

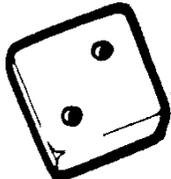

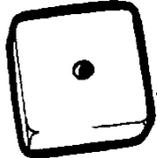

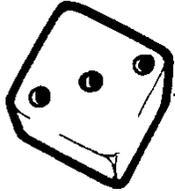

**Numération: créer une collection
d'une quantité donnée**

Consigne: Colle le nombre de dinosaures demandé.

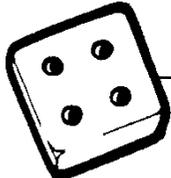

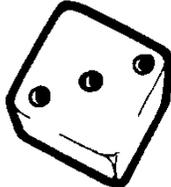

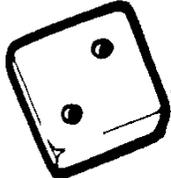

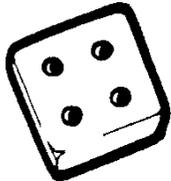

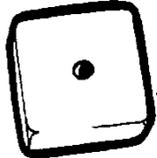

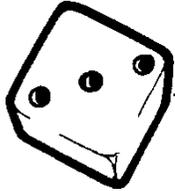

**Numération: créer une collection
d'une quantité donnée**

Consigne: Colle le nombre de dinosaures demandé.

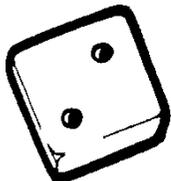

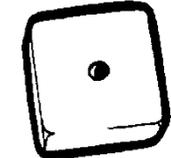

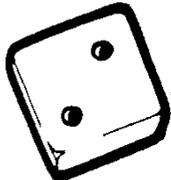

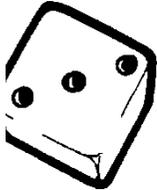

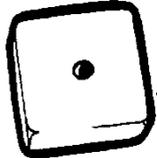

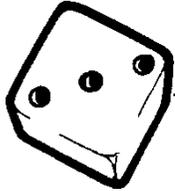

**Numération: créer une collection
d'une quantité donnée**

Consigne: Colle le nombre de dinosaures demandé.

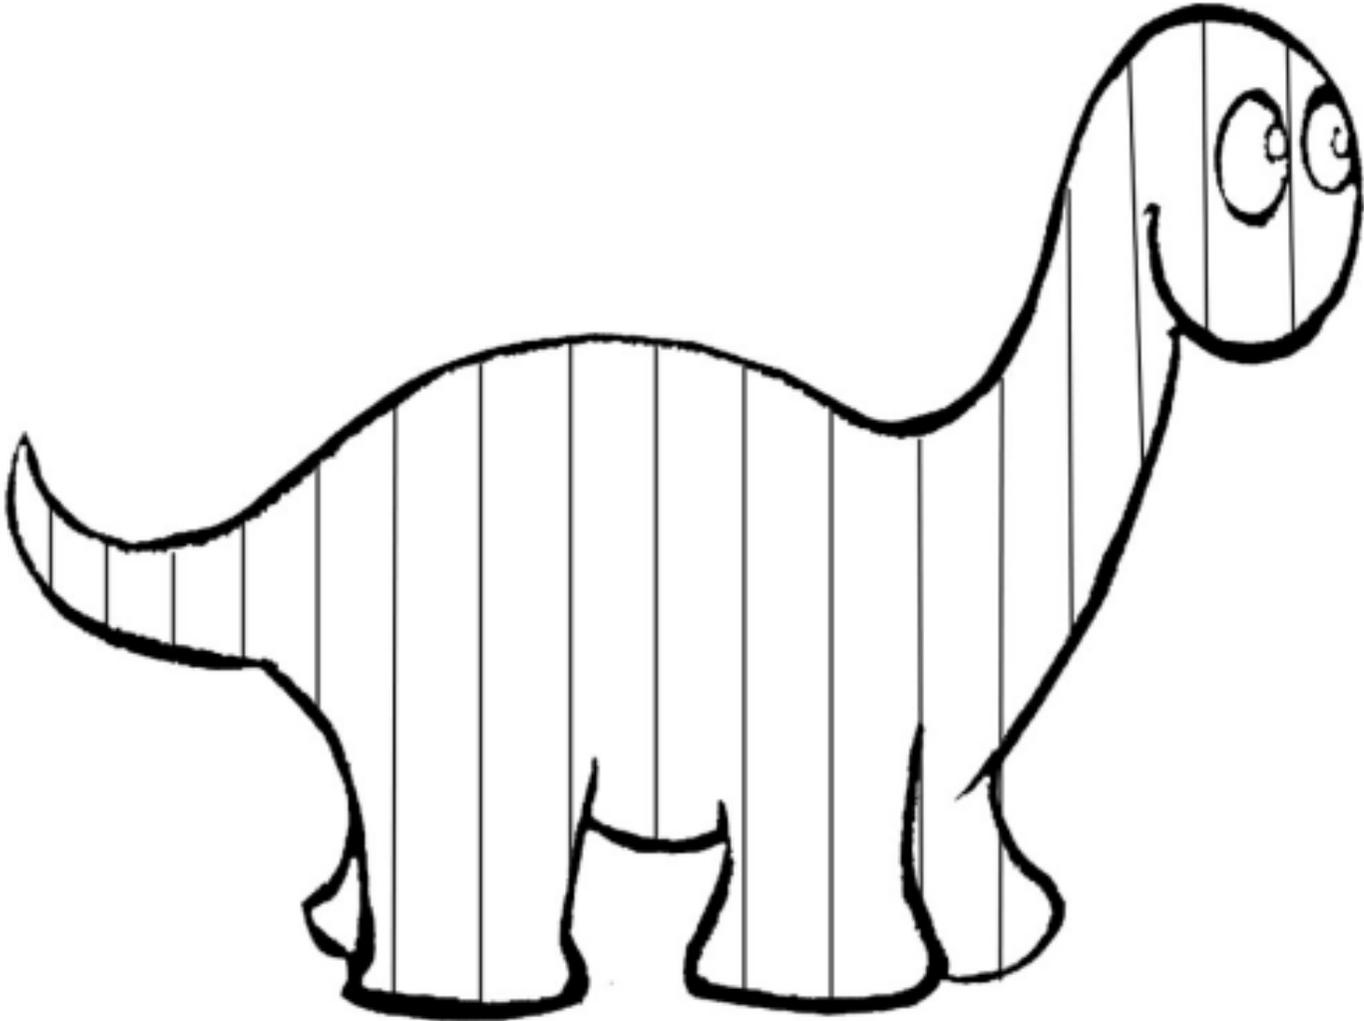

Logique: créer un algorithme

Consigne: Colorie pop en alternant couleurs de ton choix.

Prélecture: discriminer les lettres d'un mot

Consigne: Entoure l'initiale de chaque nom de dinosaure.

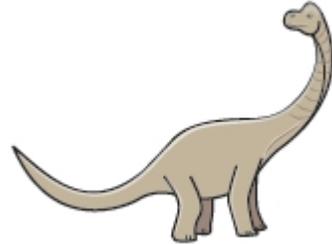

TYRANNOSAURE

VELOCIRAPTOR

STEGOSAURE

BRACHIOSAURE

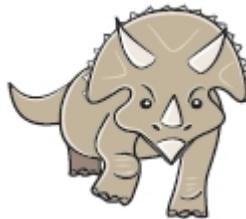

DILOPHOSAURE

PTEROSAURE

VOLCAN
