

Mon journal du nombre

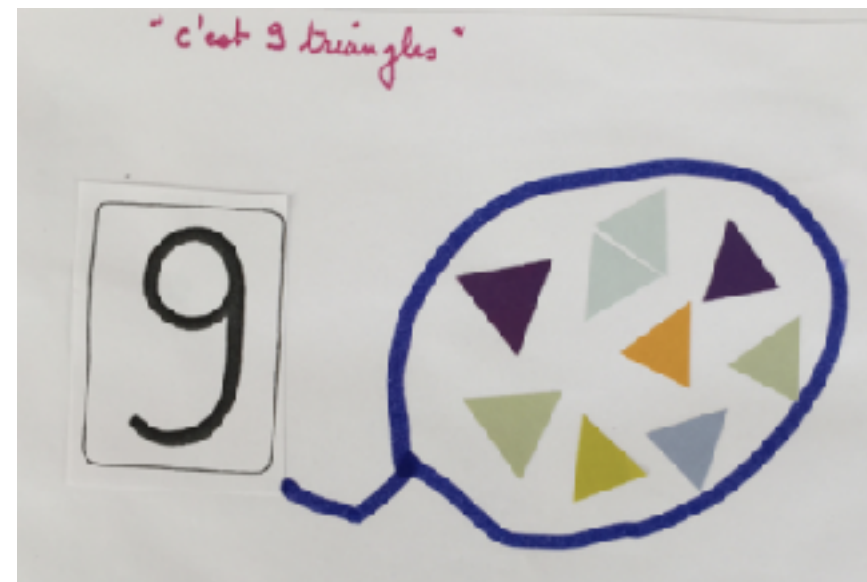

Un journal du nombre ?

C'est une trace d'écrits mathématiques,
Faits en autonomie,
Où chaque image,
Chaque nombre,
Est choisi en toute liberté.
Une trace,
Pour donner le goût d'écrire,
D'inventer, de partager
Ses créations mathématiques.

