Comment faire ?/ Wie geht das?

Je reproduis la frise modèle sur le quadrillage en-dessous.

Ich beobachte das Muster und zeichne es auf das Gitter darunter nach.

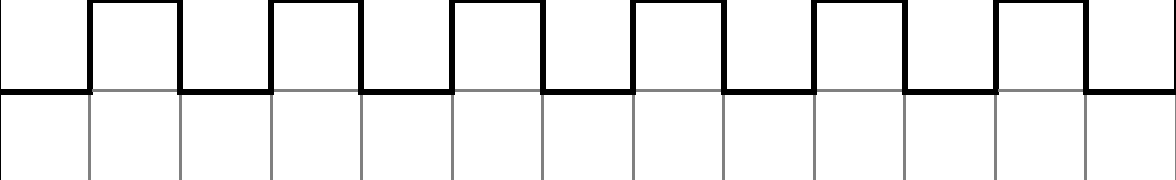

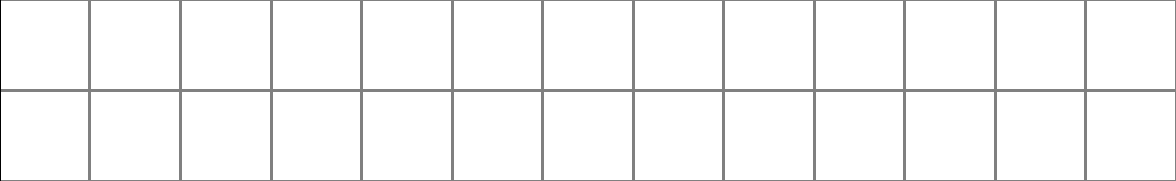

Pour les frises 1 à 4 je colorie au crayon de couleur.

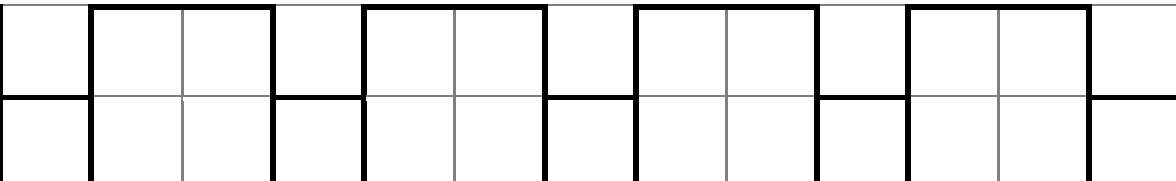

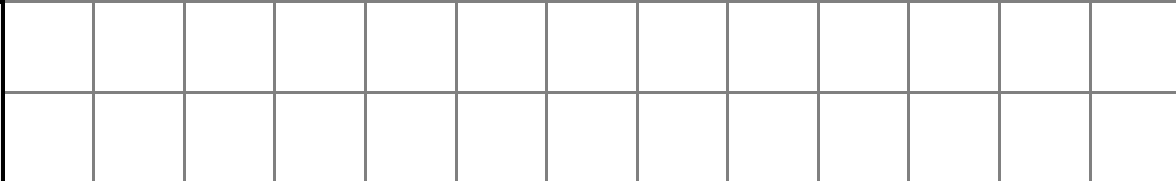

Male die Muster 1 bis 4 ich mit Buntstifte nach.

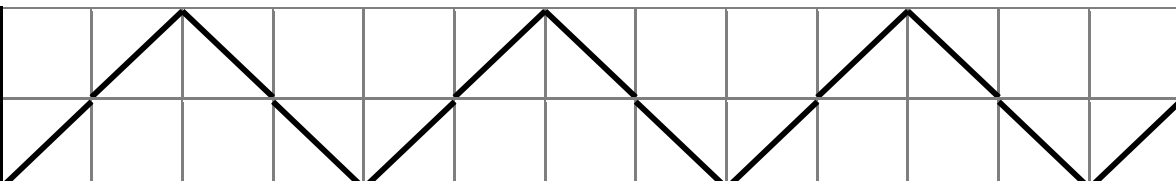

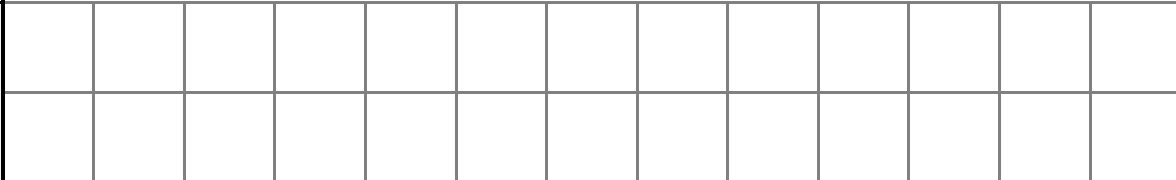

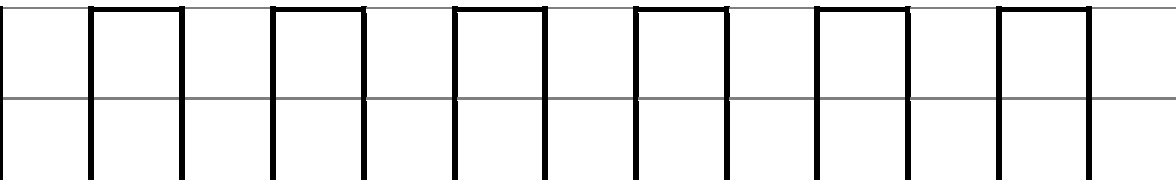

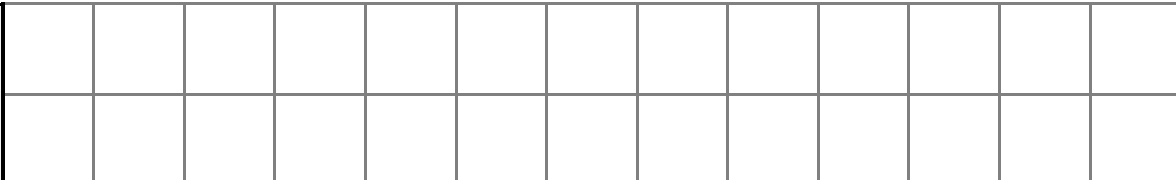

Pour les autres frises, je trace à la règle. Je peux ensuite les colorier.

Die anderen Muster zeichne ich mit dem Lineal nach. Dann darf ich sie anmalen.
