A LA UNE

A contest to fight like knights !

A few days ago, Australia won a jousting tournament at home against England. This sport was played by knights during the Middle Ages. They fought on horseback carrying sticks called lances.

DID YOU KNOW

According to historians, the first jousting tournament was held in 1066.

flag - straw - armour - lance - fence - horse

PHOTO OF THE WEEK

This koala was injured after being trapped in a wildfire in Australia. A lot of land was burnt in late October. Experts are worried about hundreds of koalas.
