

**Identifier les  
droites  
perpendiculaires**

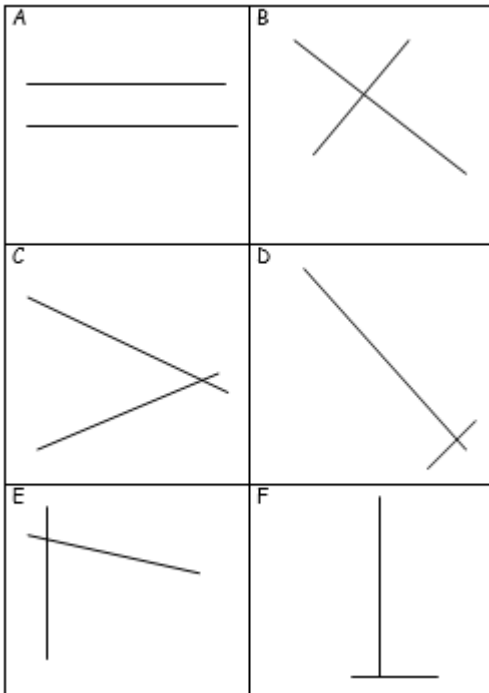

**Identifier les  
droites  
perpendiculaires  
correction**

### **Comment faire l'atelier ?**

1. Prends une carte.
2. Vérifie les angles droits avec une équerre.
3. Entoure au Velléda les droites perpendiculaires.
4. Vérifie tes réponses avec la fiche correction.
5. Efface tes réponses et recommence.

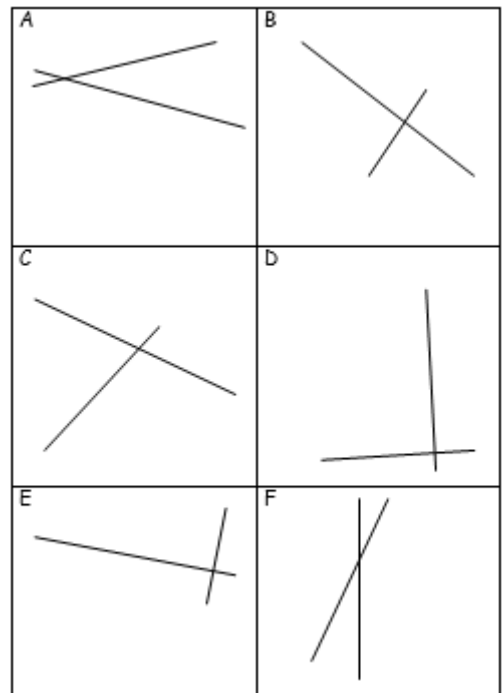

Entoure les droites
