

Défis GS Langage

Construis une phrase avec ces images :

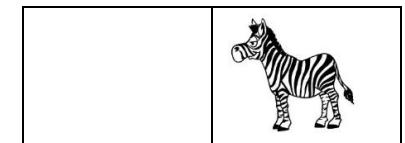

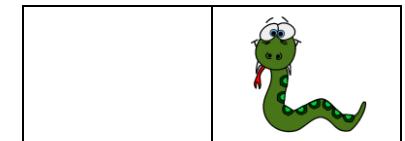

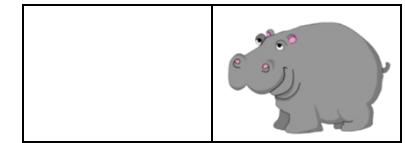

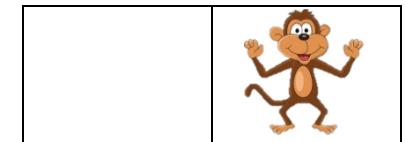

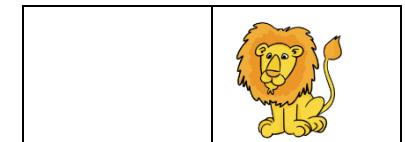

***3 mots pour 1
phrase***

Défis GS Mathématiques

Dénombrer chaque famille et compléte le tableau avec le chiffre qui convient.

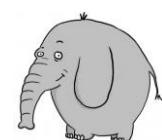

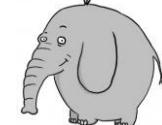

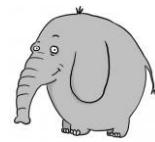

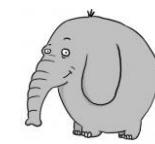

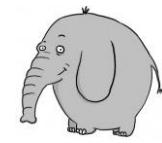

Défis GS

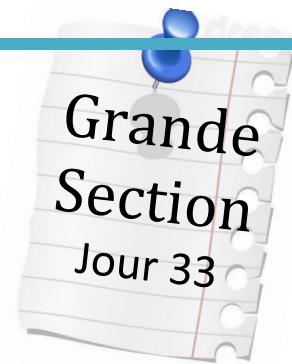

Discrimination visuelle

Observe bien les animaux de chaque ligne. Il doit toujours y avoir un zèbre, un lion, un élphant, un serpent, un singe et un tigre. Quel animal manque-t-il sur chaque ligne ?

Défis GS
Écriture

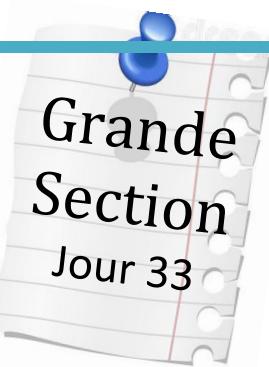

Ecris la phrase suivante

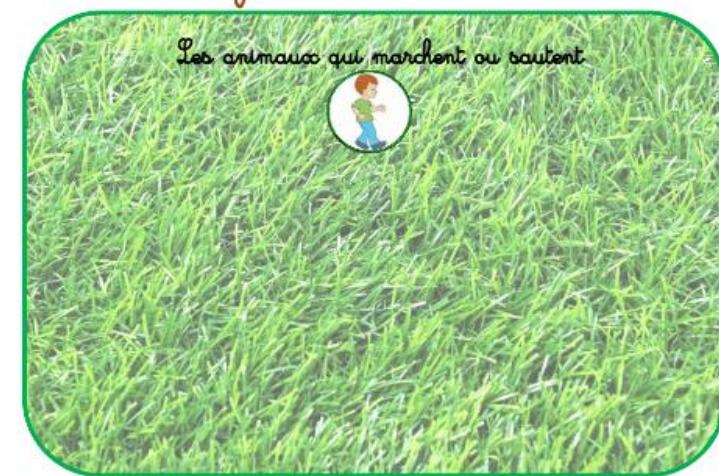

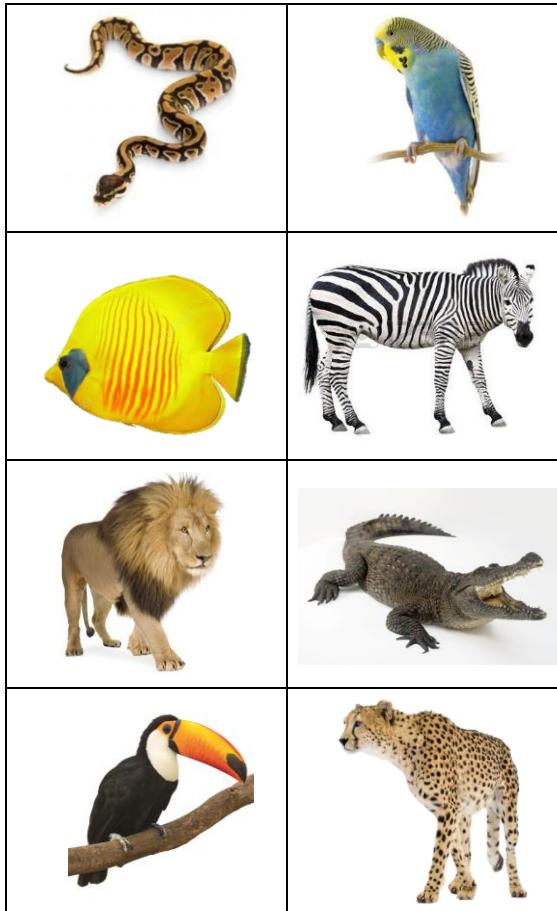

Le singe aime les bananes.

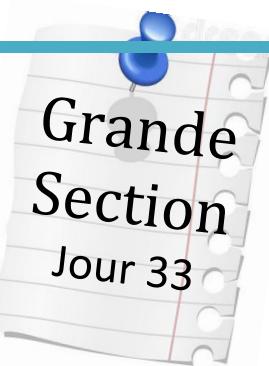

Défis GS Sciences

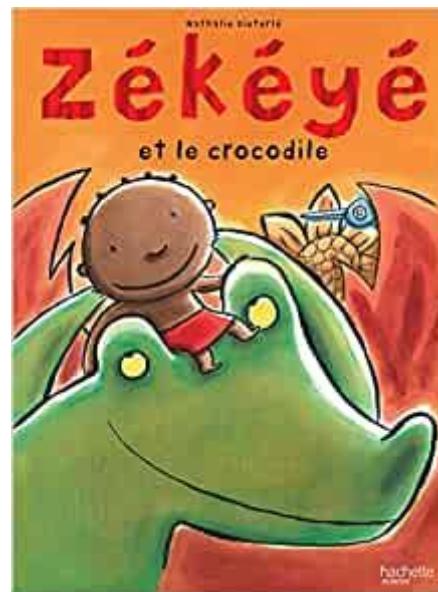

Comment se déplacent les animaux : est-ce qu'ils rampent, marchent, volent ou nagent ?

Histoire

Et une petite histoire pour se détendre