Un espace libre de production

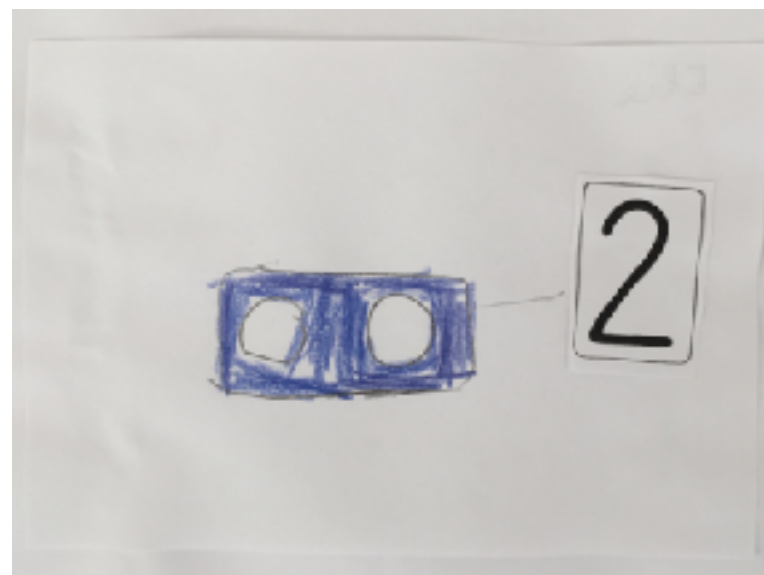

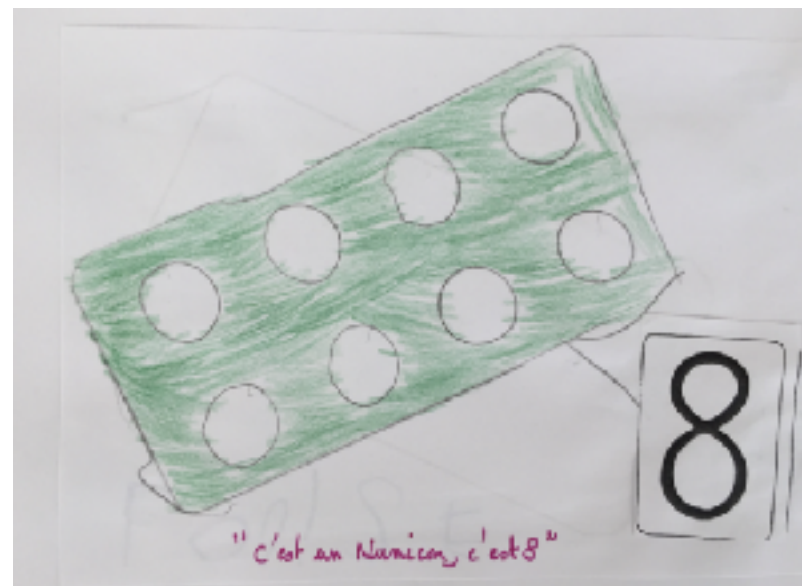

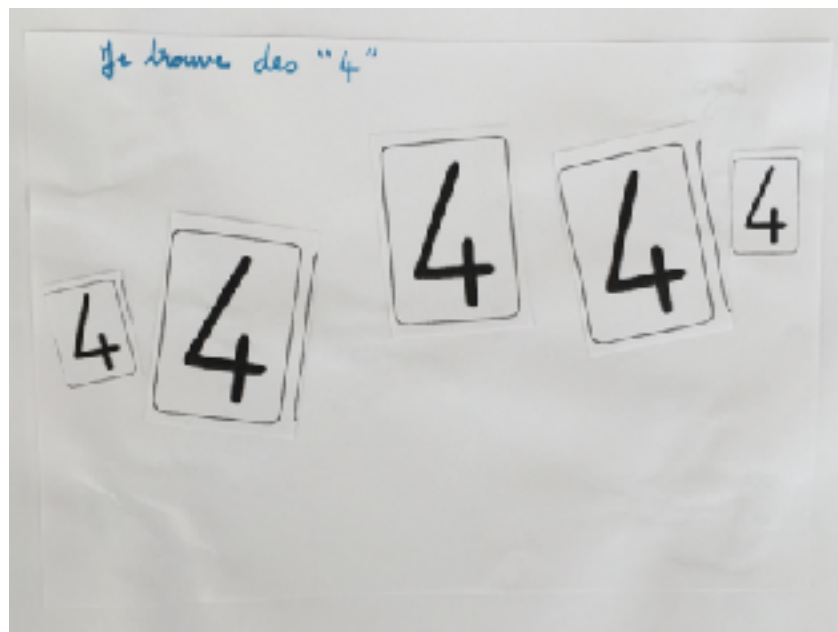

Les ensembles / les collections

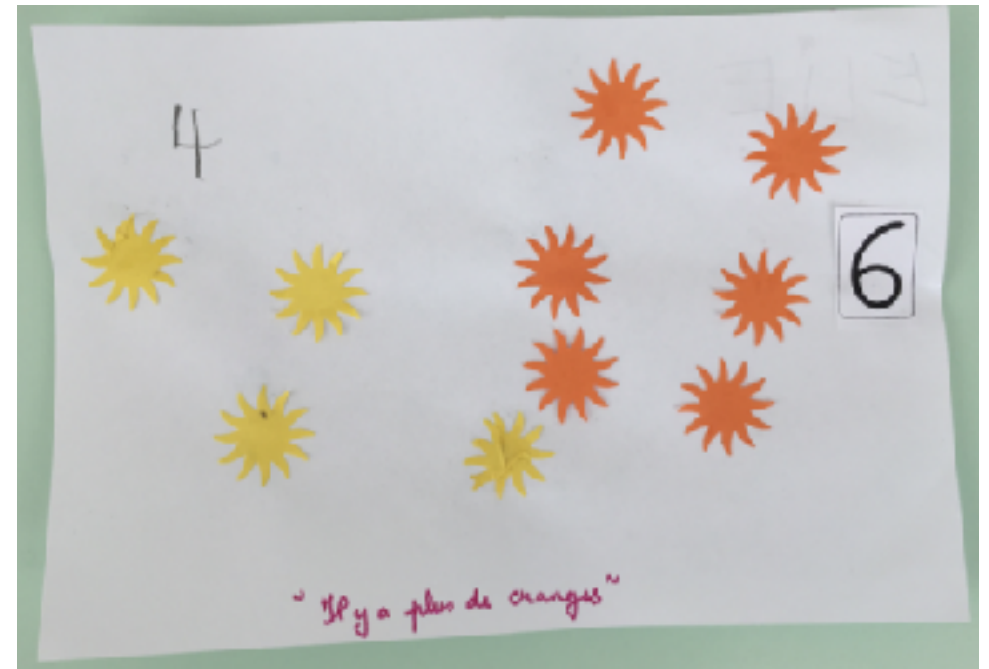

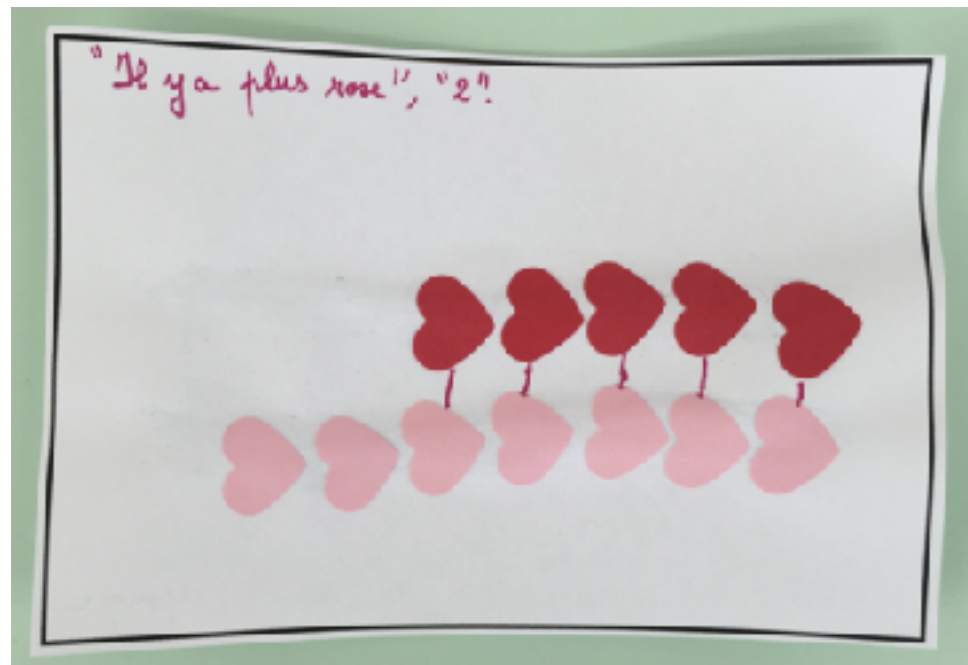

Les rituels associés

Les chiffres et les quantités

