

Handwriting practice row 1. The left side features a vertical strip with four illustrations: a blue and yellow bird flying in the sky, a giraffe in a green field, a white sheep in a green field, and a red worm in the soil. To the right of this strip, the letter 'o' is written three times in a large, bold, black font. Further right, five small black dots are placed on a horizontal green line, serving as starting points for writing the letter.

Handwriting practice row 2. The left side features a vertical strip with four illustrations: a blue and yellow bird flying in the sky, a giraffe in a green field, a white sheep in a green field, and a red worm in the soil. To the right of this strip, the letter 'o' is written three times in a large, bold, black font. Further right, five small black dots are placed on a horizontal green line, serving as starting points for writing the letter.

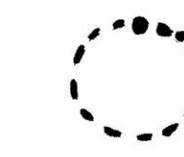

Handwriting practice row 3. The left side features a vertical strip with four illustrations: a blue and yellow bird flying in the sky, a giraffe in a green field, a white sheep in a green field, and a red worm in the soil. To the right of this strip, the letter 'o' is written three times in a large, bold, black font. Further right, five small black dots are placed on a horizontal green line, serving as starting points for writing the letter.

Handwriting practice row 4.
