4th VIRTUOSITY SUMMER WORKSHOP

PARIS MARAIS DANCE SCHOOL

BALLET & CONTEMPORARY-GRAHAM

SPECIAL INTEREST OF THE WORKSHOP

This intensive summer dance workshop offers young dancers a technically rich program, the discovery of Martha Graham repertory, composition classes, classical pas-de-deux (partnering), variations and final presentations.

The workshop is based on two basic dance techniques: Ballet and Graham (the base of contemporary dance). Combining these two complementary techniques gives today's dancers the perfect preparation for an international career with today's major choreographers.

For all dancers who want to:

- ⇒ acquire a brilliant style and virtuosity, increase their technical skills, creativity and stage experience
- ⇒ prepare for auditioning for international dance schools/universities or dance companies
- ⇒ prepare for auditioning for PARIS MARAIS DANCE SCHOOL or the MARTHA GRAHAM SCHOOL in NYC
- ⇒ increase their knowledge in Ballet and benefit from the improvements of Balanchine technique
- ⇒ increase their knowledge in Graham technique to more easily deal with the other techniques
- ⇒ discover the benefits of combining the two great techniques: Ballet and Graham

and enjoy a beautiful week dancing in Paris, in a historical 17th c. building in the heart of cultural Paris (metro Hôtel de Ville) next to Pompidou Center.

HOW DO I DEFINE MY LEVEL?

1 – Virtuosity*: **Advanced and (pre) professionals** > a minimum of 6-8 years of classical and 2-3 years of Graham training

2 - Discovery: **Intermediate level** > a minimum of 3-5 years of classical and 1 year of Graham training

3 - Preparatory: **beginner level** > 0 to 2 years of classical and / or modern dance training

4 – Floor barre: **accessible for all levels**, even with no prior dance training at all.

YOUR LEVEL IN GRAHAM: if you have practiced contemporary dance, but not the Graham technique, we strongly suggest the following:

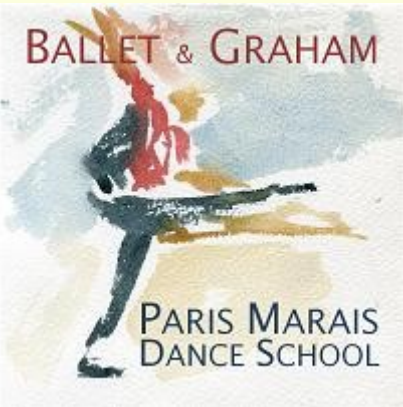

- Advanced/pro in contemporary dance => take **intermediate or beginner Graham technique** to learn the fundamentals + **advanced Graham** to try to dance the movements and repertory.

- Intermediate in contemporary dance => take **beginner Graham technique** to learn the fundamentals + **Graham intermediate** to try to dance the movements.

* **TO BE ACCEPTED IN VIRTUOSITY LEVEL**, please send the following **dossier**, with a weight under 1 Mb: resume, letter of motivation, 2 pictures (arabesque, jump), 1 videolink on Youtube or Vimeo of you dancing a solo.

Level adjustments: all participants will be verified on their level each Monday and, when necessary, will be transferred to the level where they have the best chance to advance. In case of price change due to the change of level, the difference will be refunded.

Although, it is recommended to attend the workshop for **2 or 4 weeks**, (required for participating in performances). Students can also attend **one, two or three weeks**.
