

Un personnage

Propose des caractéristiques pour chacun des personnages ainsi que leurs caractéristiques communes

A large Venn diagram consisting of two overlapping circles, each outlined with a dotted purple line. The interior of the circles is divided into three sections by a horizontal line and a vertical line that intersect in the center. The top section of each circle is empty, while the bottom and side sections contain horizontal lines for writing.

Un personnage

Propose des caractéristiques pour chacun des personnages ainsi que leurs caractéristiques communes

A large graphic consisting of two overlapping circles, each outlined with a dotted purple line. Inside each circle, there are several horizontal grey lines for writing, providing a structured space for describing the characters and their common traits.

Un personnage

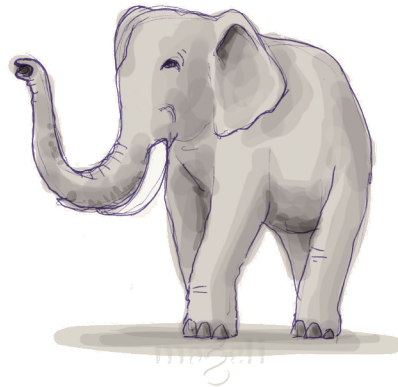

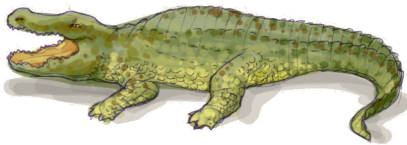

Propose des caractéristiques pour chacun des personnages ainsi que leurs caractéristiques communes

A large Venn diagram consisting of two overlapping circles, each outlined with a dotted purple border. The interior of the circles is divided into horizontal lines for writing. The left circle has 10 lines, the right circle has 10 lines, and the overlapping area in the center has 10 lines.

Un personnage

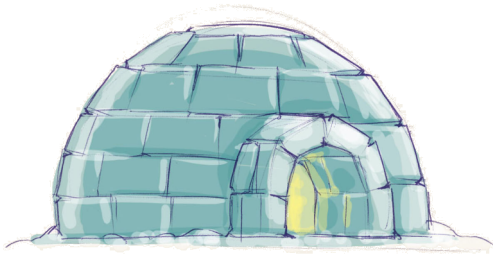

Propose des caractéristiques pour chacun des personnages ainsi que leurs caractéristiques communes

A large circular area containing horizontal lines for writing, designed for students to list characteristics for the crocodile and elephant, as well as their common traits.

Un lieu

Propose des caractéristiques pour chacun des lieux ainsi que leurs caractéristiques communes

Two large overlapping circles, each containing horizontal lines for writing, intended for listing characteristics of the igloo and the tent.

Un lieu

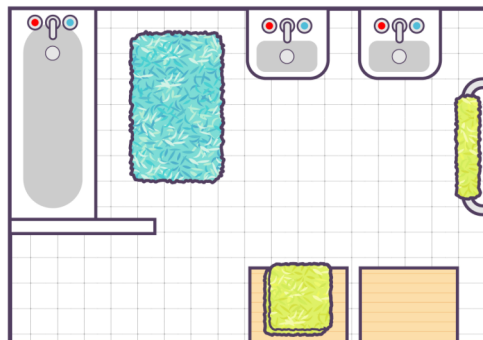

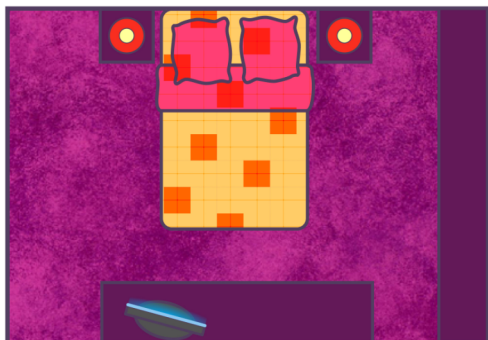

Propose des caractéristiques pour chacun des lieux ainsi que leurs caractéristiques communes

Two large overlapping circles, each containing horizontal lines for writing, intended for listing characteristics of the two locations and their common features.

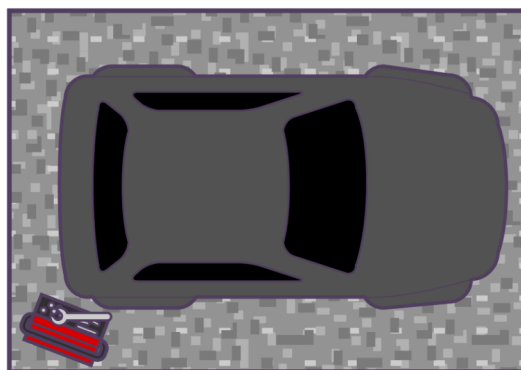

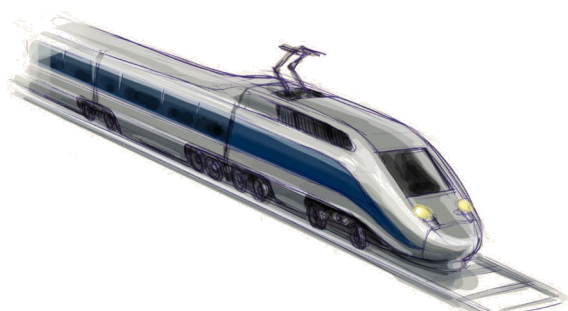

Un lieu

Propose des caractéristiques pour chacun des lieux ainsi que leurs caractéristiques communes

Two large, overlapping circles with dotted purple outlines. Each circle contains five horizontal grey lines for writing, intended for listing characteristics of the two locations shown in the illustrations above.

Un lieu

Propose des caractéristiques pour chacun des lieux ainsi que leurs caractéristiques communes

A large area for writing, consisting of two overlapping circles defined by dotted lines. Each circle contains several horizontal lines for text.

Un objet

Propose des caractéristiques pour chacun des objets ainsi que leurs caractéristiques communes

A large area for writing, consisting of a large circle with a dotted purple border. Inside the circle, there are horizontal lines for writing. A smaller circle with a dotted purple border is also present, overlapping the larger one.

Un objet

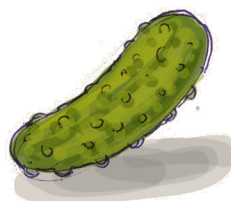

Propose des caractéristiques pour chacun des objets ainsi que leurs caractéristiques communes

A large Venn diagram consisting of two overlapping circles, each with a dotted purple border. The interior of the circles is divided into horizontal lines for writing. The left circle has 8 lines, the right circle has 8 lines, and the overlapping area in the center has 6 lines.

Un objet

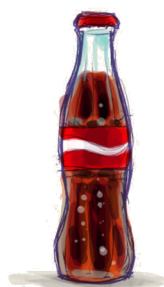

Propose des caractéristiques pour chacun des objets ainsi que leurs caractéristiques communes

A large Venn diagram consisting of two overlapping circles, each outlined with a dotted purple line. The interior of the circles is divided into horizontal lines for writing. The left circle represents the cupcake, the right circle represents the pickle, and the overlapping area represents their common characteristics.

Un objet

Propose des caractéristiques pour chacun des objets ainsi que leurs caractéristiques communes

A Venn diagram consisting of two overlapping circles outlined with a dotted purple line. The interior of the circles is divided into three sections by horizontal grey lines: a left section for the ice cream cone, a right section for the Coca-Cola bottle, and a central intersection section for their common characteristics. There are 10 horizontal lines in total, with 5 in each circle and 5 in the intersection.
