

MEG and MOG

Helen Nicoll and Jan Pieńkowski

At midnight
the owl hooted 3 times
and woke her up

Once upon a time
there was a witch
called Meg

She got out of bed
to dress for
the spell party

She
put
on

her black
stockings

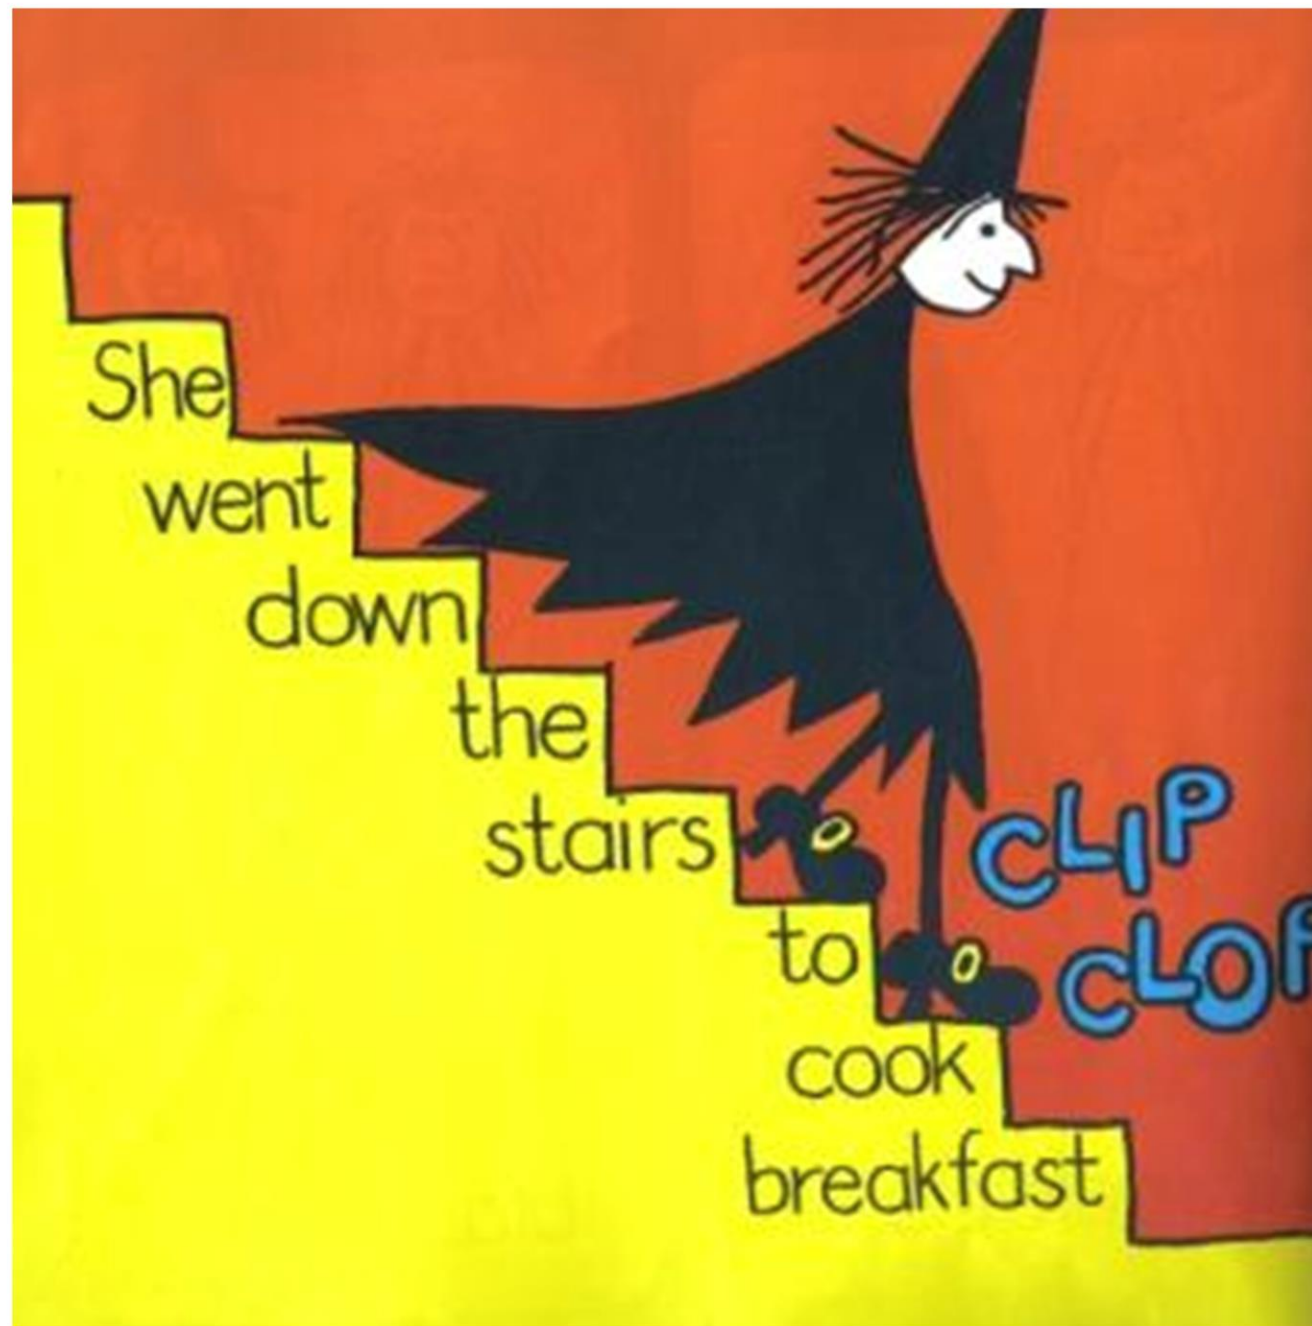

