Music for Discovering God's Plan!

All the kids at your VBS will be excited to sing and move to the fun and energetic songs they learn at SonSpark Labs. Kids will be delighted to show their love for Jesus through music and movement! The songs were written specifically to reinforce the Bible truths kids are learning at SonSpark Labs VBS. The songs help children see how God's Word can make a difference in their everyday lives. Kids will love the lively movements and want to participate enthusiastically!

- Set the mood for this course and catch the interest of both kids and adults by playing the theme song, "God's Plan 4 U is Jesus!"
- Song Motions for the six SonSpark Labs songs are here in Folder B **B** of the CD-ROM and also on the Practice Videos on the *ShowTime Assemblies DVD* and Assemblies Resources in the Reproducible Power Pack.
