Coloriage géométrique : colorie tous les rectangles et les carrés

Ferme les boîtes si nécessaire.

Dessine les doigts comme Patie puis complète les nuages

Row 1: A ten-frame with 6 blue circles, 1 box with an 'x', and 3 empty boxes. An arrow points to a drawing of 6 fingers (3 on the left hand, 3 on the right hand). Another arrow points to a cloud.

Row 2: A ten-frame with 6 blue circles, 1 box with an 'x', and 3 empty boxes. An arrow points to a cloud.

Row 3: A ten-frame with 8 blue circles, 1 box with an 'x', and 1 empty box. An arrow points to a cloud.

Row 4: A ten-frame with 6 blue circles, 1 box with an 'x', and 3 empty boxes. An arrow points to a cloud.

Row 5: A ten-frame with 7 blue circles, 1 box with an 'x', and 2 empty boxes. An arrow points to a cloud.

Compte les noisettes de l'écureuil. Dessine comme Dédé.

Box with 6 acorns and an arrow pointing to a cloud.

Cloud with the number 6 and an arrow pointing to an empty box.

Box with 8 acorns and an arrow pointing to a cloud.

Cloud with the number 8 and an arrow pointing to an empty box.

Box with 10 acorns and an arrow pointing to a cloud.

Cloud with the number 10 and an arrow pointing to an empty box.