her big
black shoes

her long
black cloak

and her tall
black hat

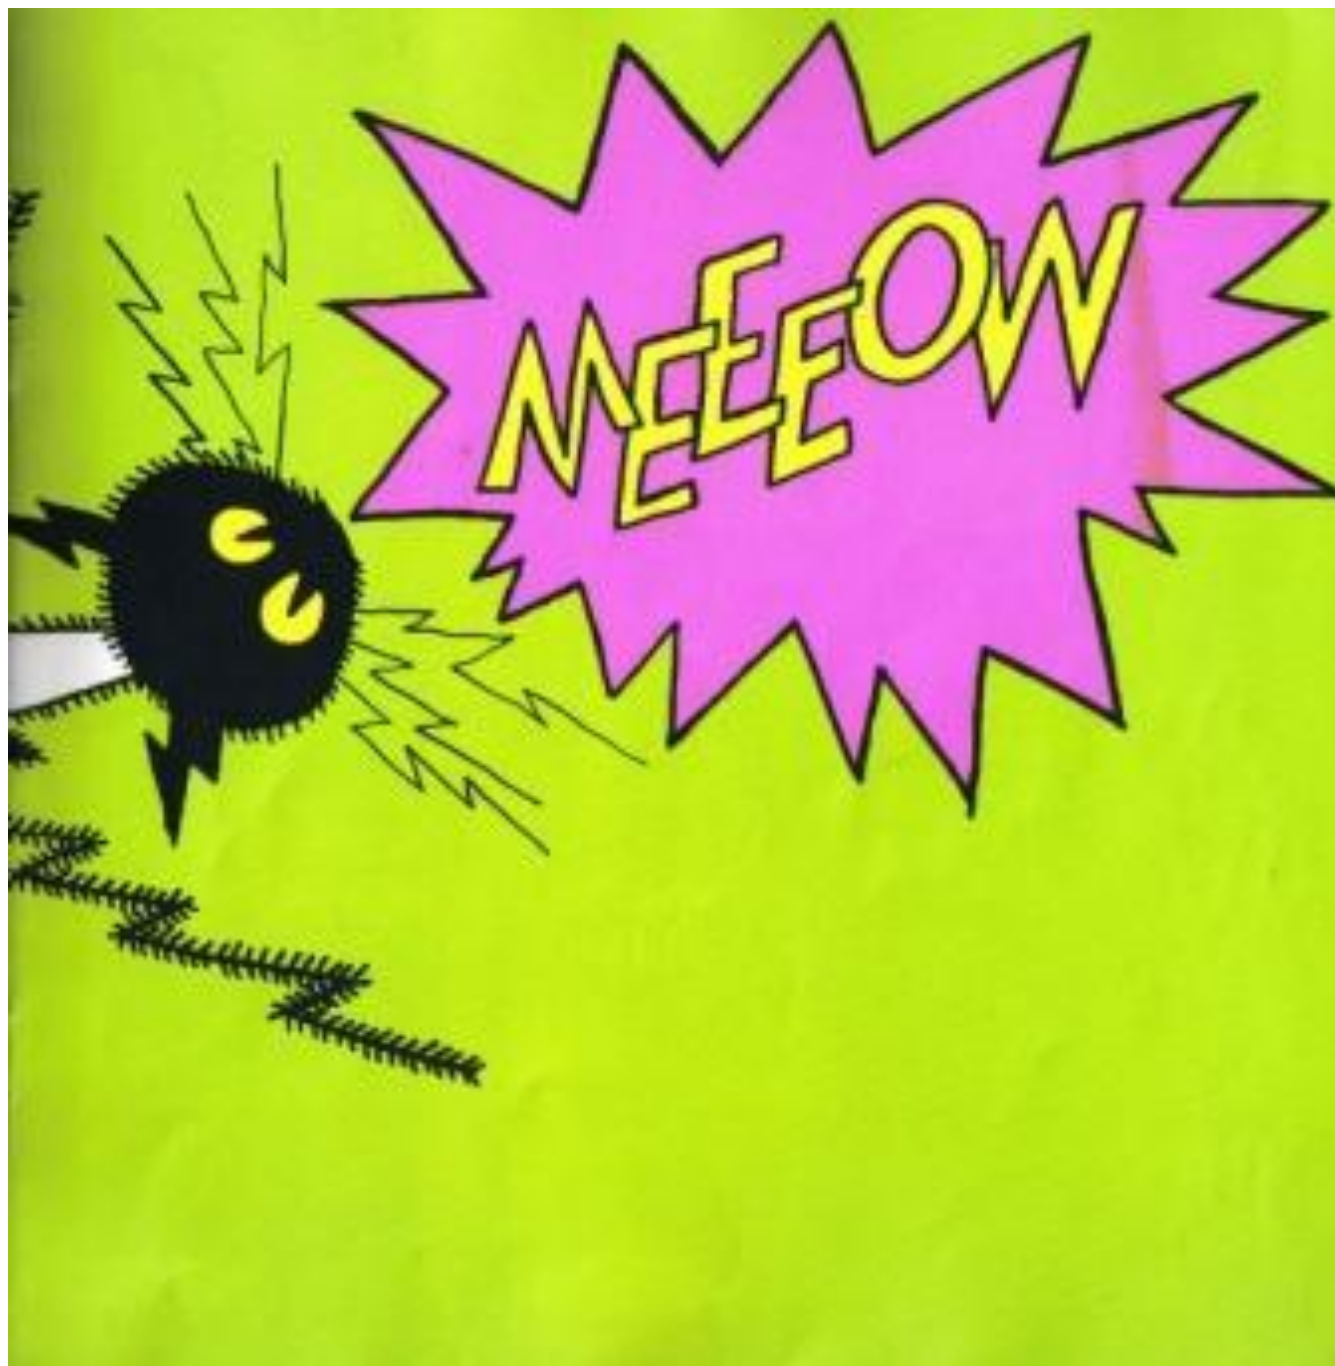

A green cuckoo clock with a white clock face and black hands. A yellow bird is perched on the roof. The pendulum is yellow and the weights are black.