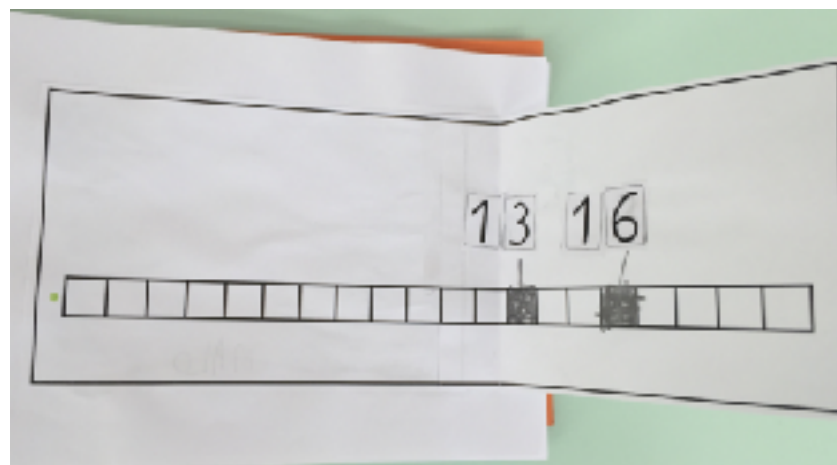

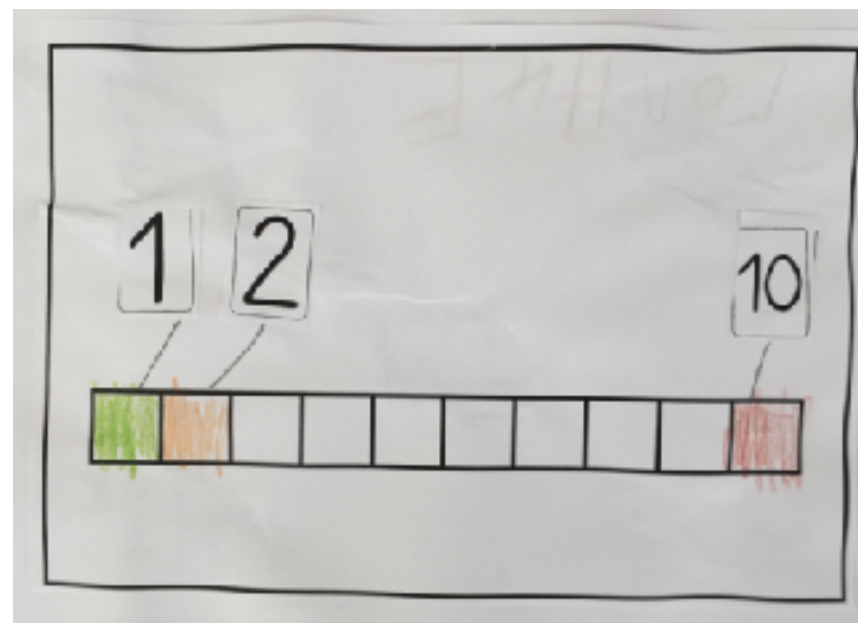

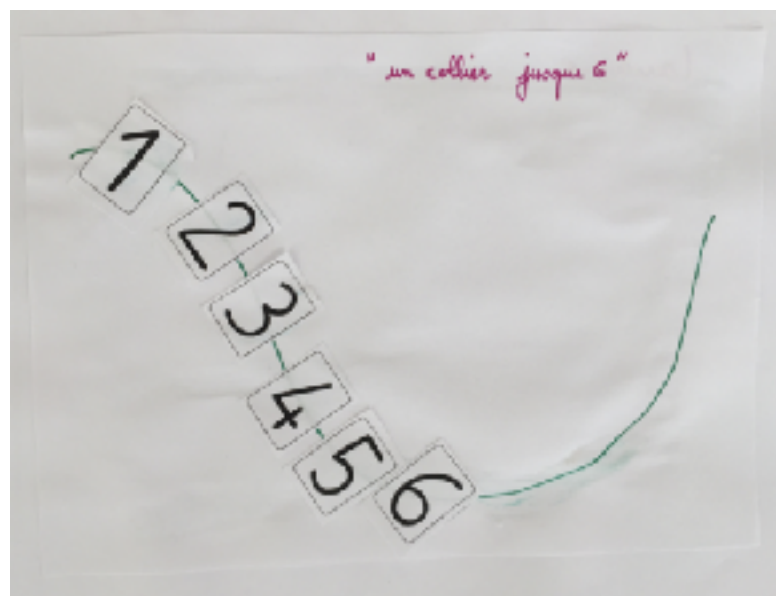

Comparer des quantités

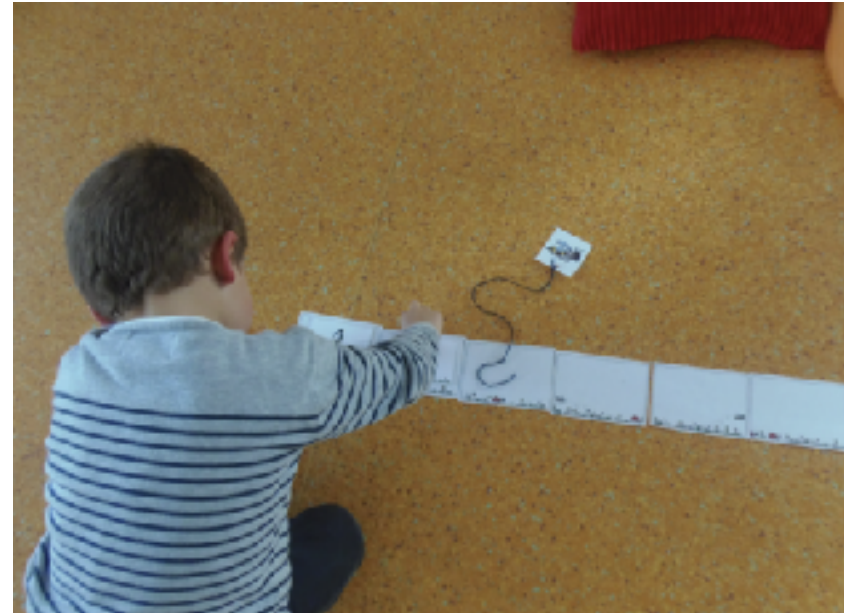

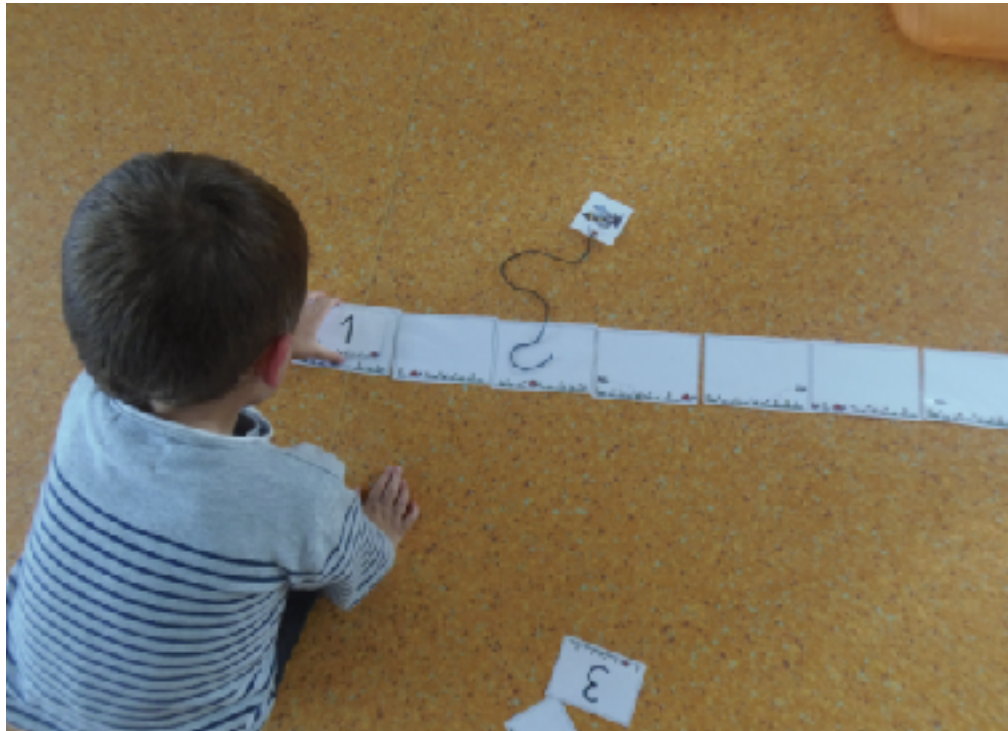

Les rituels de comparaison associés :
3 procédures :
terme à terme - balance - dénombrer

