2. You spread the ripples through the sea,  
You painted stripes on every bee,  
And all the grass that grows and all the leaves that fall  
Are part of your amazing plans for this creation...
3. You put the heat into the sun,  
You placed a heart in everyone,  
And all the music played and all the dancing done  
Reminds us that we're made to be creative like...
