

Christmas dinner

Sapin, cartes de vœux, Christmas crackers, dindes, pudding font partie des traditions de Noël en Angleterre.

Christmas decorations

One of the very first decorations that many homes put is an advent calendar. Each day, for 24 days prior to Christmas, the children will open one door on the calendar to reveal a hidden surprise picture.

How decorate the Christmas tree?

English decorate it with tinsels, baubles, fairy lights and they hang snowmen, Christmas stockings, Christmas cards and a star on the top.

English have turkey with stuffing, sausages and cranberry sauce.

For dessert, they have Christmas pudding and Christmas cake.

Le Christmas pudding est préparé au moins un mois avant Noël.

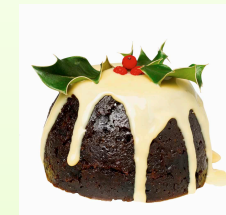

Dans la pâte, on ajoute une pièce de monnaie porte-bonheur.

Le jour de Noël, il est réchauffé et décoré avec du houx.

Christmas crackers are fun! A Christmas cracker is placed next to each plate. A person pulls on each end of the cracker.

It contains a joke, a small object and a paper crown.
