

O Christmas tree

O Christmas tree, O Christmas tree,
You're always green and lovely.
O Christmas tree, O Christmas tree,
You're always green and lovely.

So faithful green throughout the year,
in summer and when winter's here.
O Christmas tree, O Christmas tree,
You're always green and lovely.

O Christmas tree, O Christmas tree,
majestic are your branches.
O Christmas tree, O Christmas tree,
majestic are your branches.

Beautiful tree, so tall and strong,
you fill my heart with joy and song.
O Christmas tree, O Christmas tree,
majestic are your branches.

O Christmas tree, O Christmas tree,
your lights, they shine so brightly.
O Christmas tree, O Christmas tree,
your lights, they shine so brightly.

You glow and twinkle like a star,
a wonderful sight from near or far.
O Christmas tree, O Christmas tree,
your lights, they shine so brightly.
