

JEU : Le repas des pokémons

L'élève choisit une carte « REPAS » et observe les déplacements à effectuer.

Il doit placer toutes les cartes devant lui pour réaliser le bon itinéraire en veillant à choisir le chemin le plus court.

En retournant la carte, il peut vérifier si son codage était le bon grâce à une correction qui est proposée. S'il a choisi un autre itinéraire, il peut demander à l'adulte de le valider.

But du jeu : **DONNER À MANGER À SON POKÉMON EN CHOISISANT LE CHEMIN LE PLUS COURT.**
