

# Jeu de vocabulaire (Noël)

## Matériel

- ⇒ Piste de jeu
- ⇒ 1 Pion par joueur
- ⇒ Une planche de jeu (sapin) par joueur
- ⇒ Dé 6 faces (1-2-3-4-5-chat)
- ⇒ Des jetons-boules

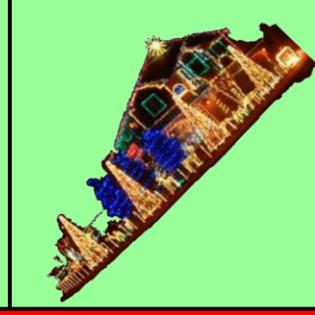

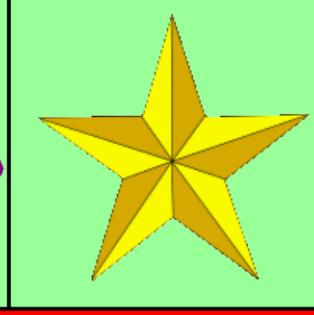

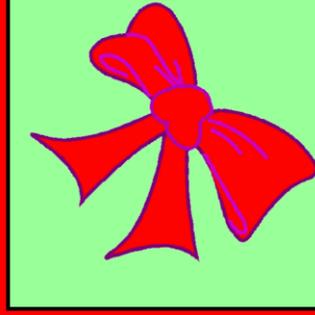

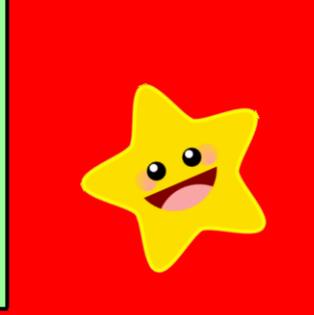

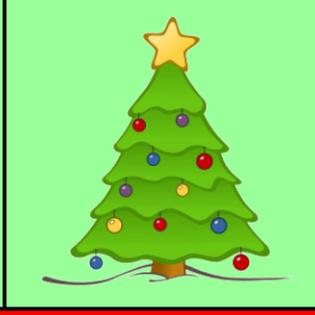

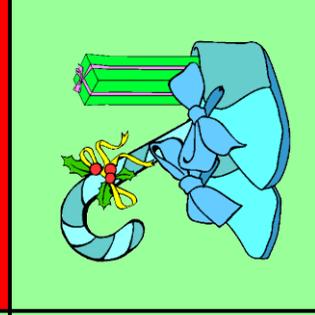

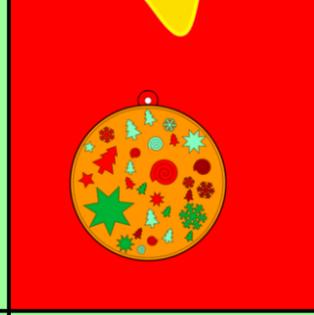

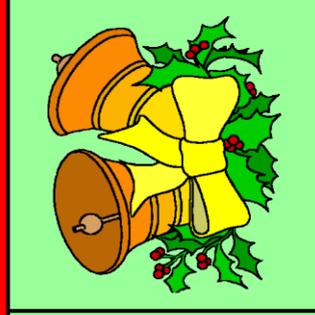

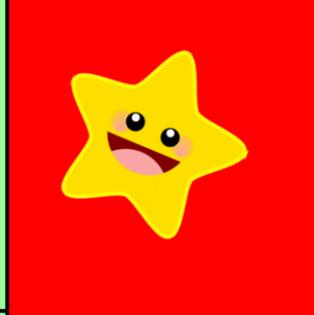