She trod on Mog's tail

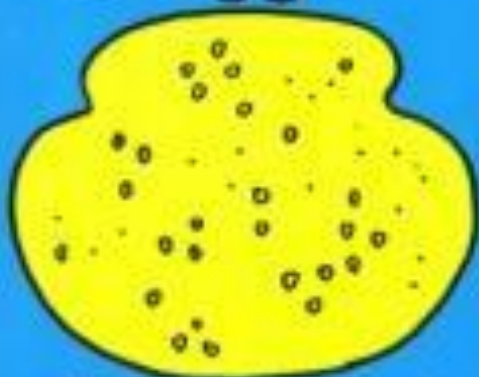

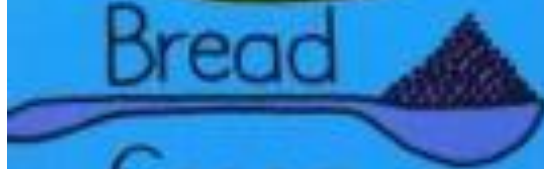

She took out
of her cupboard

3 eggs

Bread

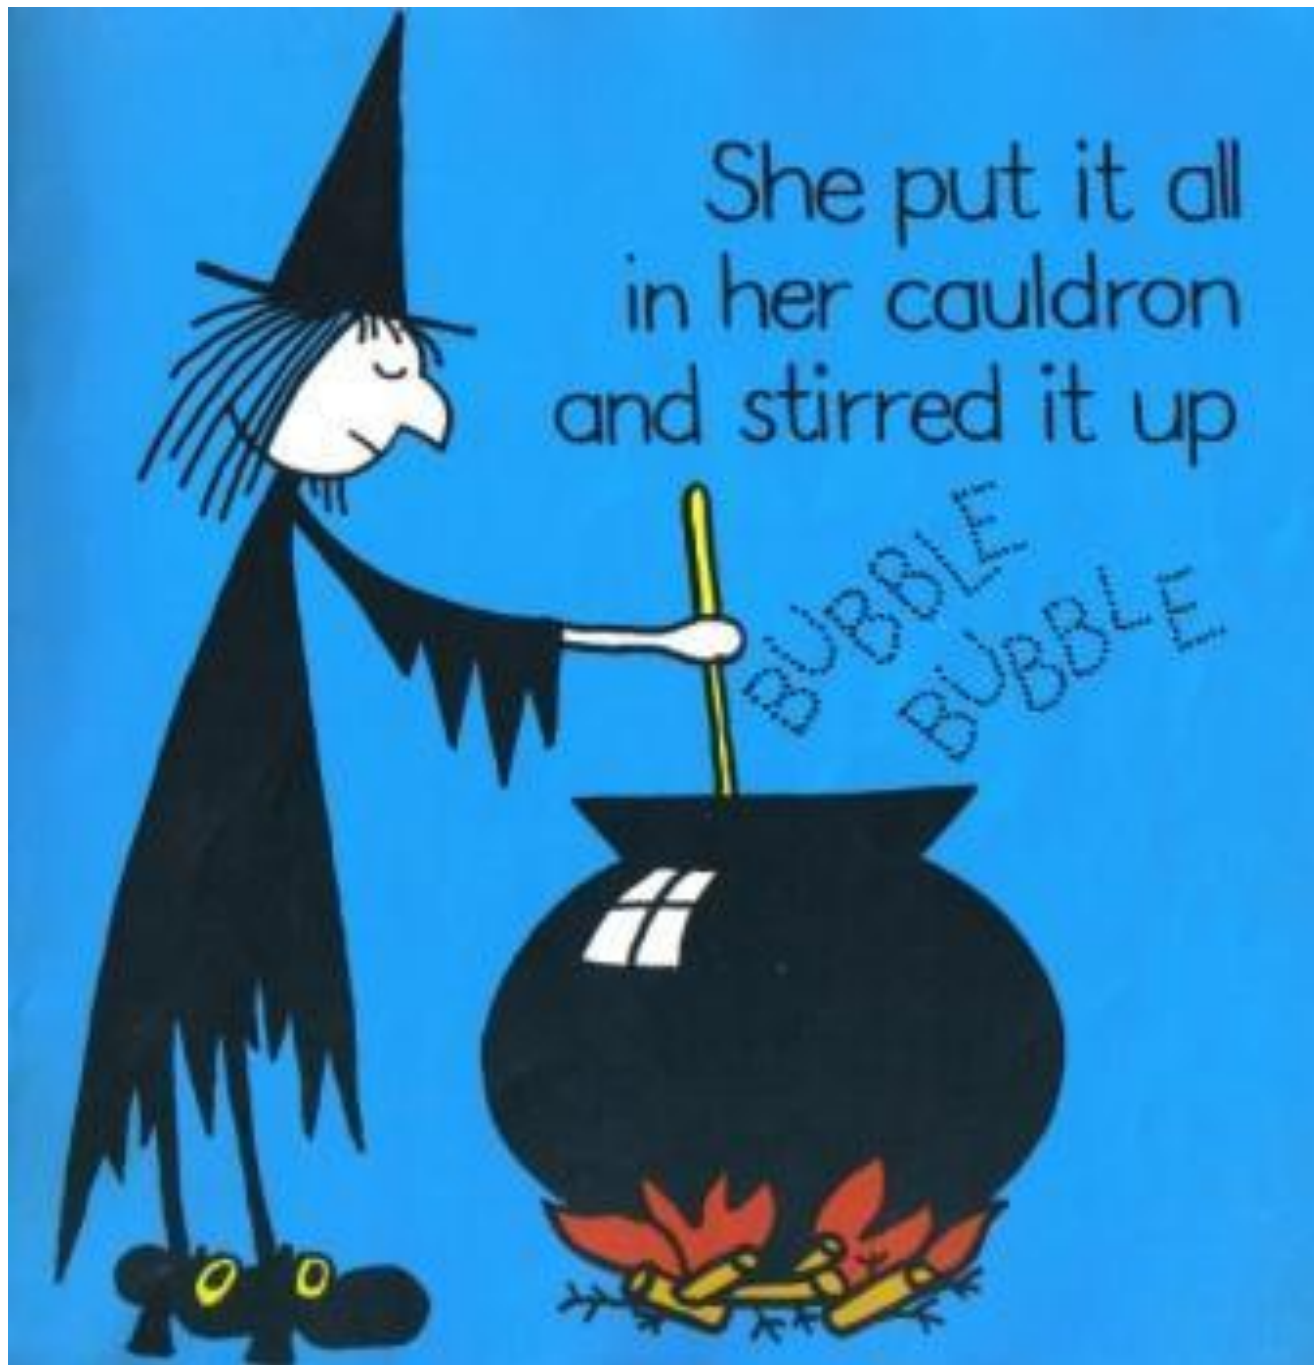

Cocoa

