Je sais comparer et ranger les nombres jusqu'à 39.

I know how to compare and sort out numbers up to 39 in ascending and descending order.

- Compare

$$19 \text{ } \begin{array}{c} \nearrow \\ \searrow \end{array} \text{ } 34$$

$$19 < 34$$

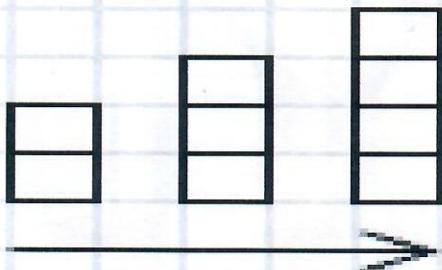

$$35 = 35$$

$$35 = 35$$

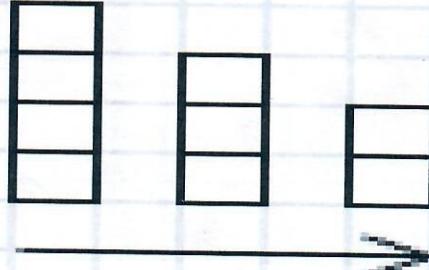

$$39 \text{ } \begin{array}{c} \nearrow \\ \searrow \end{array} \text{ } 37$$

$$39 > 37$$

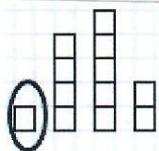

- Sort out

$$24 - 32 - 38$$

$$36 - 27 - 19$$
