

Calcule

$35 + 40 = \dots\dots\dots$

$80 + 70 = \dots\dots\dots$

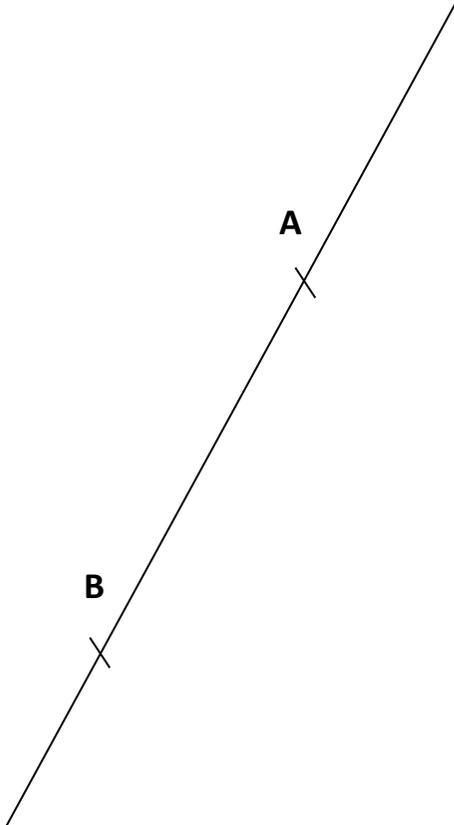

$600 + 400 = \dots\dots\dots$

$95 - 50 = \dots\dots\dots$

$370 - 70 = \dots\dots\dots$

$650 - 200 = \dots\dots\dots$

Trace deux droites perpendiculaires qui passent par les points A et B.