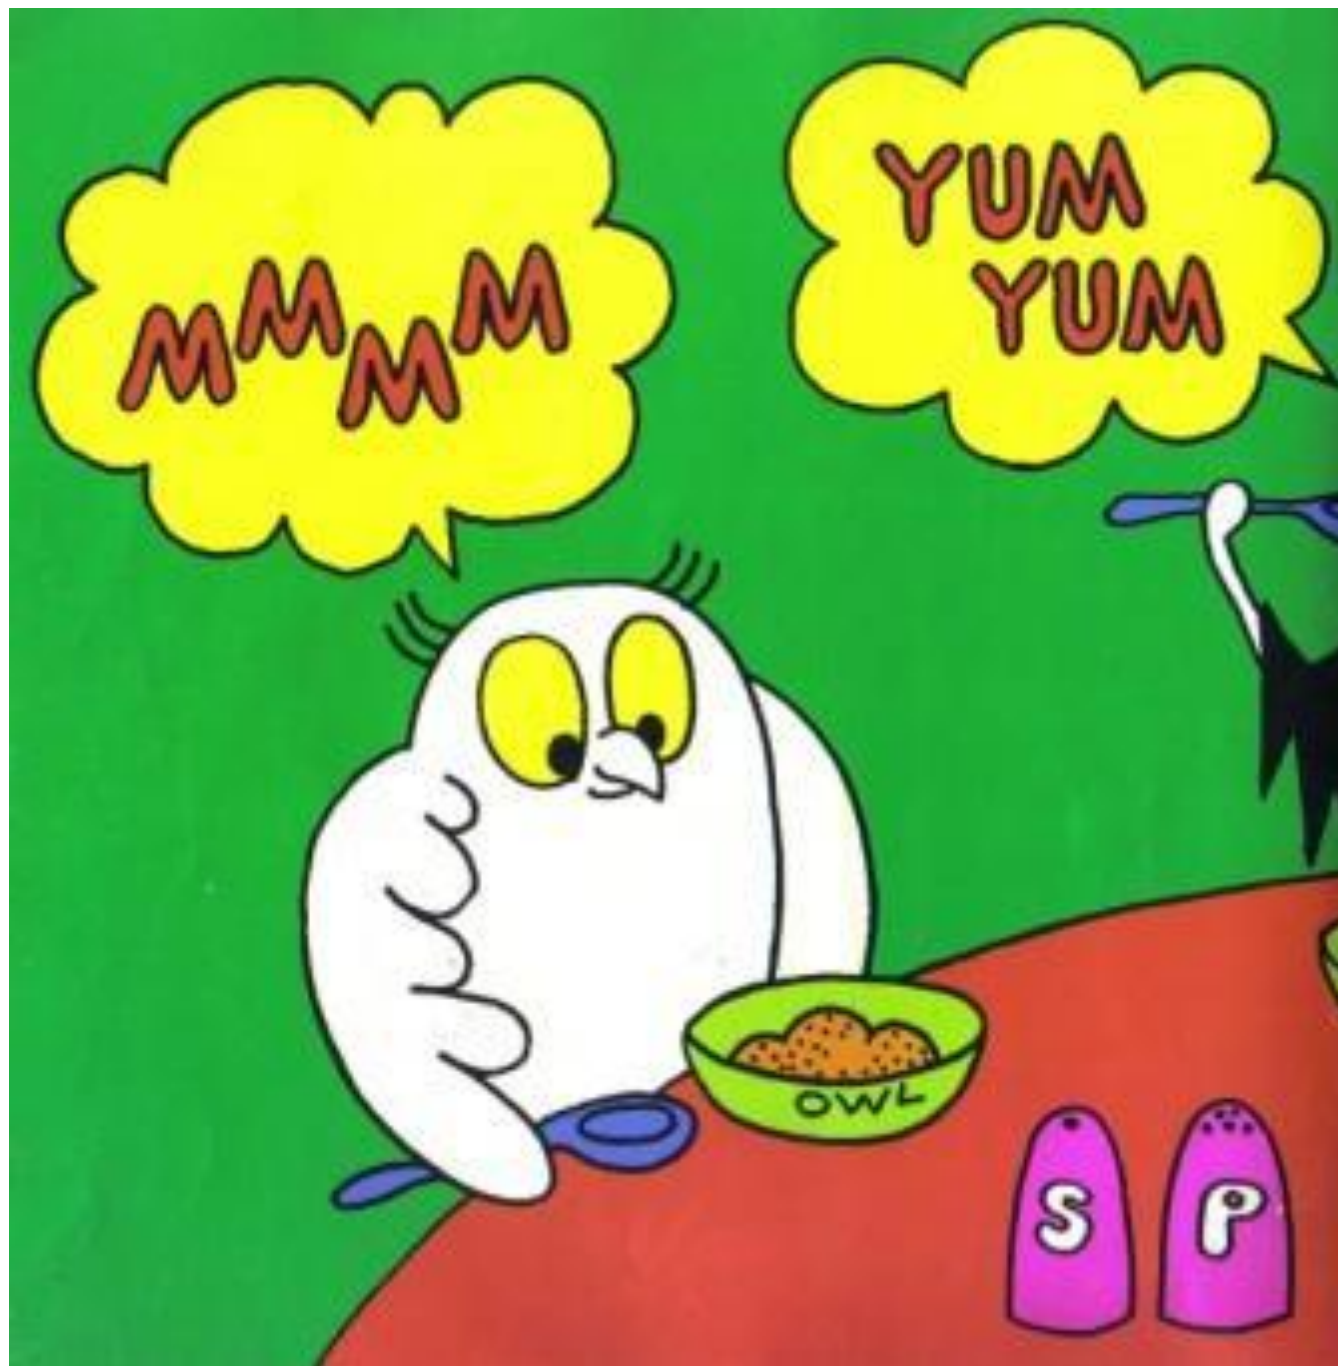

a kipper

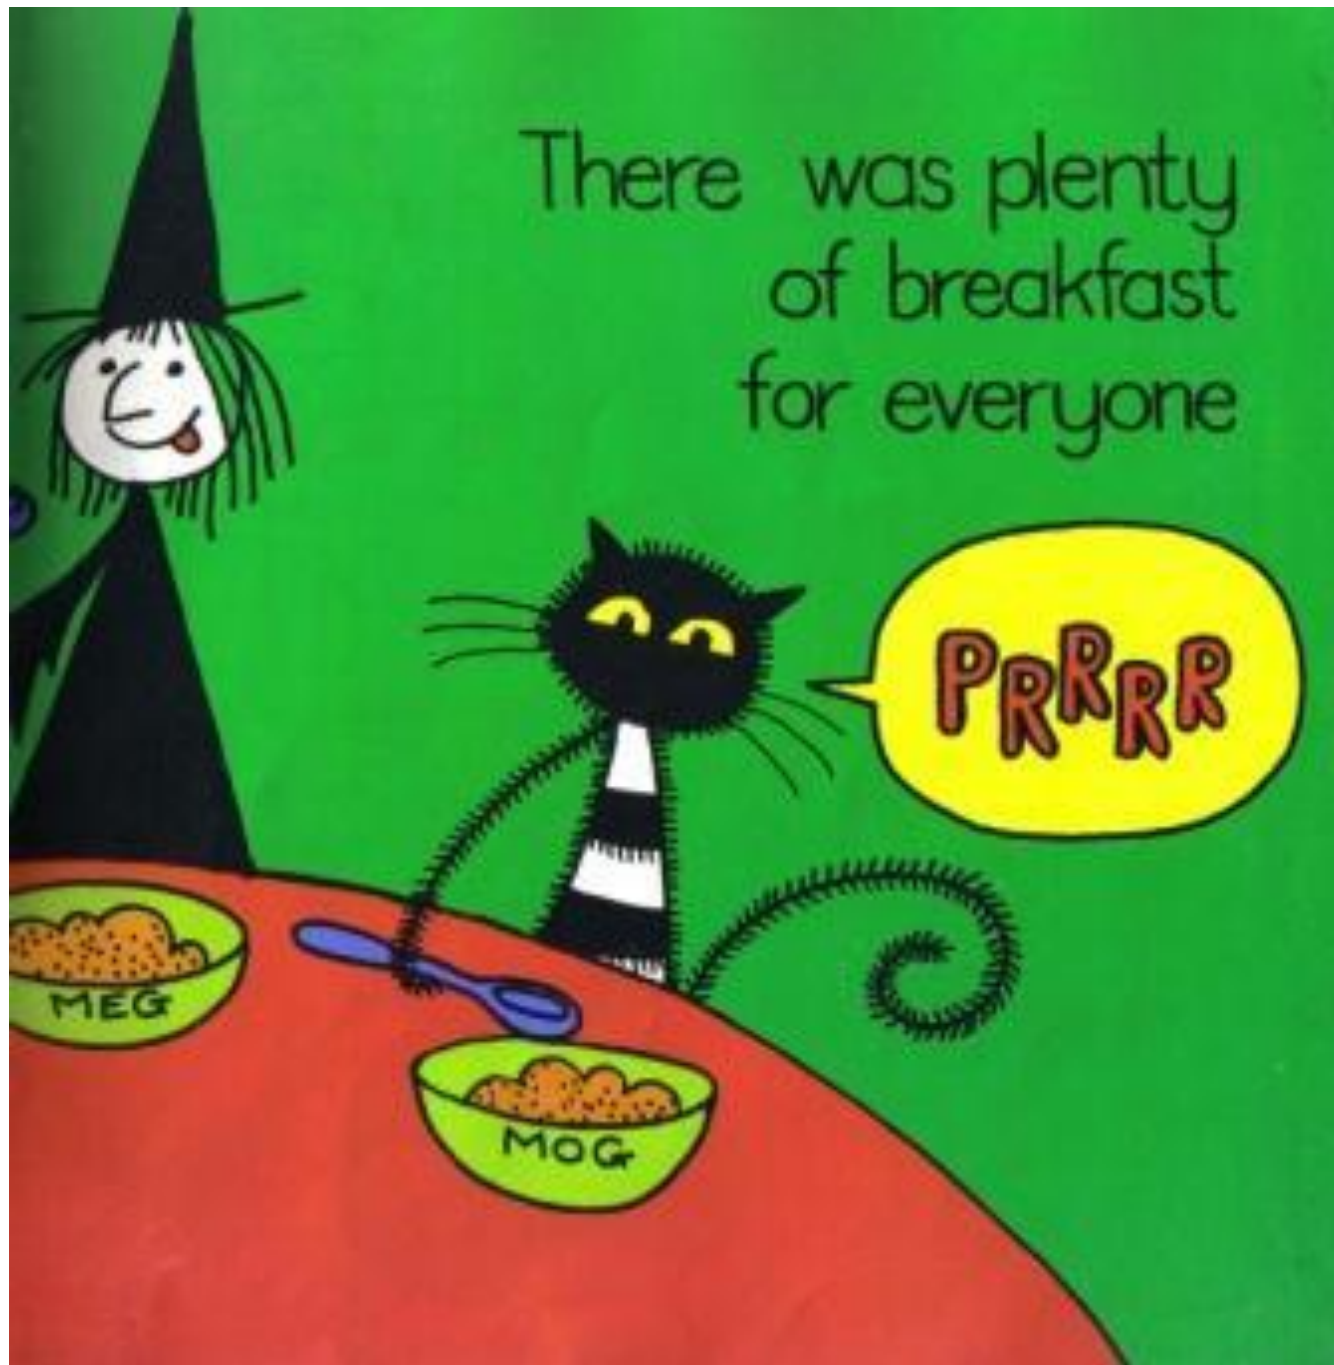

She put it all
in her cauldron
and stirred it up

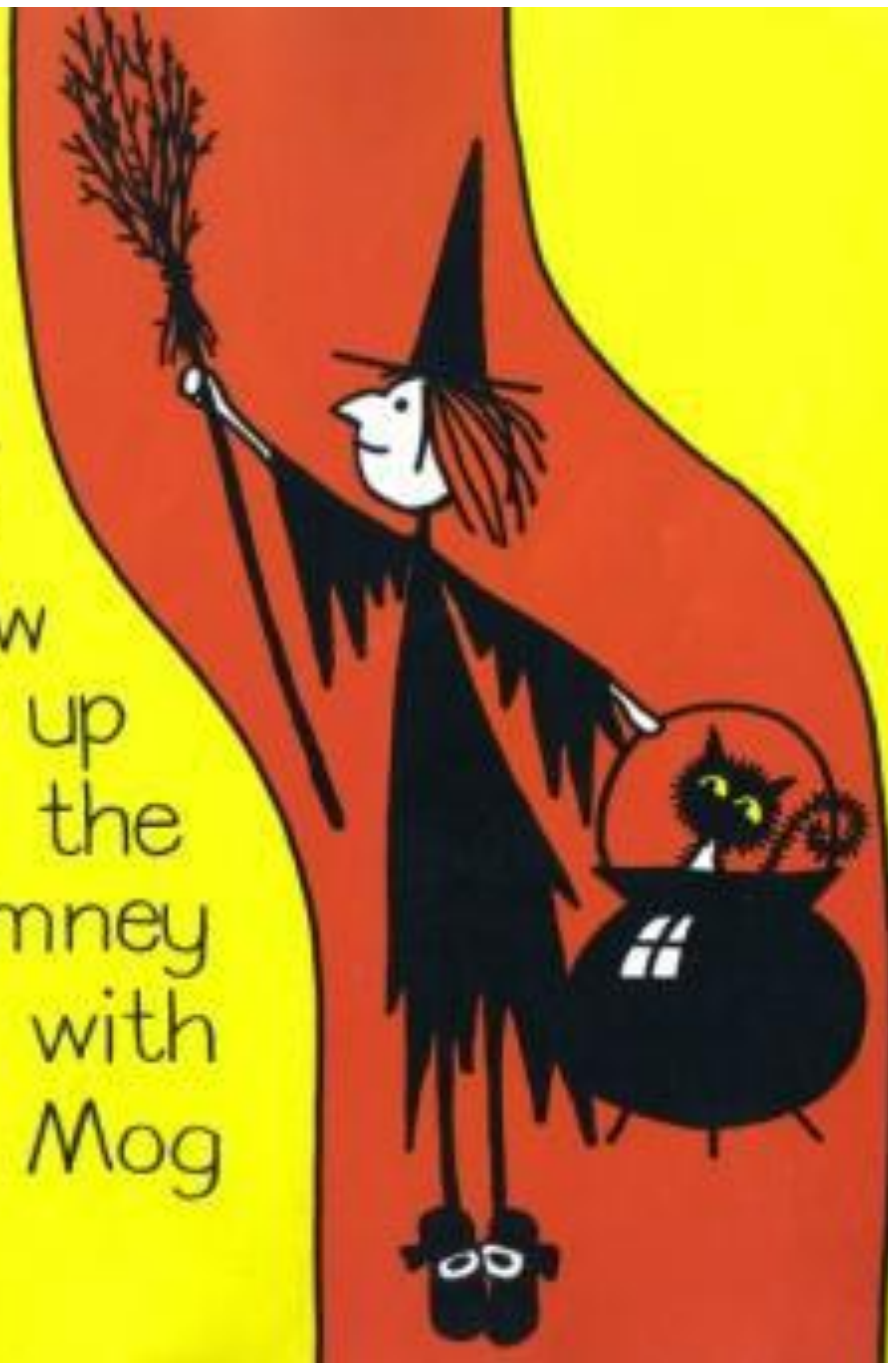

There was plenty
