**GO!** AND **DO!** →

- 1 Let's praise God for His incredible creation! With someone's help, make a praise journal and see if you can think of things from A to Z that God created. For example, for S you can say stars, seahorses, or strawberries. Thank God for them.
- 2 Have someone read Genesis 1 to you and count how many times God said, "It was good," or "It was very good." Tell your group guide tomorrow.
- 3 Look out the window. What do you see that you can praise God for?
- 4 Check [KidsAnswers.org/go/animals](http://KidsAnswers.org/go/animals) for info on some of God's amazing creatures!

**Ask yourself this question:**  
Does the Bible say God created  
everything in six days or over  
millions of years?