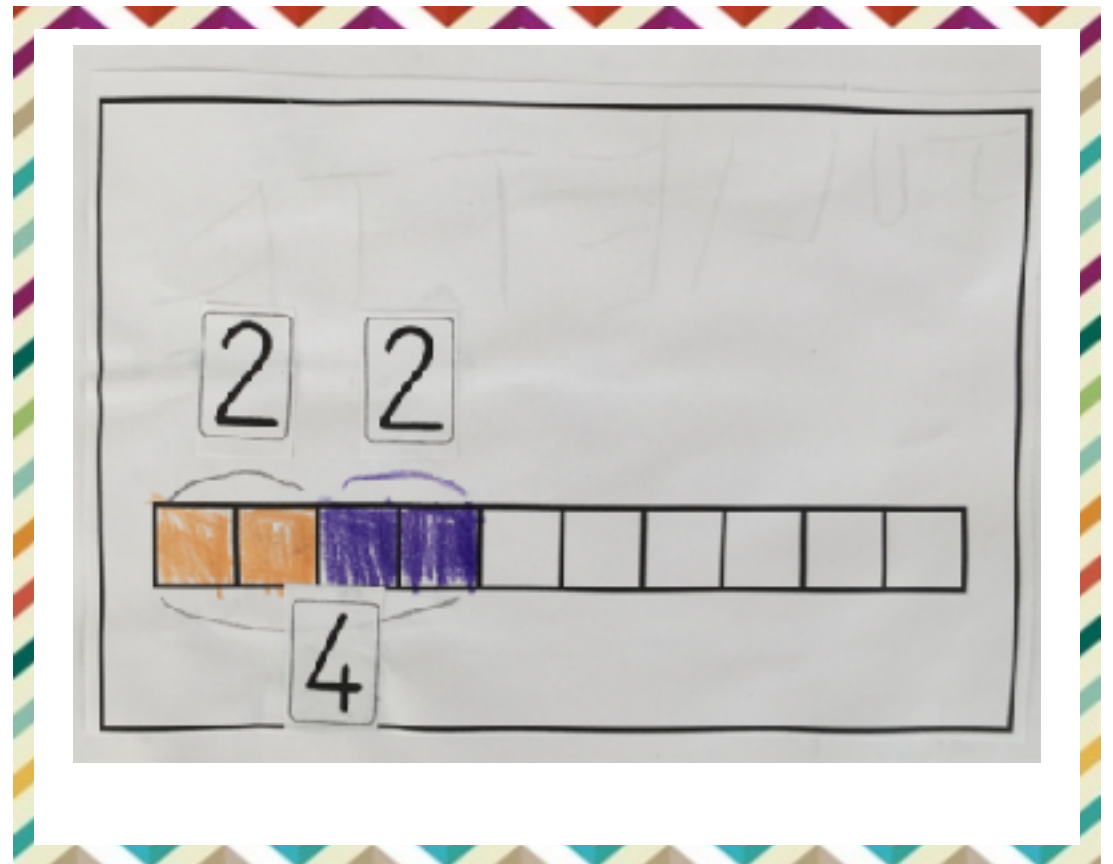

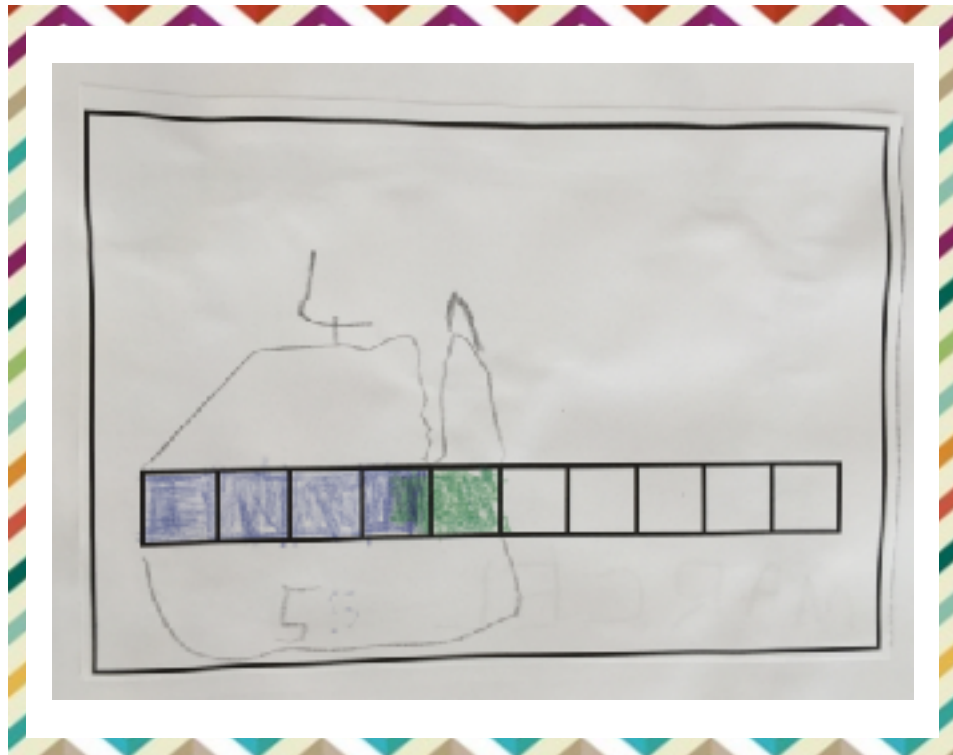

La suite numérique

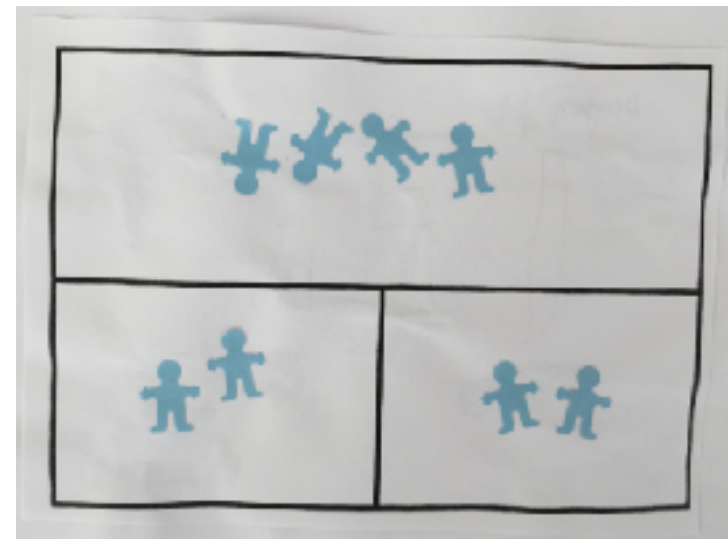

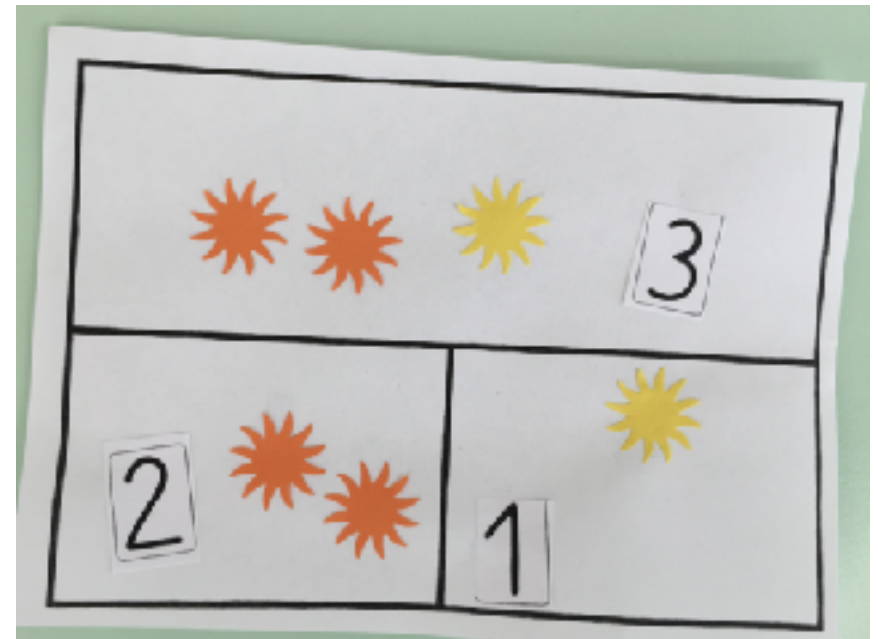