of breakfast
for everyone

At 1 o'clock
she got
her broomstick
her cauldron
and
a spider

and
she
flew
up
the
chimney
with
Mog

Up in the sky

she met her friends
going to the party

Bess

Jess

Tess

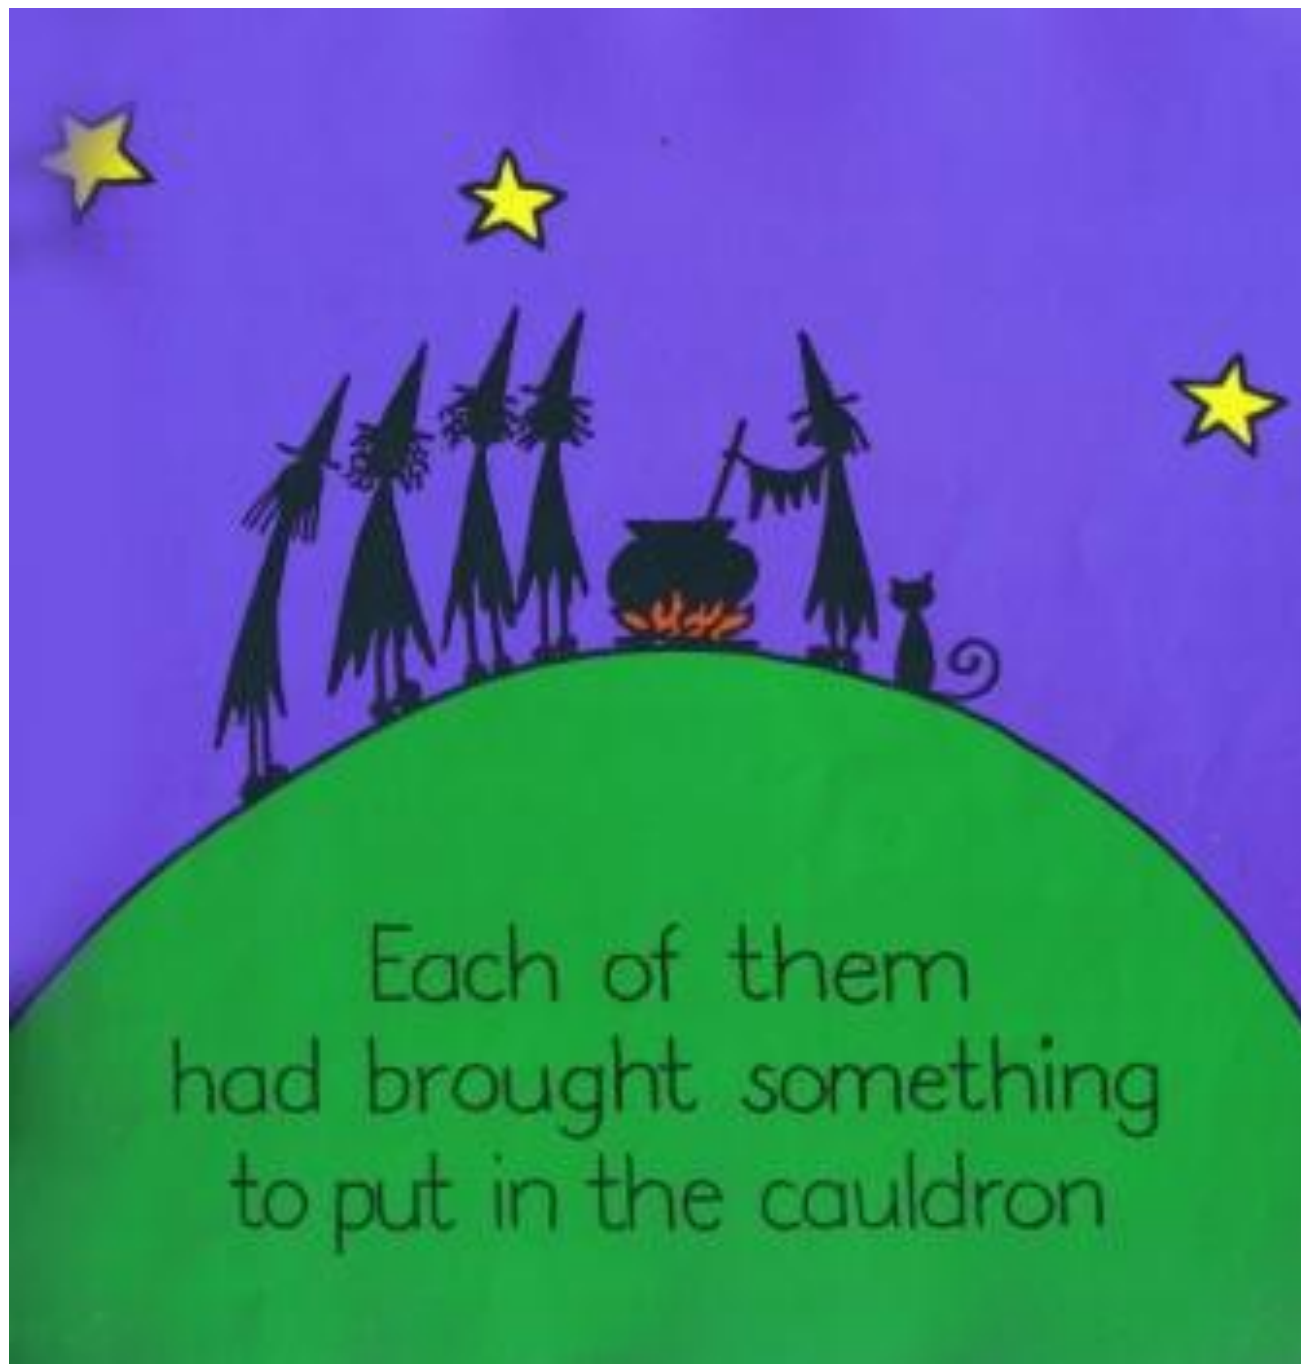

and

Cress

They landed on a hill
in the moonlight
to make the spell

Each of them
had brought something
to put in the cauldron

This is what
they put in:

