A LA UNE

The US astronaut Jessica Meir is going into space !

The US astronaut Jessica Meir arrived safely at the International Space Station last Wednesday. She travelled from Kazakhstan with 2 other space explorers, including the first astronaut from the United Arab Emirates.

DID YOU KNOW

Jessica Meir is 42 years old. This is her first time in space and she will stay there for 6 months.

helmet - mask - badge - pipe - spacesuit - blue overalls

PHOTO OF THE WEEK

Two pygmy killer whales were stranded on a beach in the Hawaiian island of Maui (US), last week. It is the second time in a month that whales were stranded there.