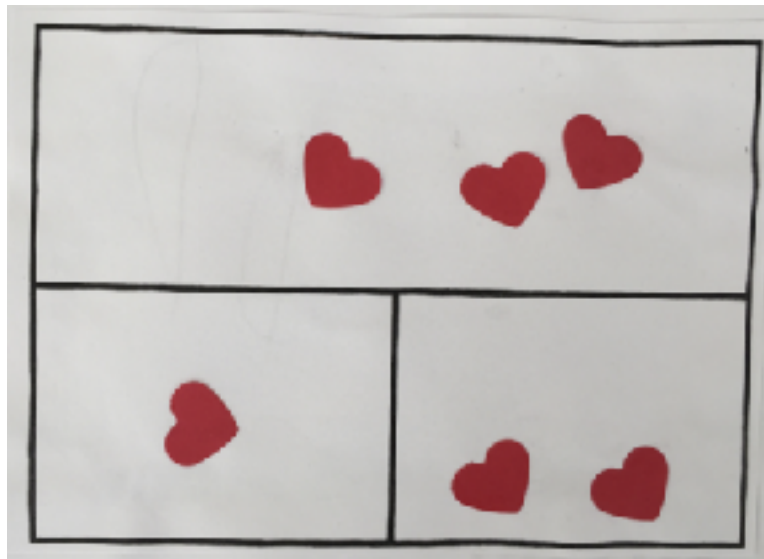

Les rituels associés
estimer - contrôler - construire la suite numérique

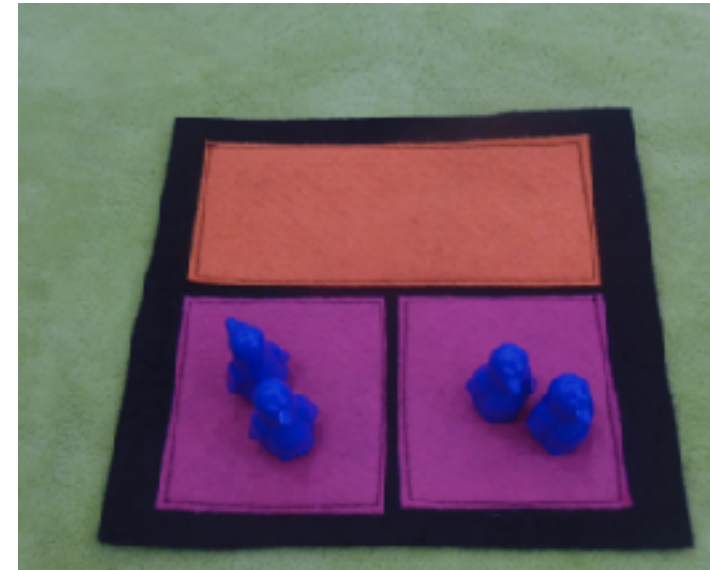

Calcul sur frise
(prépare aux schémas)

