

A large, stylized orange is the central focus, filled with small yellow dots representing seeds. It has a short brown stem with two green leaves. The background is a solid blue color.

orange

citron

An illustration of an almond, split into two halves. The top half is dark brown with several dark brown diagonal lines representing the almond's texture. The bottom half is a lighter tan color with several dark brown dots representing the almond's texture. The word "amande" is written in white, lowercase letters across the bottom half of the almond.