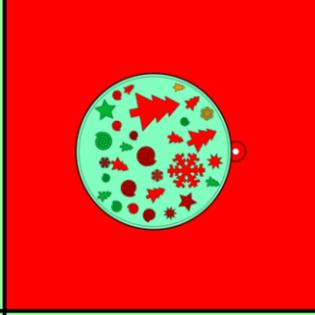

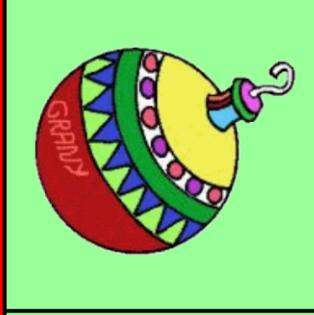

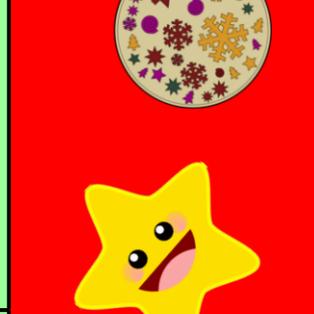

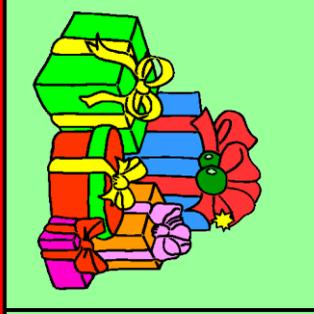

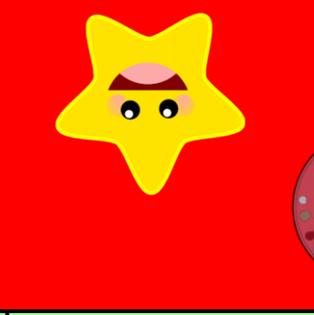

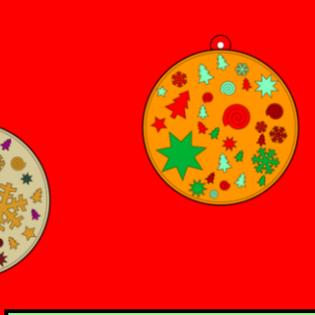

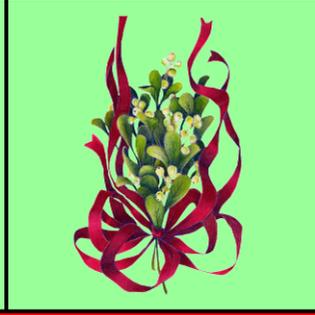

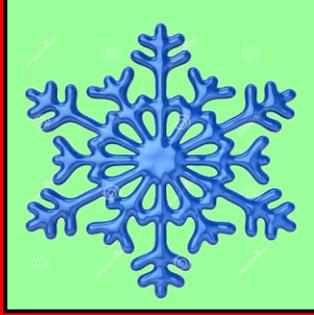

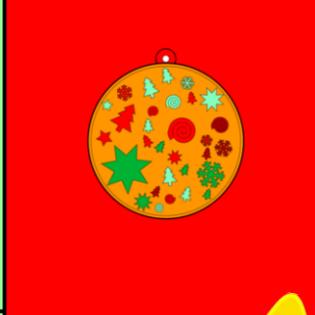

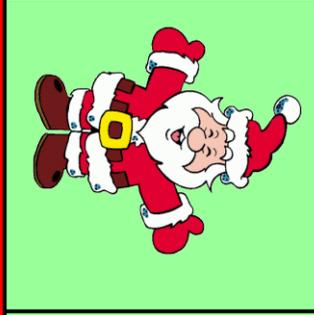

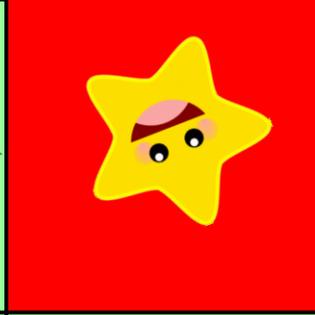

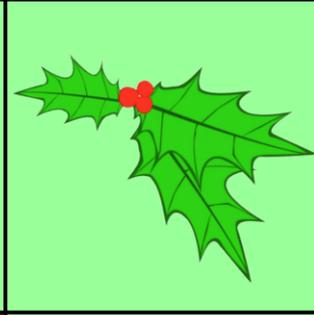

But du jeu : être le premier à recouvrir son sapin de boules.

