

Le vocabulaire de l'addition

Les termes

The diagram shows the equation $2 + 3 = 5$ with large, stylized purple numbers and symbols. A purple arrow points from the word "Les termes" down to the numbers 2 and 3. Another purple arrow points from the text "Le signe « plus »" up to the plus sign. A third purple arrow points from the text "La somme" up to the number 5.

$$2 + 3 = 5$$

**Le signe
« plus »**

La somme

Le vocabulaire de la soustraction

Les termes

The image shows a subtraction equation: 3 - 2 = 1. The numbers 3, 2, and 1 are rendered in a 3D, rounded font with a grid pattern. The minus sign and equals sign are represented by pink rectangular bars. A pink arrow points from the word 'Les termes' above to the number 3. Another pink arrow points from the same word to the number 2. A third pink arrow points from the label 'Le reste' below to the number 1. A fourth pink arrow points from the label 'Le signe « moins »' below to the minus sign.

**Le signe
« moins »**