a frog

a
beetle

a
worm

a bat

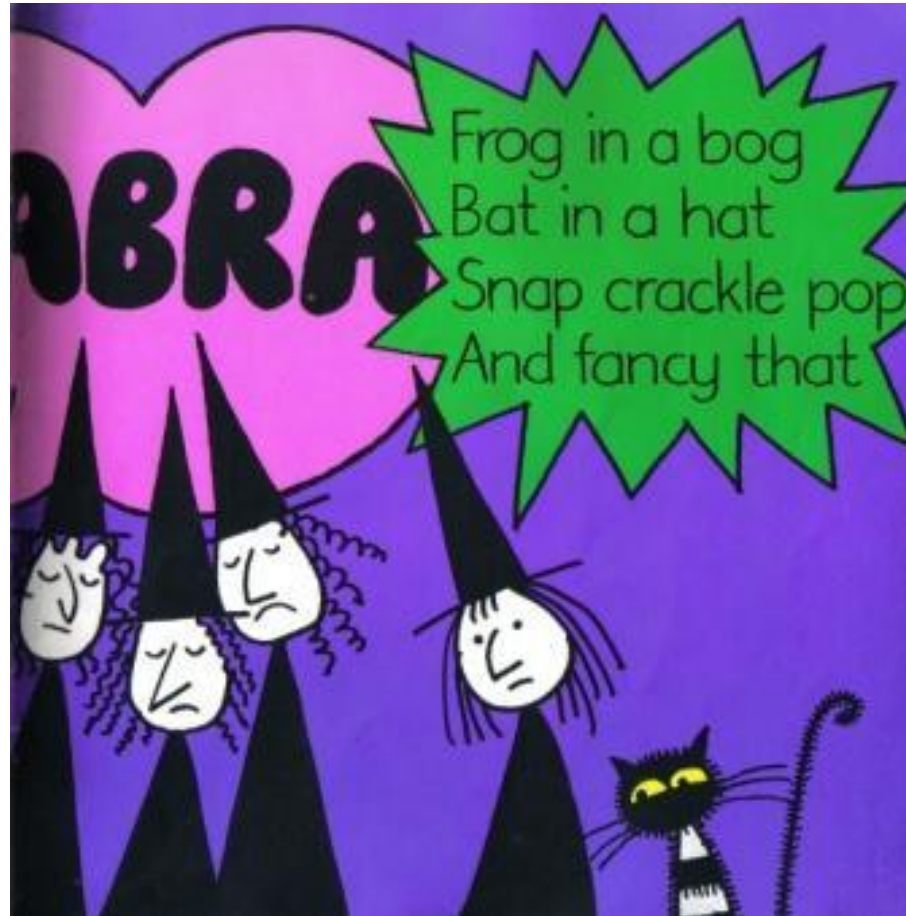

a
spider

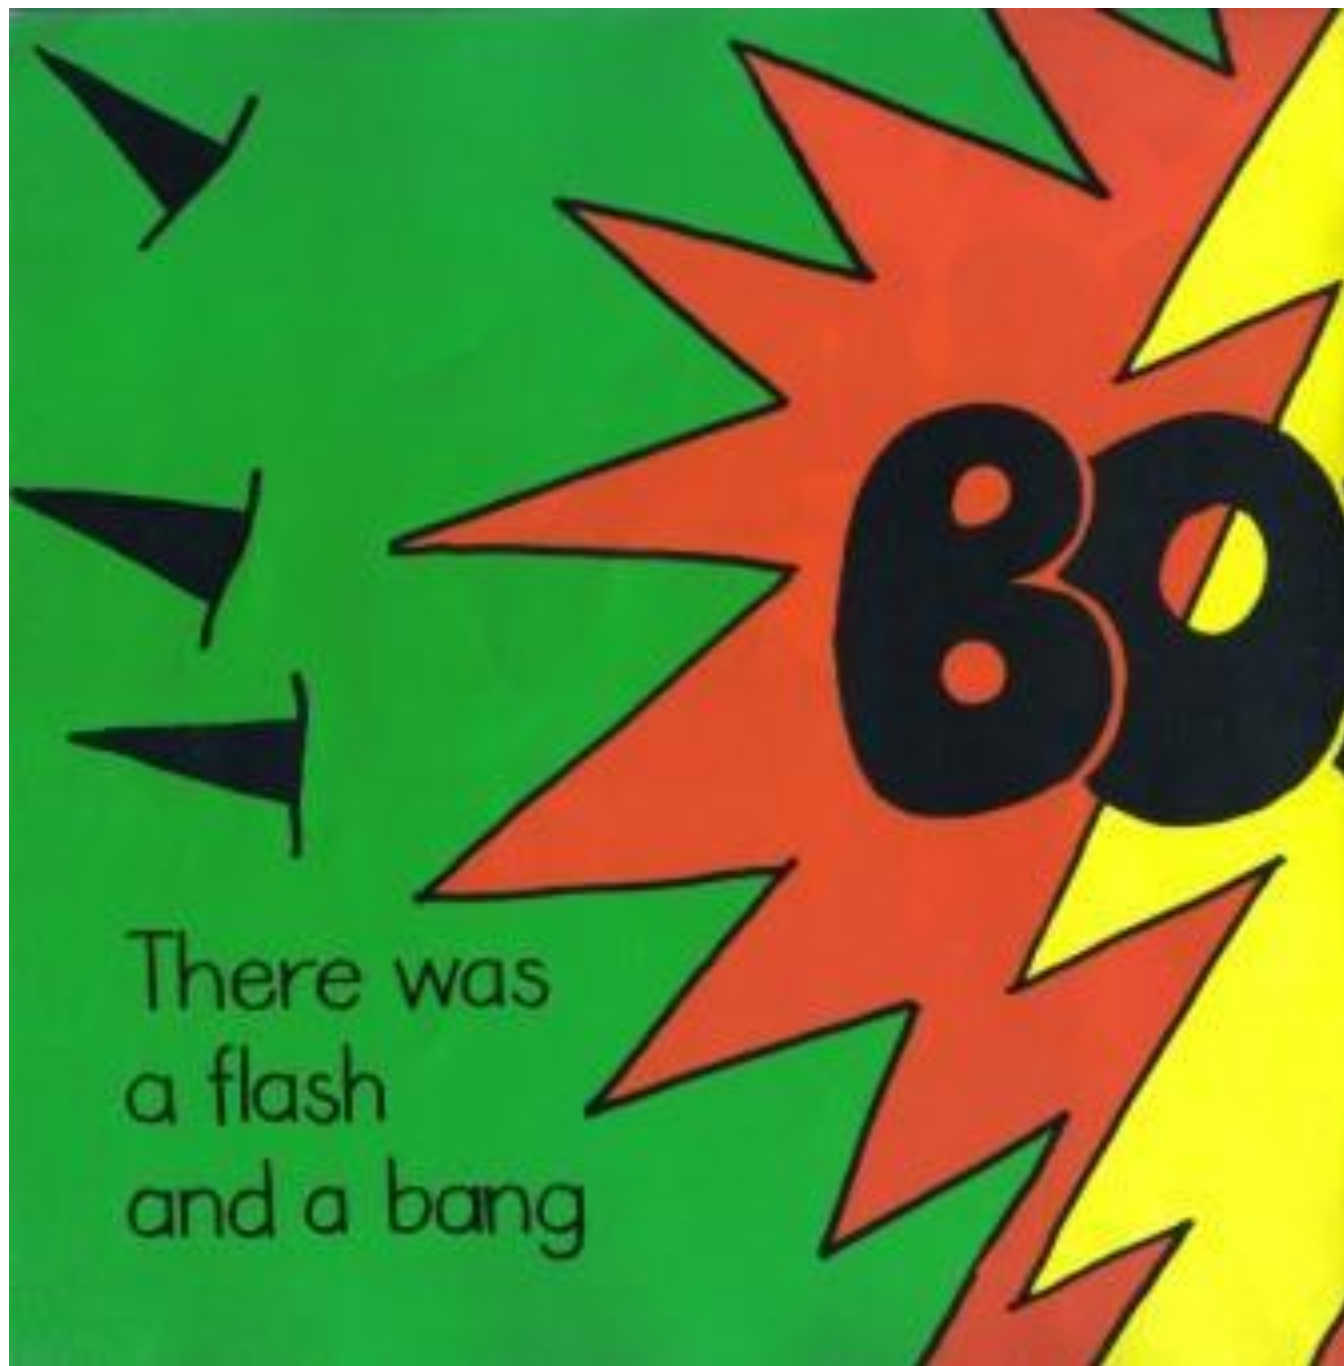

ABRACADA

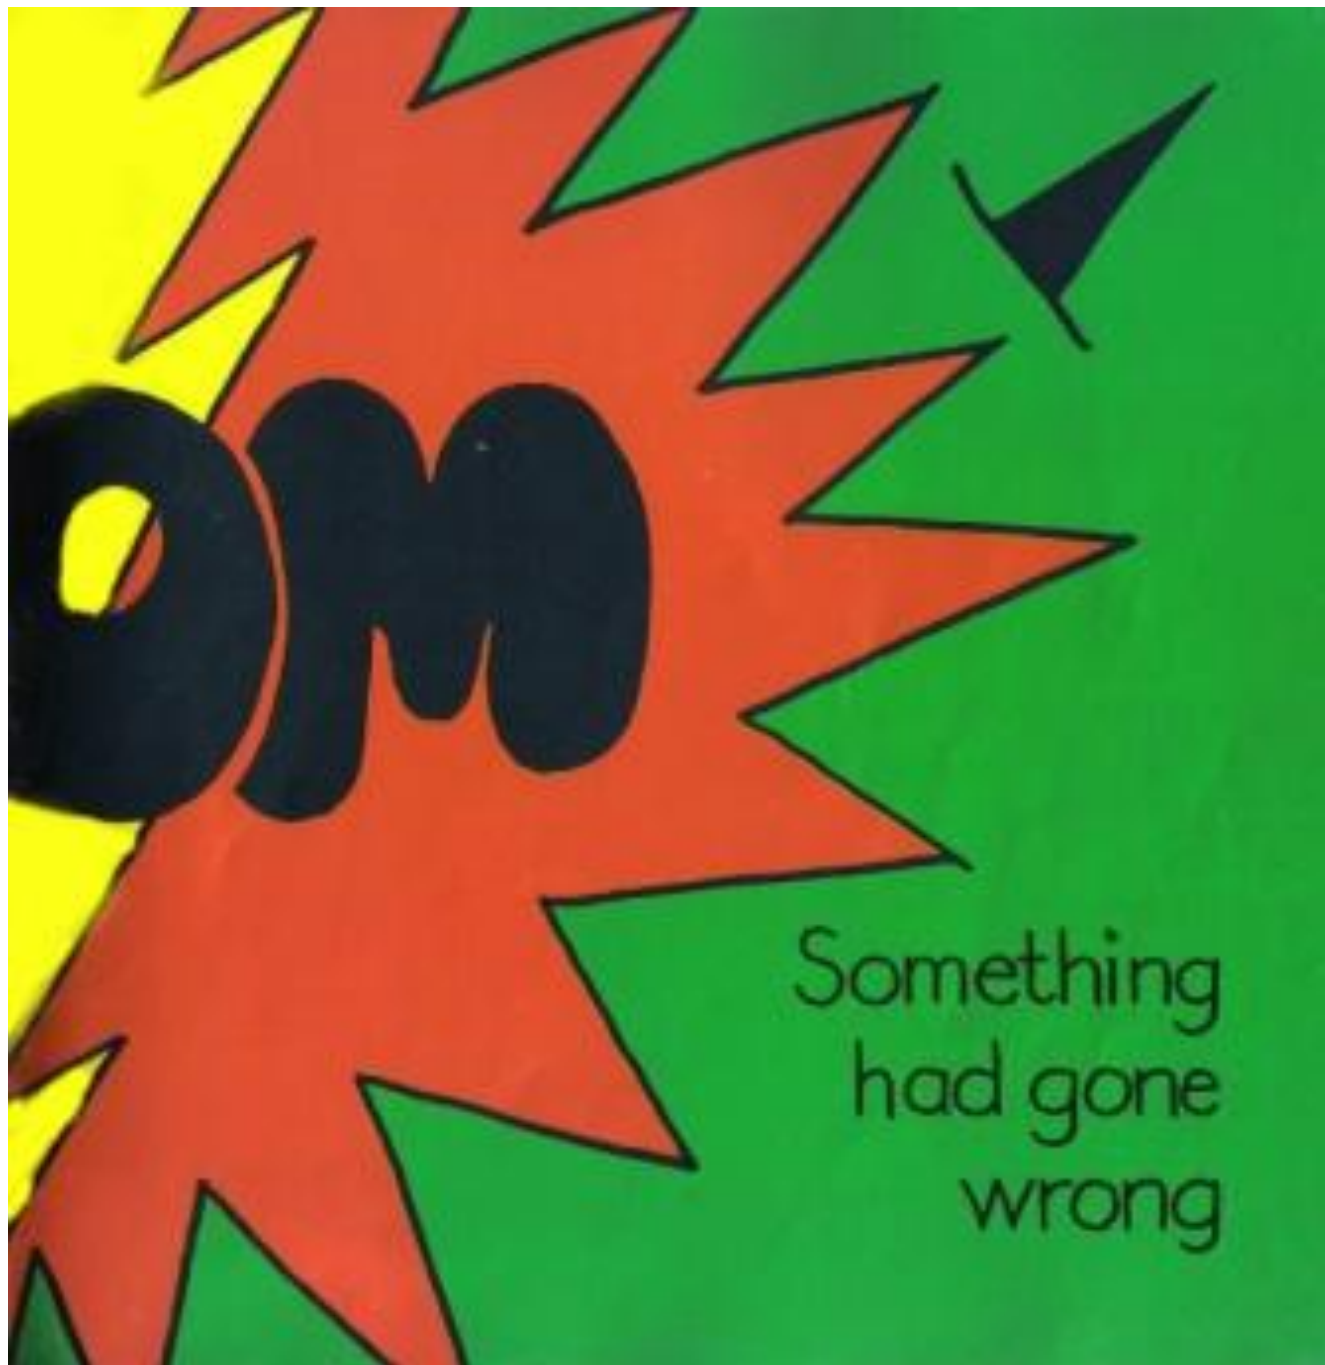

They all
stirred the cauldron
as they chanted
their spell

ABRA
Frog in a bog
Bat in a hat
Snap crackle pop
And fancy that

There was
a flash
and a bang

Something
had gone
wrong

Bess, Jess,
Tess and Cress
all changed into mice
and Mog chased them

Goodbye!