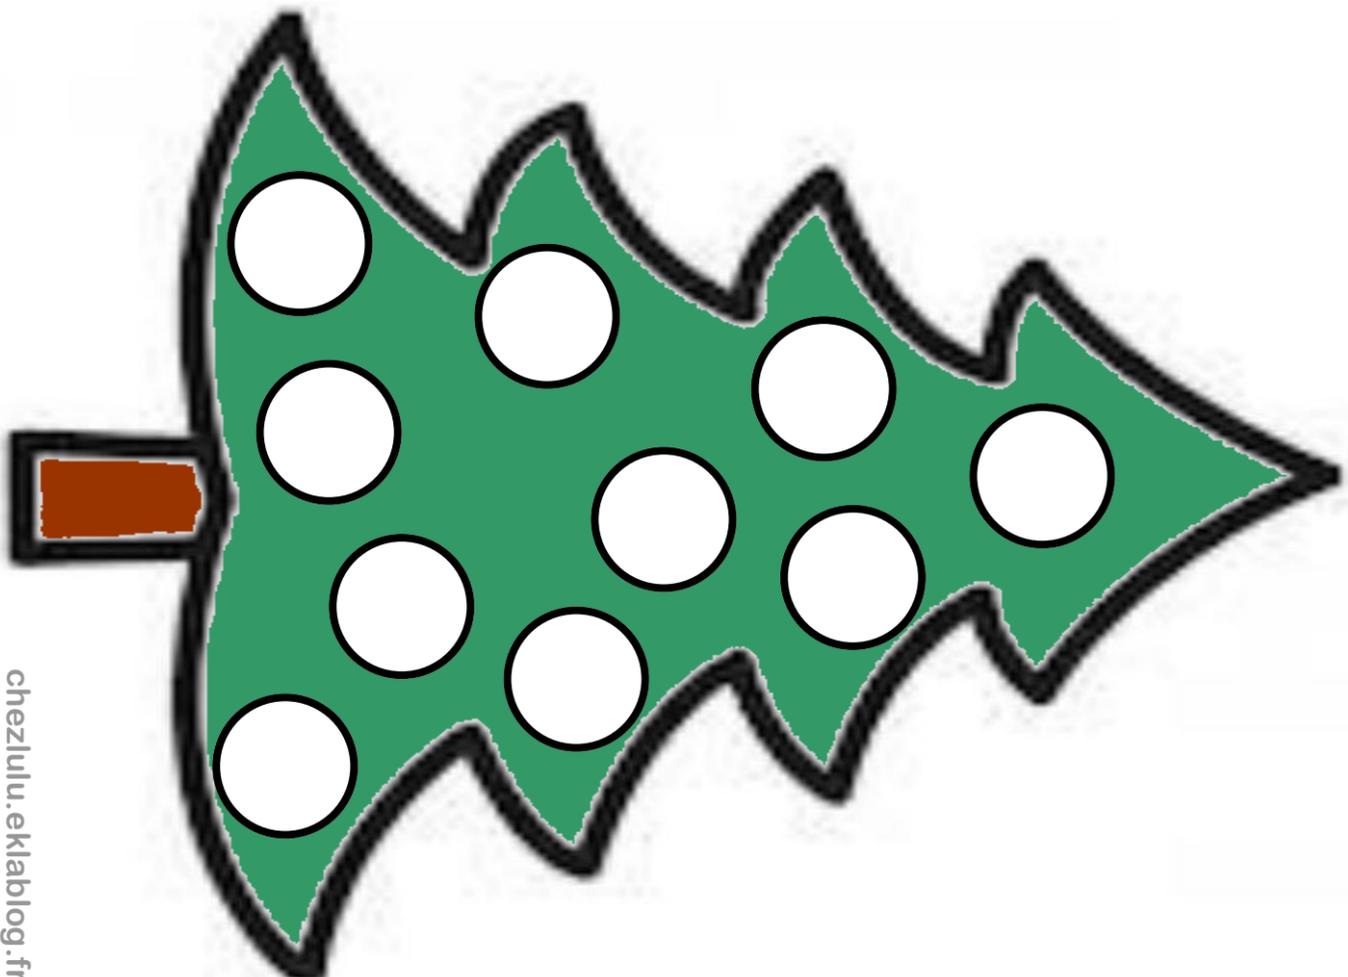

## Déroulement

Les pions sont placés par les joueurs où ils veulent sur la piste. Le premier joueur jette le dé et fait avancer son pion du nombre indiqué par le dé. Il nomme l'image sur laquelle il tombe. S'il la nomme sans se tromper, il gagne un jeton. Sinon, l'image lui est nommée et c'est au joueur suivant de lancer le dé.

