Elementary French Dual Immersion Teacher - 5th Grade

Position Purpose: Under the direction of the school principal, the French Dual Immersion Teacher is responsible for the education of assigned students and will create a flexible program and class environment favorable for learning and personal growth. The teacher will teach French literacy skills and identified content subjects to students through the exclusive use of the French language and using the Utah Foreign Language Dual Immersion Model. The teacher will team with an English-speaking teacher to provide instruction to students. Professional relations will be developed and maintained with other staff and parents.

Essential Functions: Regular attendance and timeliness is an essential job function to perform the essential duties and responsibilities of the position.

- Provides learning experiences and teaches lessons to meet objectives by following the approved curriculum map provided by the District and the Utah Dual Language Immersion consortium, which follows the Utah State Core Curriculum.
- Teaches assigned elementary subjects exclusively using the French language for the purpose of creating fluency in foreign language while teaching basic elementary subjects in a dual immersion setting.
- Promotes a classroom environment that is safe and conducive to individualized and small group instruction, and student learning.
- Facilitates active learning experiences fluently in French for the purpose of engaging learners at the optimum level. Immerses students in the French language, literature, and culture while teaching assigned core subjects for the purpose of maximizing the language learning experience.
- Conducts ongoing assessment of student learning, and modifies instructional methods to fit individual student's needs, including students with special needs; conducts individual and small group instruction as needed including response to interventions.
- Instructs students in the principles of responsible citizenship and other subject matters specified in applicable laws, as well as administrative regulations and procedures of the school system.
- Continues to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops or professional meetings, or by conducting research.
- Organizes and maintains a system for accurate and complete record-keeping, grading, and reporting for all student activities, achievement and attendance as required by district procedures and applicable laws.
- Encourages parental involvement in students' education and ensures effective communication with students and parents.

- Ensures that student conduct conforms with the school's standards and school district policies, and establishes and maintains standards of pupil behavior needed to achieve a functional learning atmosphere in the classroom.
- Coordinates with other elementary professional staff members, especially within grade level, to evaluate and assess curriculum, and participates in faculty meetings and committees. Participates in the PLC, Professional Learning Community, program.
- Uses appropriate books, instructional aids and other supplies and equipment and maintains inventory records.
- Supervises students in activities that take place out of the classroom during the school day, including activities involving school transportation.
- Administers standardized tests in accordance with District testing programs.

Additional Duties

Performs other related tasks as assigned by the Principal and other central office administrators as designated by the Superintendent.

Note: The above description is illustrative of tasks and responsibilities. It is not meant to be all inclusive of every task or responsibility.

Equipment

Uses standard and current electronics, technology and equipment such as personal computers, printer, LCD, Smartboard, document camera, voice enhancement equipment, etc.

Work Environment: Works in Classroom and school building environments.

Travel Requirements

Travels to school district buildings and professional meetings as required.

Knowledge, Skills and Abilities

- Knowledge of current teaching methods and educational pedagogy, as well as differentiates instruction based upon student learning styles.
- Knowledge of elementary school curriculum and concepts.
- Knowledge of data information systems, data analysis and the formulation of action plans.
- Knowledge of applicable federal and state laws regarding education and students.
- Ability to use computer network system and software applications as needed.
- Ability to organize and coordinate work.
- Ability to communicate effectively with students and parents.
- Ability to engage in self-evaluation with regard to performance and professional growth.
- Ability to establish and maintain cooperative working relationships with others contacted in the course of work

Qualifications:

Applicants must have an Active Utah teaching license in Early Childhood Education, Elementary Education, or Secondary Education or have the ability to obtain a current Utah teaching license in Early Childhood Education, Elementary Education, or Secondary Education as outlined by the guidelines of the Utah State Board of Education. Also applicants must have or be eligible to obtain a World Language Endorsement for French AND a Dual Immersion Endorsement.

- USBE License Level: Acceptance to ARL, Level 1, Level 2, or Level 3.

Note for Teachers licensed outside of Utah: Reciprocity with other states regarding licensure is not guaranteed and is contingent on fulfilling minimum license and endorsement requirements for Utah. For more information about obtaining a Utah license go to www.schools.utah.gov/cert/Out-of-State-License.aspx
