

Sur chaque grille,  
Place 2 pions bleus pour que les bleus aient 4 pions alignés.

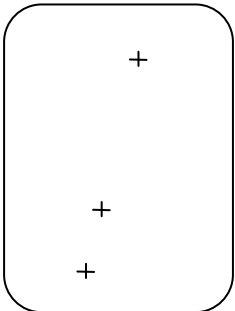

Dessine un point aligné avec les deux autres pour avoir trois points alignés.

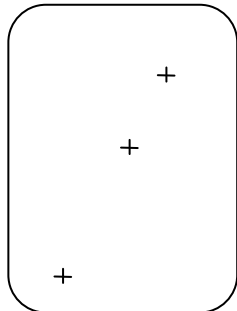

Les trois points sont-ils alignés ? Oui ou non .

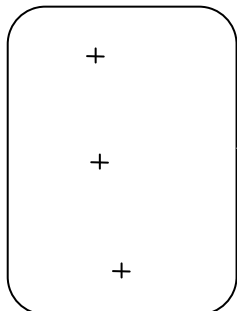

oui - non

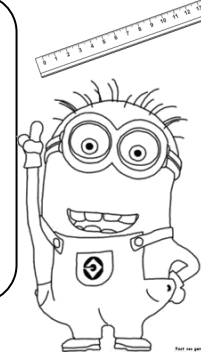

oui - non

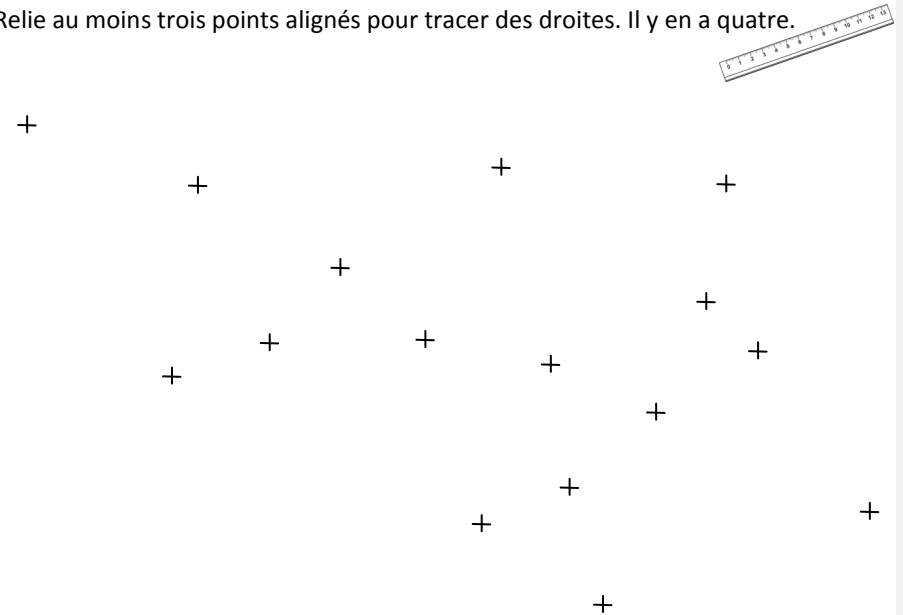

oui - non

oui - non

Relie au moins trois points alignés pour tracer des droites. Il y en a quatre.

Dans chaque cadre, entoure le point qui n'est pas aligné avec les autres.
