The activity consists of 30 wolf illustrations scattered across the page. At the top, five large colored circles are placed above the wolf illustrations, serving as a key for the sorting activity. The colors are: blue, red, green, yellow, and orange. The wolf illustrations are in various poses and outfits, including: walking with a backpack, sitting on a beanbag chair reading, sitting on a small stool reading, standing on a small stool, and sitting on the floor reading. The goal is to sort the wolves into five groups based on these colors.
