

Trivial Planètes

Objectifs :

- ✓ Multiplier par 2, par 5, par 10 et par 100

Règle du jeu :

Le groupe possède un tas de cartes. Chaque carte possède le symbole d'une planète.

Chaque joueur possède une carte jeu avec l'ensemble des planètes du système solaire. A chaque carte piochée, s'il répond correctement, le joueur coche la planète indiquée par sa carte sur son disque. L'objectif est d'avoir visité toutes les planètes.

Pour l'impression du jeu :

Imprimer les cartes en recto-verso. Imprimer les cartes réponses normalement. Un jeu est valable pour un groupe de 3 à 4 élèves.

A quel moment faire ce jeu ?

En période 4 du CE2

A quel moment faire ce jeu ?

A partir de la séquence 79/80 de Vivre les maths (P4 du CE1)
