

# Reading and Listening

12     Look and read. Then match.

http://www.bedrooms

Hi!

This is a picture of my new bedroom. It isn't very big. There's a bed, a desk and a chair. There are two windows. The floor is blue. On my desk there's a computer, and there's a photo of my dog. His name's Prince. He's big and brown. There are six posters on all the posters. They're great!

See you soon!

Daniel