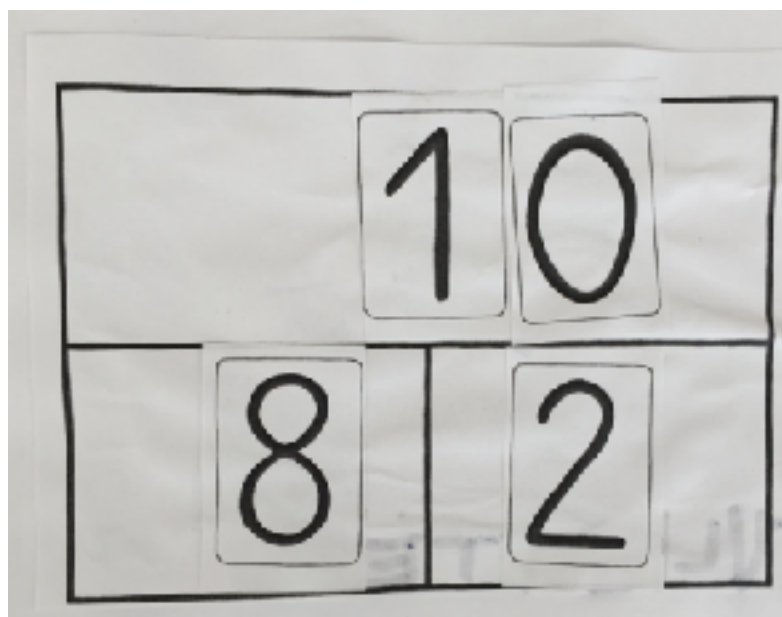

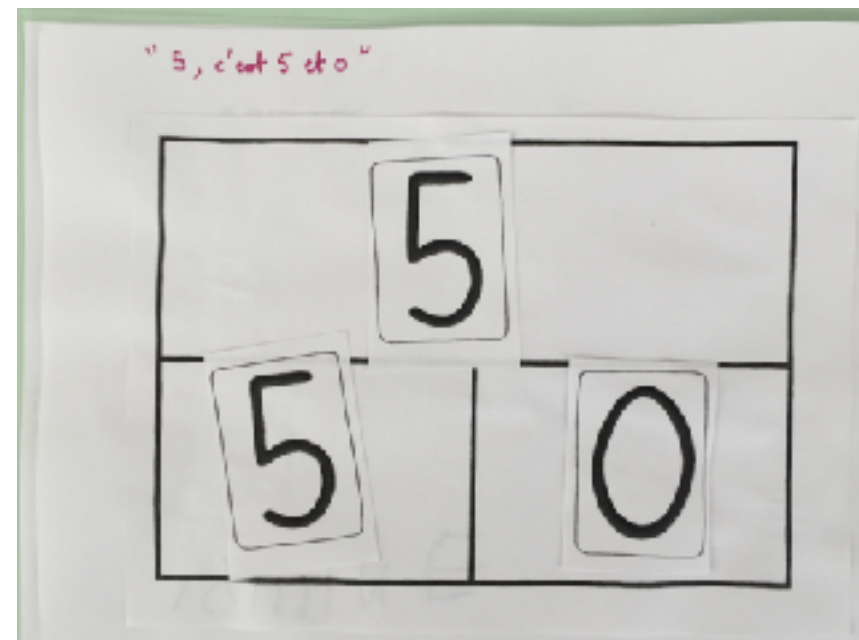

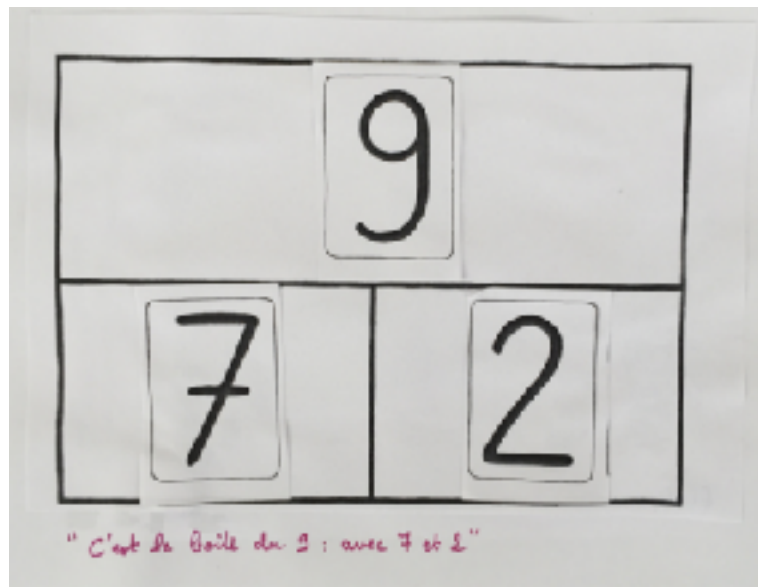

Vers les boites

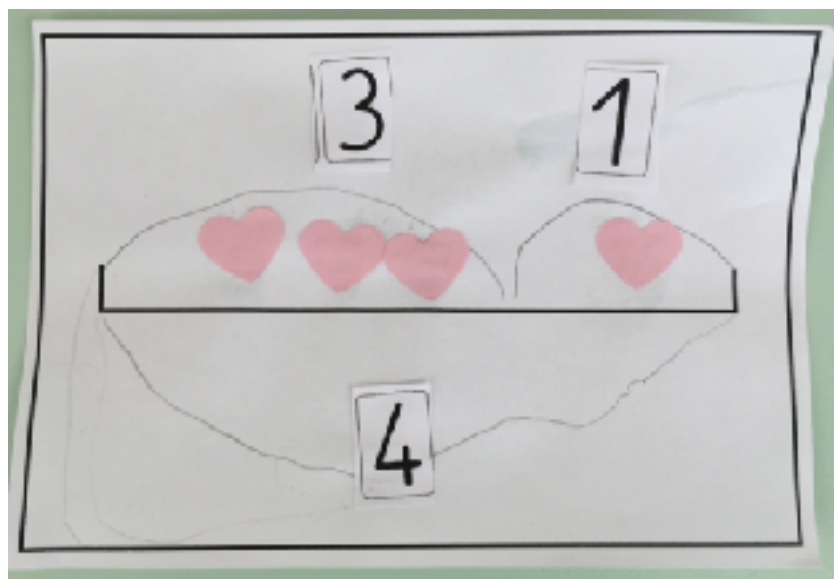

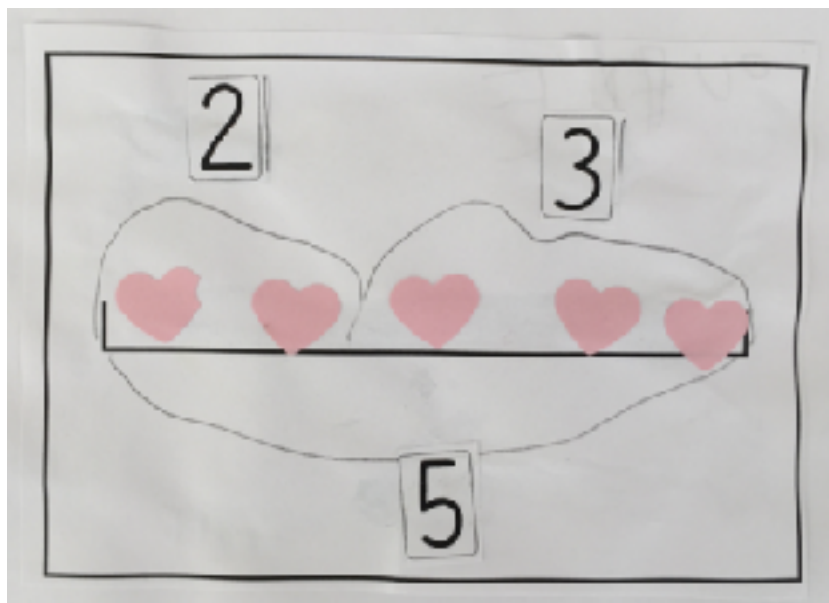

Les rituels associés

