

Atelier
poinçonnage

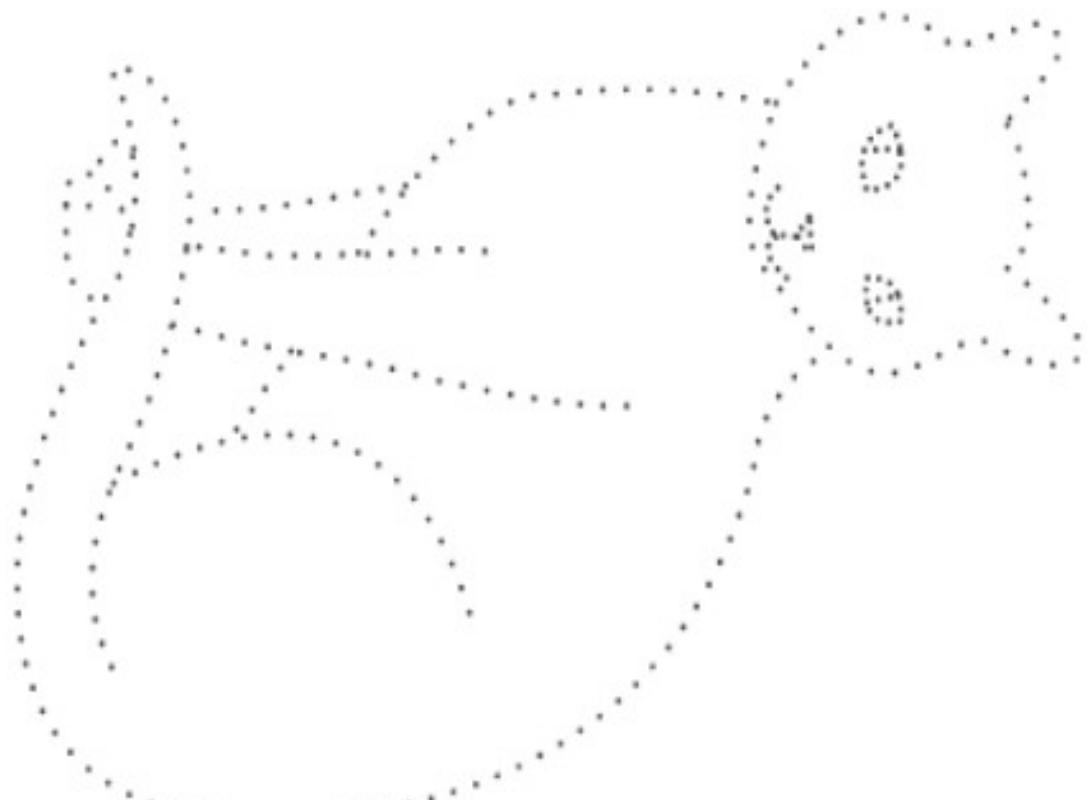

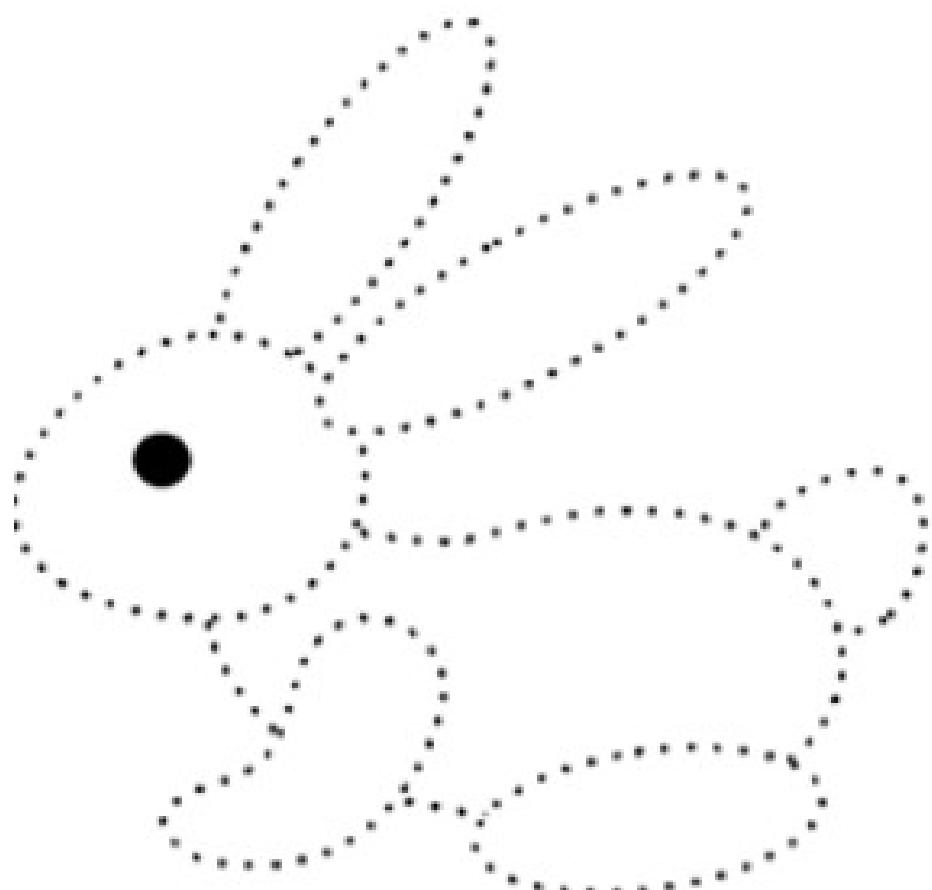

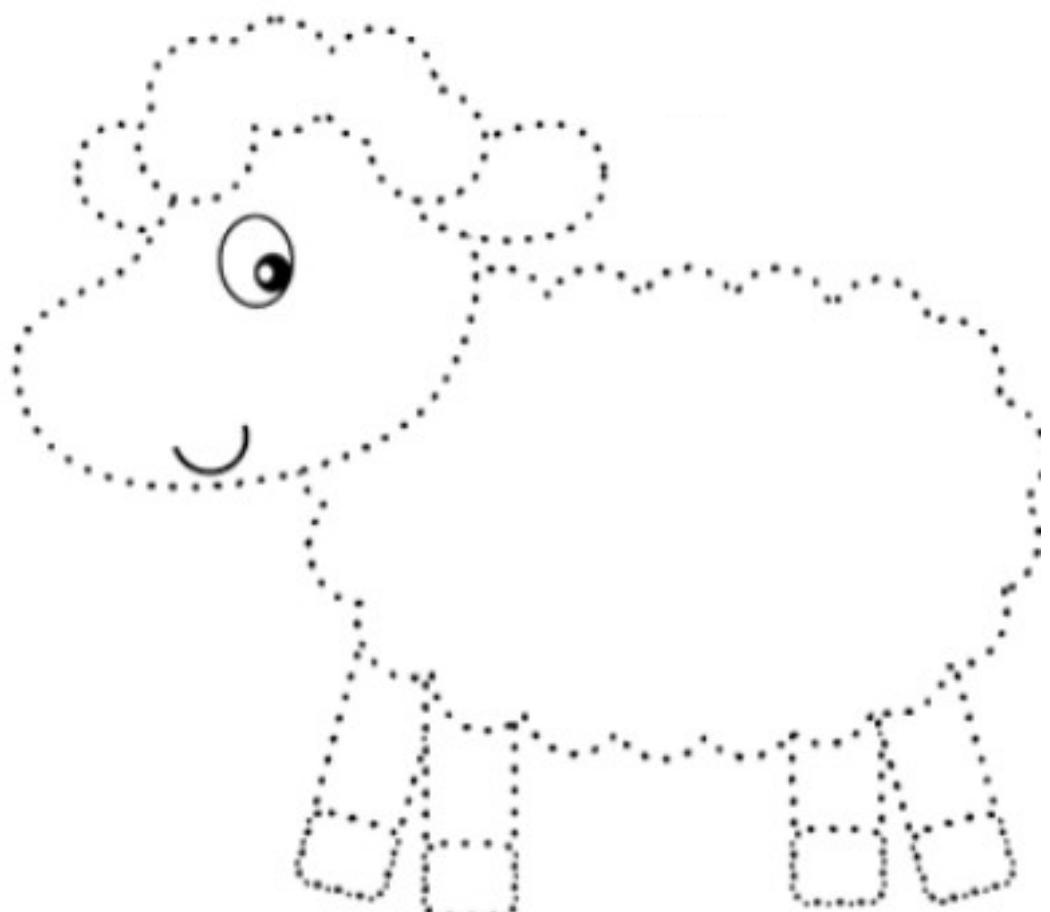

the first time in the history of the world, the
