Observe bien les dessins, écris l'opération qui correspond et complète la phrase réponse.

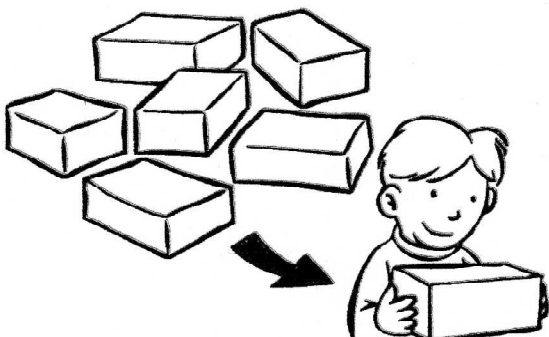

Il reste _____
hélicoptères.

An illustration showing a subtraction operation. On the left, there are three helicopters. An arrow points to the right, where there are two helicopters. This represents the equation 3 - 1 = 2.

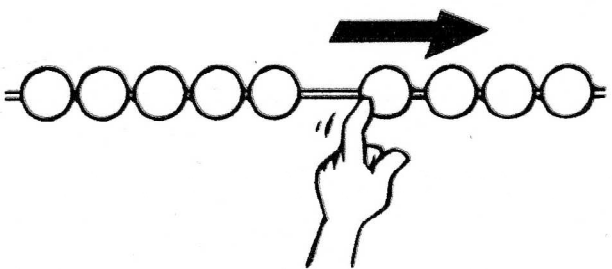

Il reste _____
enfants.

An illustration showing a subtraction operation. On the right, there are five children. An arrow points to the left, where there are two children. This represents the equation 5 - 3 = 2.

Il reste _____
boîtes.

An illustration showing a subtraction operation. On the left, there are seven boxes. An arrow points to the right, where a child is holding one box. This represents the equation 7 - 6 = 1.

Il reste _____
boules.

An illustration showing a subtraction operation. On the left, there are ten balls on a string. An arrow points to the right, where there are eight balls. This represents the equation 10 - 2 = 8.
