

3. Ecris un résumé de ce livre.

Il doit donner envie de lire mais Attention : tu ne dois pas raconter la fin !

A large grid of graph paper for writing a book summary. The grid consists of 13 columns and 20 rows. The first column is significantly wider than the other 12 columns, which are of equal width. The grid is intended for writing a summary of a book, with the instruction to make it enticing without revealing the ending.