whole of the human race has been gathered
together in one place, and that is the
present meeting of the General Assembly.

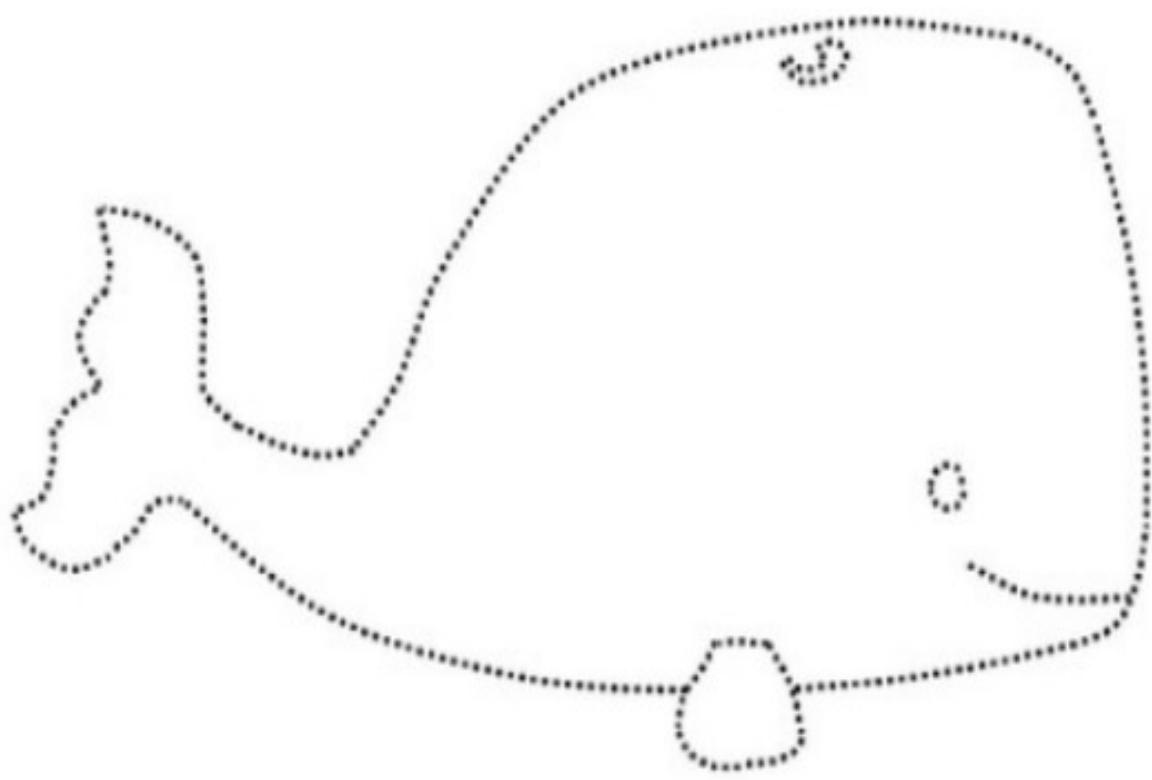

It is a great privilege for me to be here
and to speak to you all. I am sure that you
will all be very interested in what I have
to say, and I hope that you will all be
very pleased with what I have to say.