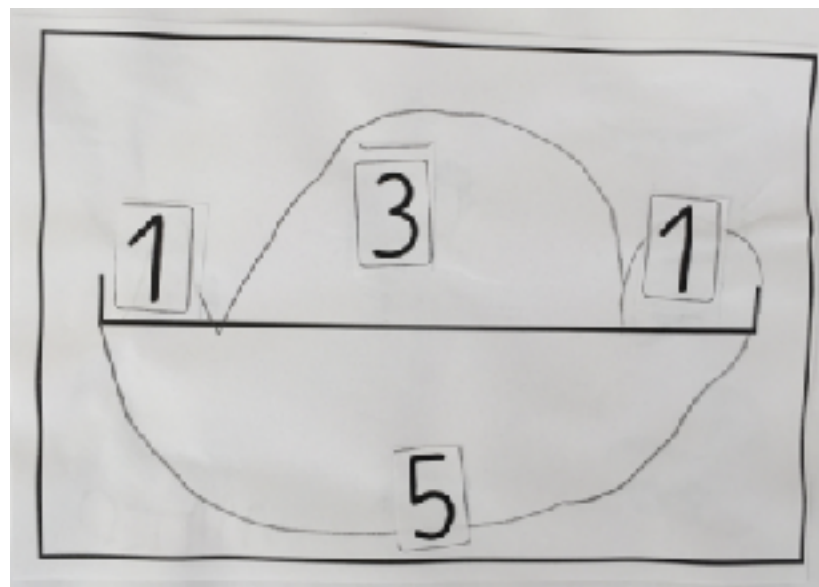

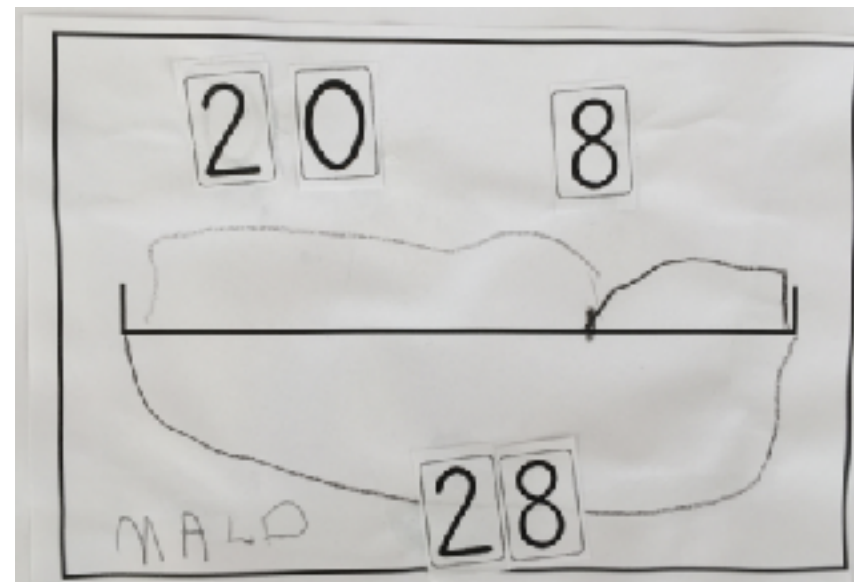

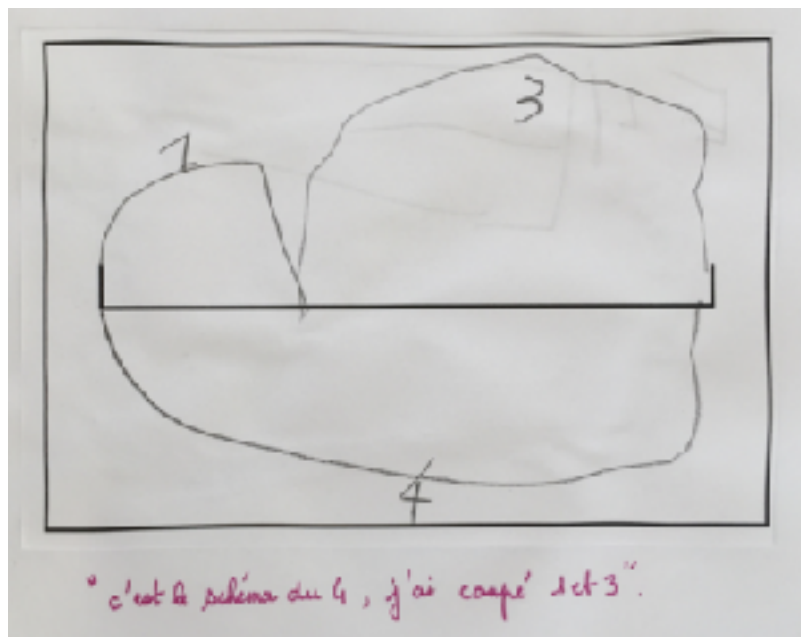

Les boîtes

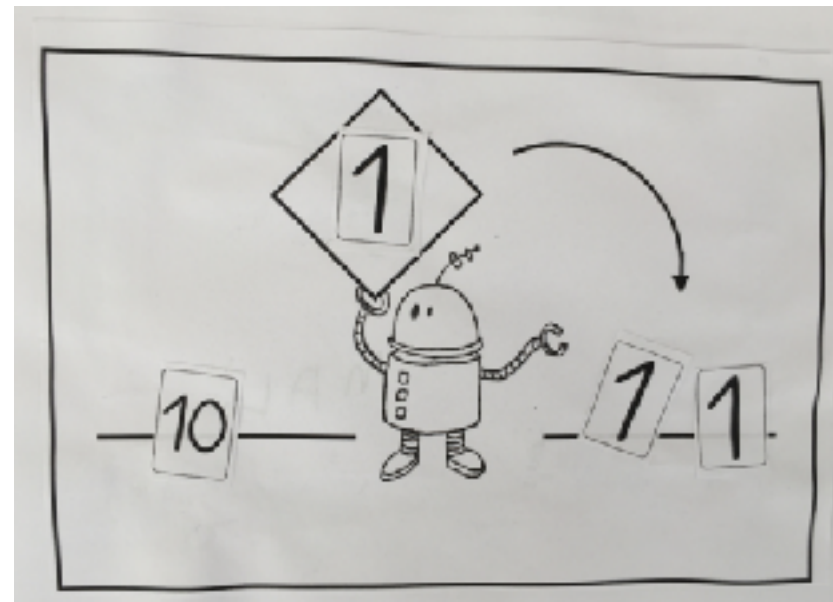

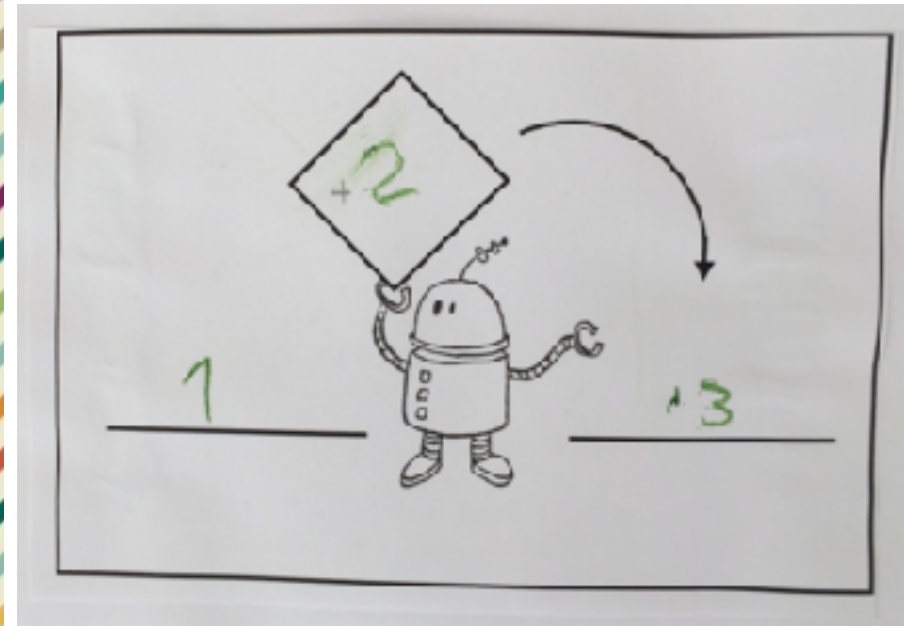

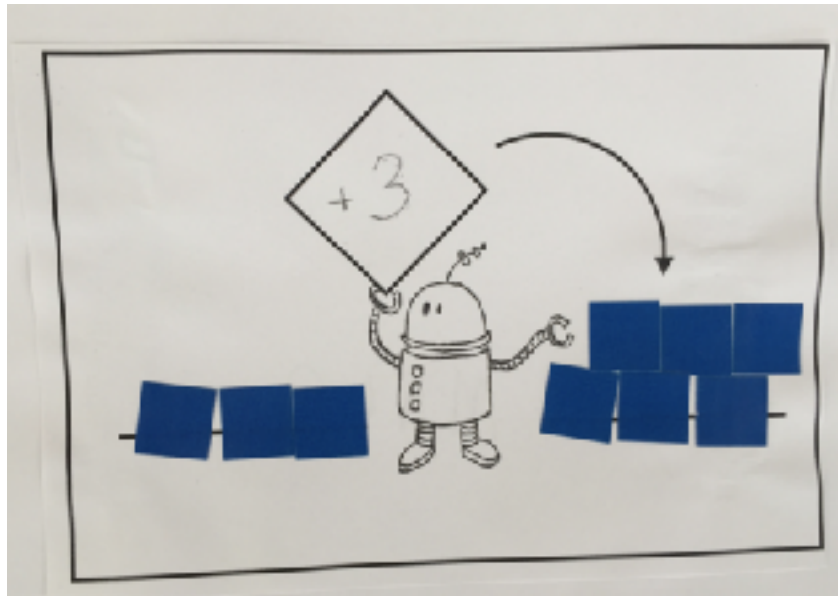

