

Lecture implicite

Pour chaque texte, trouve l'image correspondante. Dès que tu as trouvé, colle l'image au bon endroit. Attention à l'intrus !

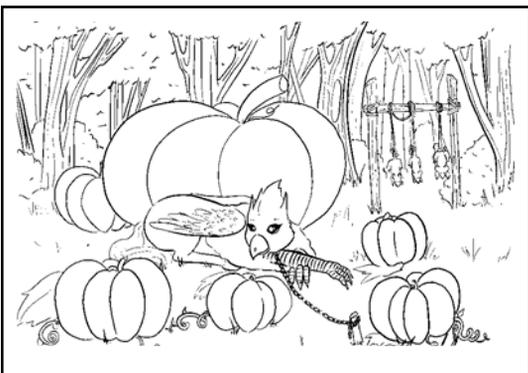

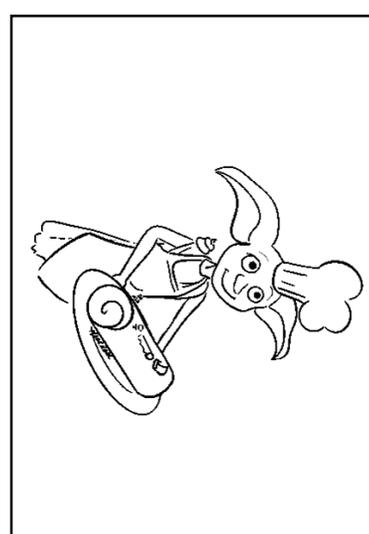

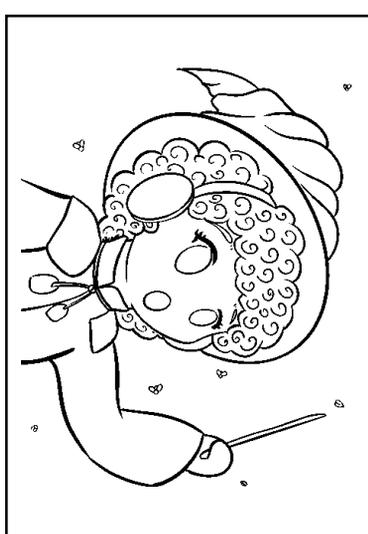

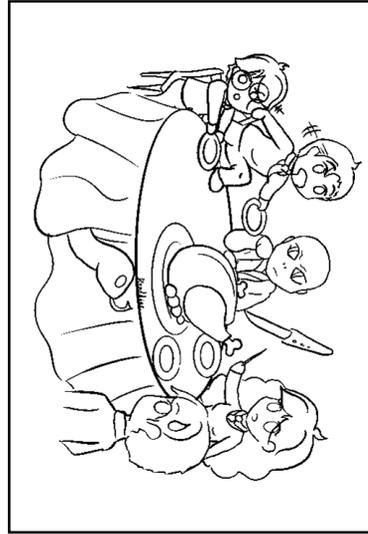

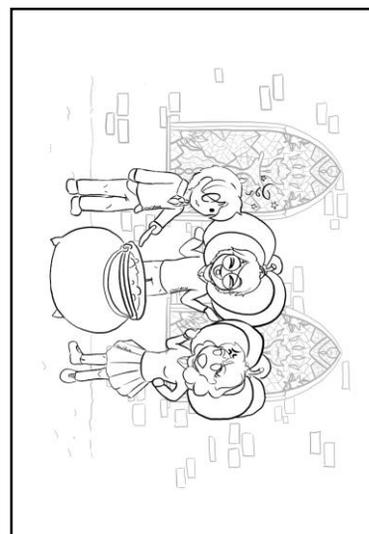

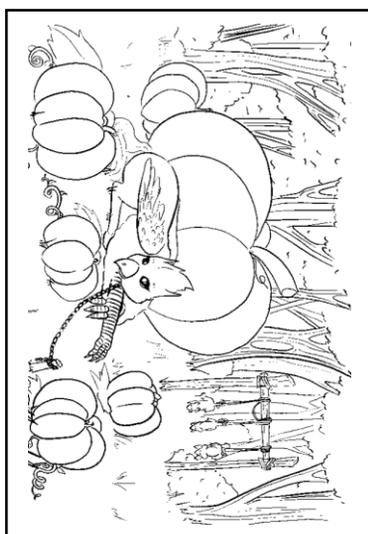

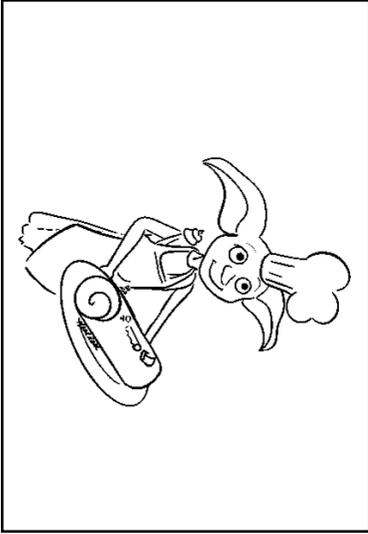

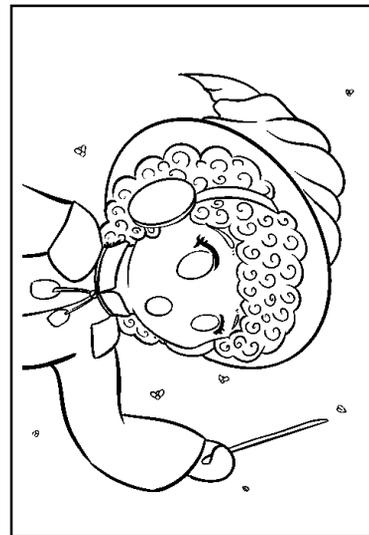

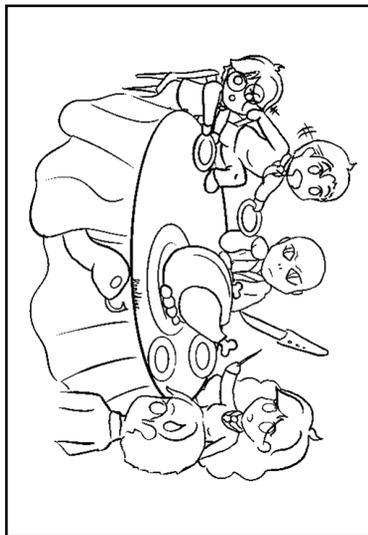

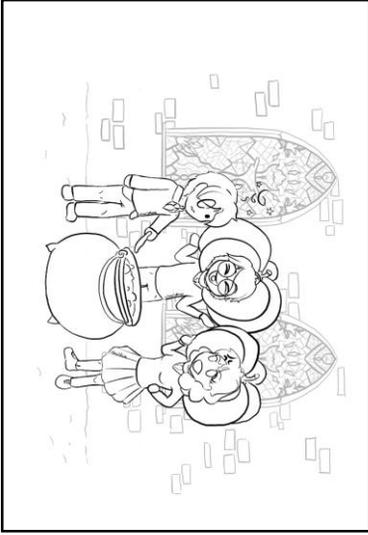

1 Comme les étoiles, elles luisaient silencieusement dans la nuit. Le spectacle était magique.

2 Trop pressé, il avait oublié un ingrédient. Il aurait dû faire plus attention. Sans quoi, il n'y aurait pas eu d'esclandre.

3 Le pralin donnait tout son goût à ce délicieux plat, que de nombreuses personnes adorent en période de fêtes.

4 Le voilà bien embêté. La battue avait eu raison de lui.

A large empty rectangular box with a black border, intended for pasting an image corresponding to the first text.A large empty rectangular box with a black border, intended for pasting an image corresponding to the second text.A large empty rectangular box with a black border, intended for pasting an image corresponding to the third text.A large empty rectangular box with a black border, intended for pasting an image corresponding to the fourth text.