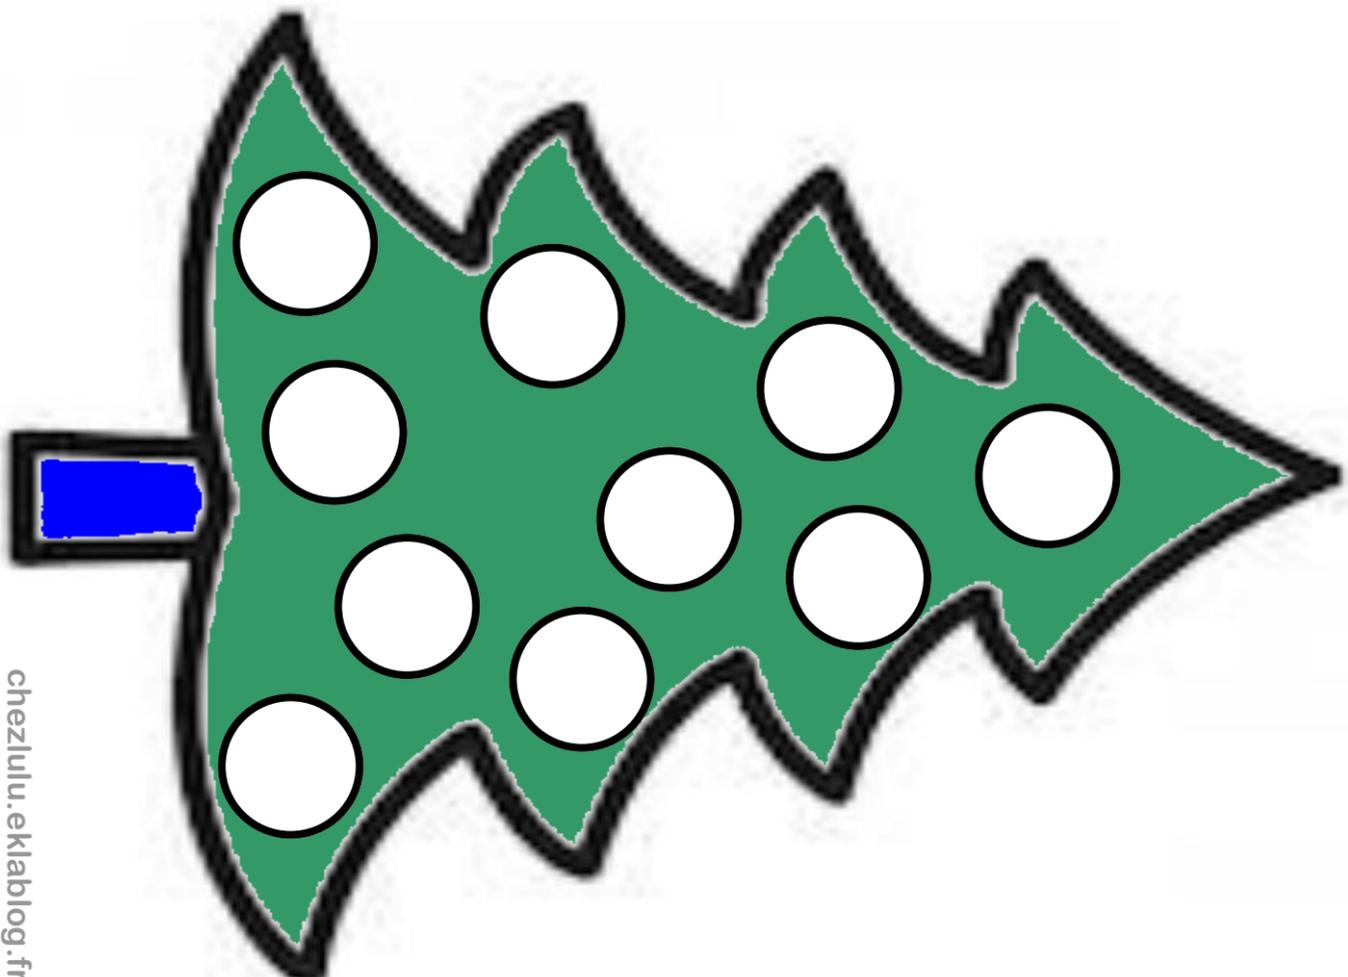

Case chat du dé : le joueur doit retirer une boule de son sapin. Son tour est fini.
