informations sur le projet

police : lilly
police phonétique : apicar

couleur du cadre rouge : R192 V0 B0
couleur du cadre bleu : R0 V64 B128

Ce projet a été conçu pour obtenir une impression sur des feuilles A3 orientation paysage. On passe du A4 au A3 par la photocopieuse. Après plusieurs essais, c'est la police Lilly qui a été adoptée car elle offre une meilleure lisibilité que les polices cursives.

Le trait vertical sur la droite indique l'endroit où il faut découper la feuille pour que la maison soit centrée sur la page.
