Dossier 2

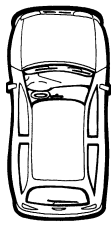

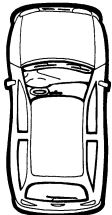

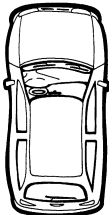

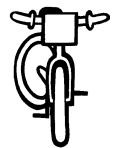

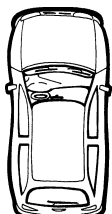

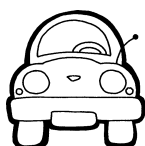

Dans chaque rangée, les places de parc portent des numéros qui se suivent.

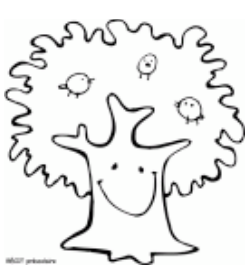

Mais certains numéros se sont effacés!
Aide le peintre à les reconstituer, en écrivant sur les places libres les numéros qui conviennent!

A large illustration of a rabbit wearing a plaid shirt and pants, holding a magnifying glass and a bucket, standing on a path made of numbered blocks. The path is divided into four sections, each with a different number of blocks. The numbers on the blocks are: 55, 26, 61, 49, and 84. There are also several empty blocks with a dot in the center, indicating where to place numbers to complete the series.