Vers les schémas

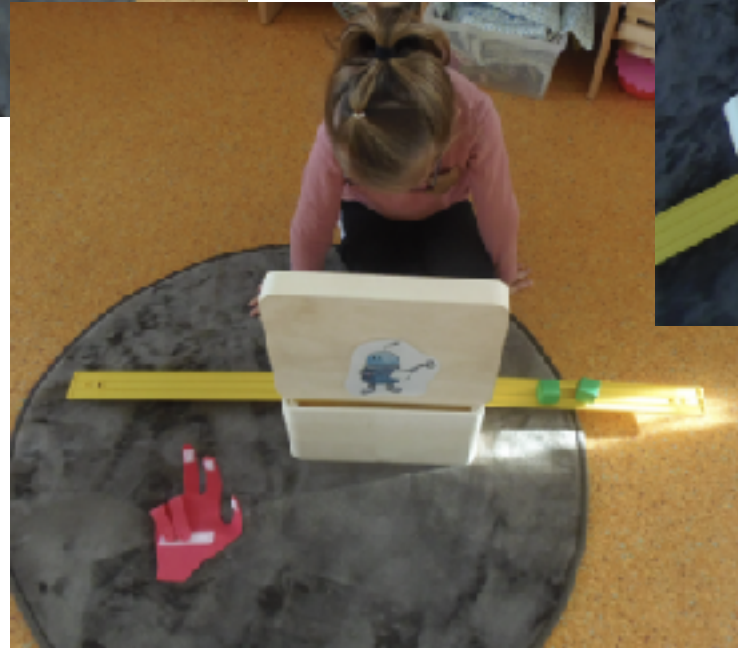

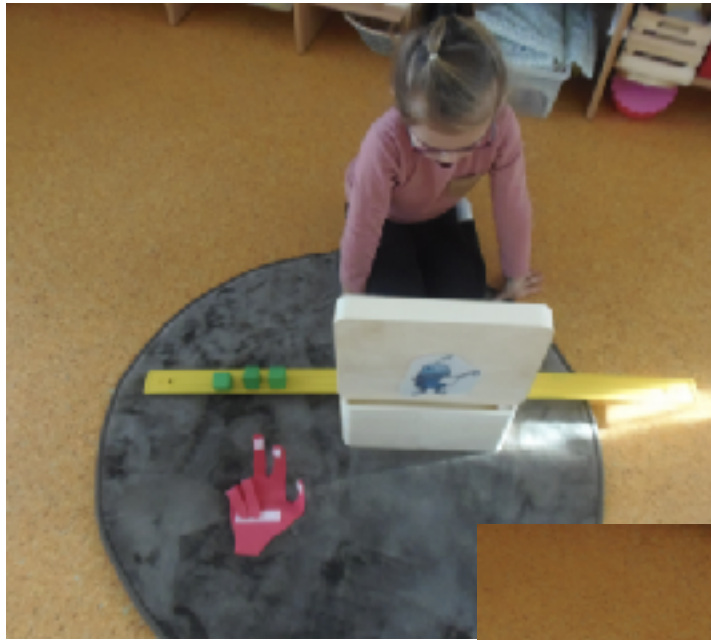

Les schémas

Les situations additives (par transformation)

Les rituels associés

addition, soustraction ou encore recherche de la transformation
