HAUT

Associe.

A central illustration of Mickey Mouse wearing a red Santa hat with a holly leaf, a green scarf, a red dress, and yellow boots. He is surrounded by several red and white striped candies. To his left is a vertical column of six colored circles: yellow, orange, purple, blue, red, and green. To his right is a vertical column of six math problems, each inside a candy graphic: $6 - 2 =$, $6 - 5 =$, $8 - 2 =$, $10 - 1 =$, $9 - 6 =$, and $4 - 2 =$. Above Mickey are three numbered circles: a blue circle with '9', an orange circle with '1', and a purple circle with '6'. Below Mickey are three numbered circles: a green circle with '2', a yellow circle with '4', and a red circle with '3'. The entire page is framed by a dashed red line with arrows at the top and bottom pointing inward, labeled 'Plier avant de plastifier'.
